I. INTRODUCTION

The descriptions contained in this document are intended to provide a summary explanation of your benefits. Easy-to-read language has been used as much as possible to help you understand the terms of the Plan. Your insurance coverage is limited to the express written terms of this Summary Plan Description (SPD). Your coverage cannot be changed based upon statements or representations made to you by anyone, including employees of the Division of State Group Insurance (DSGI), United Healthcare, CVS Caremark, People First or your employer. This SPD describes the benefits provided to you by the State of Florida under the State Employees' HMO Plan (Plan), for Health Plan Members, as defined herein, who have selected United Healthcare as their Claims administrator. This SPD is made available for your reference and is subject to various legal requirements, including the requirements of the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

The Plan is further subject to federal and State of Florida laws and rules promulgated pursuant to law including, but not limited to, Chapter 60 of the Florida Administrative Code. In any instance of conflict, the provisions of this SPD shall take precedence over provisions of law so far as legally permitted. Any clause, section or part of this SPD that is held or declared invalid for any reason shall be eliminated, and the remaining portion or portions shall remain in full force and be valid as if such invalid clause or section had not been incorporated herein. Unless otherwise noted in this document, if the terms of this document and the terms of the Plan conflict, the SPD shall control.

The State of Florida may designate any third-party administrators or Claims administrators to carry out certain Plan duties and responsibilities. The State of Florida is responsible for formulating and carrying out all rules and procedures necessary to administer the Plan. The State of Florida, as Plan Administrator, has the discretionary authority to (1) make decisions regarding the interpretation or application of Plan provisions; (2) determine the rights, eligibility, and benefits of Health Plan Members and beneficiaries under the Plan; and (3) review Claims under the Plan. The State of Florida may delegate to a third party any or all such discretionary authority described above. Benefits under the Plan will be paid only if the State of Florida, as Plan Administrator, or its designee or delegate decides in its discretion that the Health Plan Member is entitled to them. Whether such Third Party Administrators have been delegated any such discretionary authority shall be determined solely on the basis of the contract between them and the state, and no such delegation shall be assumed to have been made expressly stated in their contract.

United Healthcare, in arranging for the delivery of Medical Services or benefits, does not directly provide these Medical Services or administer the Plan. United Healthcare arranges for the provision of Medical Services and administers Claims in connection therewith in accordance with the covenants and conditions contained in this SPD and medical guidelines.

This benefit plan is designed to cover most major medical expenses for a covered illness or injury, including Hospital, physician services and prescription drugs. However, you will be responsible for any:

1. Deductibles (HDHP Option only);
2. Coinsurance (HDHP Option only);
3. Copayments;
4. Hospital admission fees;
5. Non-covered services;
6. Amounts above or beyond the Plan's Limitations;
7. Non-emergency services in a Non-Network Hospital, facility, or office (i.e., anesthesiology, nurse anesthetists, radiology, pathology, laboratory, emergency room physician services and so forth) unless authorized in advance by United Healthcare, not the Primary Care Physician; and
8. Any other services identified in this SPD as excluded.

This SPD describes enrollment and eligibility, Covered Services and Supplies, the amount the Plan pays for Covered Services and Supplies, amounts that are your responsibility, and services that are not covered.

The State of Florida contracts with United Healthcare to arrange for the provision of Medical Services which are Medically Necessary for the diagnosis and treatment of Health Plan Members through a network of contracted independent physicians and Hospitals and other health care providers and to administer Claims in connection therewith.

You Must Enroll to Receive Benefits

You must affirmatively enroll to receive benefits under the Plan, as explained in the section within this document titled "Eligibility, Enrollment and Effective Date." If you do not take the actions outlined in this document to affirmatively enroll to receive benefits, you will **not** be entitled to any benefits of any kind under this Plan.

