Vendor Registration Quick Reference Guide Last Update: March 2020

Market Place

MyFloridaMarketPlace (MFMP) is the State of Florida's online procurement system that connects state agencies with over 80,000 registered vendors to purchase goods and services. MFMP provides vendors with several benefits, such as 24/7 access to bid opportunities, access to certification for women-, veteran-, and minority-owned businesses, customer service support, and much more. To conduct business with the State of Florida, vendors must create and maintain an account in the MFMP Vendor Information Portal (VIP).
