Lexmark Multifunction Printers

This workbook has multiple tabs.

This workbook contains several tabs. Each tab lists a copies per minute (cpm) range. This vendor has combined color machines were tabs as the black & white machines. The machines and their accessories have been color coded for ease of identification where needed.

The pricing listed on the cpm pages are machine prices only. Maintenance option pricing for service and supplies can be found on vendors separate maintenance options spreadsheet/workbook.

This workbook also contains tabs for related software products and value-added services the vendor has proposed.

Please contact the State of Florida contract administrator for questions regarding how to use this contract. The contract administrator's contact information can be found on this contracts main web page.

• Solutions SMSA = 20% per year

• The solutions priced above are based on standard Lexmark offerings. If custom workflow solutions or modifications are required to adapt to the customer's

environment, additional Professional Services expenses will be incurred.

• All solutions priced above are compatible only with solution-capable Lexmark

devices.

• Typical lead-time for onsite installation services for the above solutions is 2-4 weeks. More precise scheduling will be provided as part of the project deployment process and will be dependent upon timing with regard to other ongoing Lexmark projects.

Volume discounts may apply for large device deployments of the above priced solutions. These will be quoted, as needed.

• Custom workflow solutions, beyond those priced above, may be available if required. Pricing and scope can be discussed with your Lexmark account manager.

Some of the solutions above are server-based solutions and require customerprovided server hardware.

• For the embedded applications, each device will be required to have at least 256 MB memory installed.

 Solutions priced above include one year of Annual Maintenance and Support (AM&S), excluding the SaaS solutions. AM&S can be renewed annually at a rate that will be quoted with your initial purchase. code templates