The Medical Services and Hospital Services covered by the Plan shall be provided without regard to the race, color, religion, physical handicap, or national origin of the Health Plan Member in the diagnosis and treatment of patients; in the use of equipment and other facilities; or in the assignment of personnel to provide services, pursuant to the provisions of Title VI of the Civil Rights Act of 1964, as amended, and the Americans with Disabilities Act of 1990.

If you have questions about your coverage after reading this booklet, you may call any of the telephone numbers listed on the WHO TO CALL section at the beginning of this document and talk with a member service representative.

Medical Claims

The Plan is not intended to and does not cover or provide any Medical Services or benefits that are not Medically Necessary for the diagnosis and treatment of the Health Plan Member. United Healthcare determines whether the services are Medically Necessary based on the terms, conditions, and criteria established by the Plan as interpreted by the state, and as set forth in medical guidelines. The State's interpretations of the Plan shall be communicated to United Healthcare by such means as may be agreed upon between them including, but not limited to, the appeals process set forth in Section XIII below and the final determination of DSGI on behalf of the Plan.

Claims for benefits are to be sent to United Healthcare. Sometimes medical providers make a mistake and over charge for the service. Please report any suspected billing errors to United Healthcare.

Patient-Auditor Program

Sometimes providers make a mistake and overcharge a patient. This may result in an overpayment of the claim by this Plan. If you discover an overpayment for any of the following, you may receive 50 percent of any amount the State recovers, up to a maximum of \$1,000 per claim:

1. A charge for Covered Services or Supplies that the covered person did not receive;
2. A charge higher than the amount previously agreed to in writing by the provider in a pretreatment estimate, other than charges for complications or procedures that were not anticipated; or
3. A charge that is part of an arithmetic billing error.

Contact DSGI at (850) 921-4600 to request a form to file a Patient Auditor claim. Report any suspected overcharges to DSGI.

Prescription Drug Claims

When you use a participating pharmacy, you do not need to file a Claim. The Claim will be submitted electronically to CVS Caremark. You will be responsible for your Copayment or Coinsurance, subject to the calendar year Deductible, if applicable to your Plan.

Rights to Employment

The existence of this Plan does not affect the employment rights of any employee or the rights of the state to discharge an employee.

Rights to Amend or Terminate the Plan

The State has arranged to sponsor this Plan indefinitely, but reserves the right to amend, suspend, or terminate it for any reason. Plan fee schedules, allowed amounts, allowances, physician and pharmacy network participation status, medical policy guidelines, prescription preferred drug list, prescription specialty drug program guidelines and premium rates are subject to change at any time without the consent of Health Plan Members. You will be given notice of any changes that affect your benefit levels as soon as administratively possible. The Plan Administrator, as defined below, fully intends to maintain this Plan indefinitely. However, it reserves the right to terminate, suspend, discontinue, or amend the Plan at any time and for any reason.

Primary Care Physician

We strongly encourage you to select a participating Primary Care Physician (PCP) who is responsible for providing and managing all your primary health care. You may change PCPs anytime by calling United Healthcare in advance. Your PCP does not need to refer you when you need to see a Specialist. Go to United Healthcare's website listed in this document's contact section to access the most current list of Participating Providers and Hospitals.

NOTICE: as prohibited by the terms of the Plan, the following acts will be treated as fraud or misrepresentation of material fact:

- Falsifying dependent information;
- Falsely certifying ineligible persons as eligible;
- Falsifying dependent documentation;
- Falsely enrolling ineligible persons in Coverage;
- Falsifying the occurrence of QSC Events; or
- Falsifying QSC Event documentation.

Such acts will require you to reimburse the Plan for any fraudulent Claims incurred, or if still within the COBRA election window, for paying COBRA premiums for any months ineligible persons were covered.

II. DEFINITIONS

As used in this SPD, each of the following terms are capitalized throughout this document shall have the meaning indicated:

Accidental Dental Injury - An injury to sound natural teeth caused by a sudden, unintentional, and unexpected event or force. This term does not include injuries to the mouth, structures within the oral cavity, or injuries to natural teeth caused by biting or chewing, surgery, or treatment for a disease or illness.

