

Healthcare Bluebook™

# Why shop for medical care?

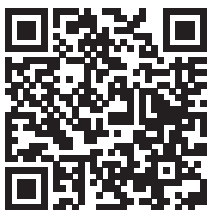

With so many options out there for healthcare, it can be overwhelming trying to find a low-cost high-quality facility for your procedure. That's where **Healthcare Bluebook** comes in. Bluebook's quality ratings are designed to help patients understand each facility's level of quality for specific medical procedures. In fact, sometimes providers with lower costs can have higher quality; there's typically no correlation between high cost and high quality. Bluebook can help you find the best of both worlds.

Plus, you can earn rewards up to \$6,000 on select procedures every time you use **Healthcare Bluebook** and select green facilities for your care.

## So, why Shop for care?

- To find the highest quality facilities for your care for the best overall outcome
- To save hundreds to thousands of dollars and avoid surprise medical bills
- Earn Rewards!

Searching in Bluebook makes it easy to see which facilities offer the highest quality at the lowest costs. See how much you can save and start earning rewards today!