Adverse Benefit Determination - A denial, reduction, or termination of, or a failure to provide or make payment (in whole or in part), for a benefit, including any such action that is based on a determination of a Health Plan Member's eligibility to participate in the Plan; the application of any Utilization Management Program; the failure to cover an item or service for which benefits are otherwise provided because it is determined to be Experimental and/or Investigational or not Medically Necessary; a cancellation or discontinuance of coverage that has retroactive effect, unless attributable to a failure to timely pay required premiums or contributions toward the cost of coverage; and the requirements of the Shared Savings Program.

Alternate Facility – A health care facility that is not a Hospital and that provides one or more of the following services on an outpatient basis, as permitted by law:

- Surgical services.
- Emergency Health Services.
- Rehabilitative, laboratory, diagnostic or therapeutic services.

An Alternate Facility may also provide treatment for Mental and Nervous Disorders or Substance Abuse on an outpatient basis or inpatient basis (for example a Residential Treatment Facility).

Applied Behavior Analysis - The design, implementation, and evaluation of environmental modifications, using behavioral stimuli and consequences, to produce socially significant improvement in human behavior, including, but not limited to, the use of direct observation, measurement, and functional analysis of the relations between environment and behavior. Applied Behavior Analysis services shall be provided by an individual certified pursuant to Section 393.17, Florida Statutes, or an individual licensed under Chapter 490 or Chapter 491, Florida Statutes.

Autism Spectrum Disorder - Any of the following disorders as defined in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders of the American Psychiatric Association:

- Autistic disorder;
- Asperger's syndrome;
- Pervasive developmental disorder not otherwise specified.

Claim - A request for benefits under the Plan made by a Health Plan Member in accordance with United Healthcare's procedures for filing benefit Claims, including Pre-Service Claims and Post-Service Claims.

Coinsurance - The amount a Health Plan Member must pay once the Deductible has been met, if applicable, and is expressed as a percentage of the fee for the covered benefit.

Copayment - The portion of the cost, in addition to the prepaid premium amounts, which the Health Plan Member is required to pay at the time certain health services are provided under the Plan. The Copayment may be a specific dollar amount or a percentage of the cost. The Health Plan Member is responsible for the payment of any Copayments directly to the provider of the health services at the time of service.

Covered Services or Covered Services and Supplies – Health care services and supplies, including pharmaceuticals as described in Section VIII, for which reimbursement is covered under this Plan. The Division of State Group Insurance (DSGI) has final authority to determine if a service or supply is covered, limited, or excluded by the Plan.

Deductible - The first payments up to a specified dollar amount which a Health Plan Member must make in the applicable calendar year for covered benefits. The Deductible applies to each Health Plan Member, subject to any family Deductible listed on the Schedule of Benefits. For purposes of the Deductible, "family" means the Enrollee and Health Plan Members. The Deductible must be satisfied once each calendar year.

Dental Care - Dental x-rays, examinations and treatment of the teeth or any services, supplies or charges directly related to:

- The care, filling, removal, or replacement of teeth, or
- The treatment of injuries to or disease of the teeth, gums or structures directly supporting or attached to the teeth, that are customarily provided by dentists (including orthodontics reconstructive jaw surgery, casts, splints, and services for dental malocclusion).

Developmental Disability – A disorder or syndrome that is: 1) attributable to an intellectual disability, cerebral palsy, autism, spina bifida, or Prader-Willi syndrome, 2) manifests before the age of 18, and 3) constitutes a substantial handicap that can reasonably be expected to continue indefinitely.

Down Syndrome – A chromosomal disorder caused by an error in cell division which results in the presence of an extra whole or partial copy of chromosome 21.

Emergency Medical Condition - A medical condition manifesting itself by acute symptoms of sufficient severity such that the absence of immediate medical attention could reasonably be expected to result in any of the following:

- Serious jeopardy to the health of a patient, including a pregnant woman or fetus.
- Serious impairment to bodily functions.
- Serious dysfunction of any bodily organ or part.

With respect to a pregnant woman:

- That there is inadequate time to effect safe transfer to another Hospital prior to delivery;
- That a transfer may pose a threat to the health and safety of the patient or fetus; or
- That there is evidence of the onset and persistence of uterine contractions or rupture of the membranes.

Examples of Emergency Medical Conditions include, but are not limited to, heart attack, stroke, massive internal or external bleeding, fractured limbs, or severe trauma.

- **Emergency (In-area)** - Does not include elective or routine care, care of minor illness or care that can reasonably be sought and obtained from the Health Plan Member's Primary Care Physician. The initial determination as to whether an illness or injury constitutes an emergency shall be made by United Healthcare and may be made retrospectively based upon all information known at the time the patient was present for treatment, subject to the appeals process set forth in Section XIII below and the final determination of DSGI on behalf of the Plan.
- **Emergency (Out-of-area)** - Does not include care for conditions for which a Health Plan Member could reasonably have foreseen the need of such care before leaving the Service Area or care that could safely be delayed until prompt return to the Service Area. The initial determination as to whether or not an illness or injury constitutes an emergency shall be made by United Healthcare and may be made retrospectively based upon all information known at the time the patient was present for treatment; such initial determinations are subject to the appeals process set forth in Section XIII below and the final determination of DSGI on behalf of the Plan.

Emergency Medical Services and Care - A medical screening, examination and evaluation by a physician, or, to the extent permitted by applicable law, by other appropriate personnel under the supervision of a physician to determine if an Emergency Medical Condition exists and, if it does, the care, treatment, or surgery for a Covered Service by a physician necessary to relieve or eliminate the Emergency Medical Condition within the service capability of the Hospital.

Enrollee - All state officers and employees, Retired State Officers or Employees, Surviving Spouses of deceased state officers and employees, and terminated employees or individuals with continuation coverage who are enrolled in an insurance plan offered by the State Group Insurance Program. "Enrollee" includes all state university officers and employees, retired state university officers and employees, Surviving Spouses of deceased state university officers and employees, and terminated state university employees or individuals with continuation coverage who are enrolled in an insurance plan offered by the State Group Insurance Program.

Exclusion - Any provision of the Plan whereby coverage for a specific hazard or condition is eliminated.

Experimental and/or Investigational - For the purposes of this Plan a medication, treatment, device, surgery or procedure may initially be determined by United Healthcare to be Experimental and/or Investigational if any of the following applies:

- The FDA has not granted the approval for general use; or
- There are insufficient outcomes data available from controlled clinical trials published in peer-reviewed literature to substantiate its safety and effectiveness for the disease or injury involved; or
- There is no consensus among practicing physicians that the medication, treatment, therapy, procedure, or device is safe or effective for the treatment in question or such medication, treatment, therapy, procedure, or device is not the standard treatment, therapy, procedure or device utilized by practicing physicians in treating other patients with the same or a similar condition; or
- Such medication, treatment, procedure, or device is the subject of an ongoing Phase I or Phase II clinical investigation, or Experimental or research arm of a Phase III clinical investigation, or under study to determine: maximum tolerated dosage(s), toxicity, safety, efficacy, or efficacy as compared with the standard for treatment or diagnosis of the condition in question.

Such determination shall be subject to the appeals process set forth in Section XIII below and the final determination of DSGI on behalf of the Plan.

Health Maintenance Organization or "HMO" - An entity certified under part I of chapter 641.

Health Plan Member - Any person participating in a State Group Health Insurance Plan or a Health Maintenance Organization plan under the State Group Insurance Program, including Enrollees and other Health Plan Members.

Health Professionals - Physicians, osteopaths, podiatrists, manipulative services providers, physician assistants, nurses, social workers, pharmacists, optometrists, clinical psychologists, nutritionists, occupational therapists, physical therapists, and other professionals engaged in the delivery of health care services, who are licensed and practice under an institutional license, individual practice association or other authority consistent with State law.

Home Health Care Services (Skilled Home Health Care) - Services that are provided for a Health Plan Member who does not require confinement in a Hospital or Other Health Care Facility. Such services include, but are not limited to, the services of professional visiting nurses or other health care personnel for services covered under the Plan. A visit is limited to a period of two hours or less.

Hospice - A public agency or private organization that is duly licensed by the state to provide Hospice services. Such licensed entity must be principally engaged in providing pain relief, symptom management and supportive services to terminally ill Health Plan Members.

Hospital - A licensed institution providing medical care and treatment to a patient as a result of illness, accident, or Mental and Nervous Disorders on an inpatient or outpatient basis and that meets all the following:

- i. It is accredited by the Joint Commission, the American Osteopathic Association, or the Commission on the Accreditation of Rehabilitative Facilities. Licensed institutions in rural, sparsely populated geographic regions, however, may not be required to be accredited.

- ii. It maintains diagnostic and therapeutic facilities for surgical and medical diagnosis and treatment of patients under the supervision of a staff of fully licensed doctors. A facility may be considered a Hospital if it does not have major surgical facilities but provides primarily rehabilitative services for treatment of physical disability.
- iii. It continuously provides 24-hour-a-day nursing service by or under the supervision of registered nurses.

The term "Hospital" does not include a specialty institution or residential treatment facility, or a U.S. Government Hospital or any other Hospital operated by a governmental unit, unless a charge is made by the Hospital that the patient is legally required to pay without regard to insurance coverage.

Hospital Services - Except as expressly limited or excluded by the Plan, means those services for registered bed patients that are:

- i.) Generally, and customarily provided by acute care general Hospitals in accordance with the standards of acceptable community practice;
- ii.) Performed, prescribed, or directed by Participating Providers; and
- iii.) Medically Necessary for conditions which cannot be adequately treated in Other Health Care Facilities or with Home Health Care Services or on an outpatient or ambulatory basis.

Limitation - Any provision, other than an Exclusion, which restricts coverage under the Plan.

Medically Necessary - The use of any appropriate medical treatment, service, equipment and/or supply as provided by a Hospital, skilled nursing facility, physician or other provider which is necessary for the diagnosis, care and/or treatment of a Health Plan Member's illness or injury, and which is:

- Consistent with the symptom, diagnosis, and treatment of the Health Plan Member's condition;
- The most appropriate level of supply and/or service for the diagnosis and treatment of the Health Plan Member's condition;
- In accordance with standards of acceptable community practice;
- Not primarily intended for the personal comfort or convenience of the Health Plan Member, the Health Plan Member's family, the physician or other health care providers;
- Approved by the appropriate medical body or health care specialty involved as effective, appropriate, and essential for the care and treatment of the Health Plan Member's condition; and
- Not Experimental or investigational.

Medical Office - Any outpatient facility or physician's office.

Medical Services - Except as limited or excluded by the Plan, means those professional services of physicians and other Health Professionals, including medical, surgical, diagnostic, therapeutic and preventive services, and pharmaceuticals as described in the Prescription Drug Program section that are:

- Generally and customarily provided in the Service Area;
- Performed, prescribed, or directed by Participating Providers; and
- Medically Necessary (except for preventive services as stated herein) for the diagnosis and treatment of injury or illness.
- Division of State Group Insurance has final authority to determine if a service or supply is covered, limited, or excluded under the Plan.

Mental and Nervous Disorder - Any disorder listed in the diagnostic categories of the International Classification of Disease (ICD-9 CM or ICD10-CM), or their equivalents in the most recently published version of the American Psychiatric Association's Diagnostic and Statistical Manual of Mental Disorders, regardless of the underlying cause or effect of the disorder.

Mental Health Professional - A person properly licensed to provide mental health Services pursuant to Chapter 491 of the Florida Statutes. This professional may be a clinical social worker, mental health counselor or marriage and family therapist. A mental health professional does not include members of any religious denomination who provide counseling Services.

Network - The providers and facilities that have contracted with United Healthcare to provide Covered Services and Supplies to Health Plan Members. The Health Plan Members' Copayment, Deductible and/or Coinsurance responsibilities are outlined in Section V - Medical Benefits within this document. Sometimes referred to as "Participating Provider."

Non-participating Provider - Any Health Professional or group of Health Professionals, Hospital, Medical Office, or Other Health Care Facility with whom United Healthcare has neither made arrangements nor contracted to render the professional health services set forth herein as a Participating Provider. Sometimes referred to as "Non-Network."

Other Health Care Facility - Any licensed facility, other than acute care Hospitals and those facilities providing services to ventilator dependent patients, which provides inpatient services such as skilled nursing care and rehabilitative services.

Participating Physician - Any Participating Provider licensed under Chapter 458 (physician), 459 (osteopath), 460 (chiropractor) or 461 (podiatrist), Florida Statutes.

Partial Hospitalization - Treatment in which an individual receives at least six (6) clinical hours of Hospital care per day (24-hour period) for at least five (5) days per week and returns home and/or is not treated as an inpatient during the remainder of that 24-hour period. A Hospital shall not be considered a "home" for purposes of this definition.

Participating Provider - Any Health Professional (or group of), Hospital, Medical Office or Other Health Care Facility with whom United Healthcare has made arrangements or contracted to render the professional health services set forth herein. **Plan Administrator** - State of Florida, Division of State Group Insurance, P.O. Box 5450, Tallahassee, FL 32314- 5450.

Post-Service Claim - Any Claim for benefits under the Plan that is not a Pre-Service Claim.

Pre-Service Claim - Any Claim for benefits under the Plan for which (in whole or in part), a Health Plan Member must obtain authorization from United Healthcare in advance of such services being provided to or received by the Health Plan Member.

Primary Care Physician - Any Participating Physician engaged in family practice, pediatrics, internal medicine, obstetrics/gynecology, or any specialty physician from time to time designated by United Healthcare as a "Primary Care Physician" in United Healthcare's current list of physicians and Hospitals.

Private Duty Nursing - Services provided by registered nurses, licensed practical nurses, or any other trained attendant whose services ordinarily are rendered to, and restricted to, a particular Health Plan Member by arrangements between the Health Plan Member and the private-duty nurse or attendant. Such persons are engaged or paid for by an individual Health Plan Member or by someone acting on their behalf, including a Hospital that initially incurs the costs and looks to the Health Plan Member for reimbursement for such services.

Psychiatric Facility - A facility licensed under Florida law to provide for the Medically Necessary care and treatment of Mental and Nervous Disorders. For purposes of this Plan, a psychiatric facility is not a Hospital or a Substance Abuse Facility, as defined herein.

Residential Treatment Facility - A facility licensed under Florida law to provide care and treatment of Mental and Nervous Disorders and Substance Dependency and meets all the following requirements:

- Has Mental Health Professionals on-site 24 hours per day and 7 days per week;
- Provides access to necessary medical services 24 hours per day and 7 days per week;
- Provides access to at least weekly sessions with a behavioral health professional fully licensed for independent practice for individual psychotherapy;
- Has individualized active treatment plan directed toward the alleviation of the impairment that caused the admission;
- Provides a level of skilled intervention consistent with patient risk; and,
- Is not a wilderness treatment program or any such related or similar program, school and/or education service.

With regard to Substance Abuse treatment, in addition to the above, must meet the following:

- If detoxification services are necessary, provides access to necessary on-site medical services 24 hours per day and 7 days per week, which must be actively supervised by an attending physician;
- Ability to assess and recognize withdrawal complications that threaten life or bodily function and to obtain needed services either on-site or externally; and,
- Is supervised by an on-site physician 24 hours per day and 7 days per week with evidence of close and frequent observation.

Residential Treatment Services - Treatment in which an individual is admitted by a physician overnight to a Hospital, psychiatric facility, or Residential Treatment Facility and receives daily face-to-face treatment by a Mental Health Professional for at least eight (8) hours per day, each day. The physician must perform the admission evaluation with documentation and treatment orders within 48 hours and provide evaluations with documentation at least weekly. A multidisciplinary treatment plan must be developed within three (3) days of admission and must be updated weekly.

Retired State Officer or Employee or “Retiree” - Any state or state university officer or employee who retires under a state retirement system or a state optional annuity or retirement program or is placed on disability retirement, and who was insured under the State Group Insurance Program at the time of retirement, and who begins receiving retirement benefits immediately after retirement from state or state university office or employment. The term also includes any state officer or state employee who retires under the Florida Retirement System Investment Plan established under part II of chapter 121 if he or she:

- Meets the age and service requirements to qualify for normal retirement as set forth in s. 121.021(29); or
- Has attained the age specified by s. 72(t)(2)(A)(i) of the Internal Revenue Code and has six years of creditable service.

Service Area - Those counties in the State of Florida where United Healthcare has been approved to conduct business by the State of Florida Agency for Health Care Administration.

Sound Natural Tooth - A tooth that is whole or properly restored (restoration with amalgams only) and is not in need of the treatment provided for any reason other than an Accidental Dental Injury. For purposes of this Plan, a tooth previously restored with a crown inlay, inlay, or porcelain restoration, or treated by endodontics, is not considered a sound natural tooth.

Specialist - Any Participating Physician licensed under Chapter 458 (physician), 459 (osteopath), 460 (chiropractor) or 461 (podiatrist), Florida Statutes, other than the Health Plan Member’s Primary Care Physician.

State Group Health Insurance Plan or Plans or “state plan or plans” - The state self-insured health insurance plan or plans offered to state officers and employees, Retired State Officers or Employees, and Surviving Spouses of deceased state officers and employees pursuant to this section.

State Group Insurance Program or “programs” - The package of insurance plans offered to state officers and employees, Retired State Officers or Employees, and Surviving Spouses of deceased state officers and employees pursuant to this section, including the State Group Health Insurance Plan or plans, Health Maintenance Organization plans, and other plans required or authorized by law.

Substance Abuse - A condition where a person’s alcohol or drug use injures his or her health; interferes with his or her social or economic functioning; or causes the individual to lose self-control.

Substance Abuse Facility - A facility properly licensed under Florida law to provide necessary care and treatment for Substance Dependency. For purposes of this Plan a substance abuse facility is not a Hospital or a Psychiatric Facility, as defined herein.

Summary Plan Description (SPD) - This document which describes the Plan benefits, Exclusions, cost-share amounts, Claim administration procedures and other Plan features. Also called “Plan Booklet and Benefits Document.”

Surviving Spouse - The widow or widower of a deceased state officer, full-time state employee, part-time state employee, or Retiree if such widow or widower was covered as a dependent under the State Group Health Insurance Plan or a Health Maintenance Organization plan established pursuant to this section at the time of the death of the deceased officer, employee, or Retiree. "Surviving Spouse" also means any widow or widower who is receiving or eligible to receive a monthly state warrant from a state retirement system as the beneficiary of a state officer, full-time state employee, or Retiree who died prior to July 1, 1979. For the purposes of this section, any such widow or widower shall cease to be a Surviving Spouse upon his or her remarriage.

Urgent - A medical condition manifesting itself by acute symptoms that are of lesser severity than that recognized for an Emergency Medical Condition, such that a prudent layperson who possesses an average knowledge of health and medicine could reasonably expect the illness or injury to place the health or safety of the Health Plan Member or another individual in serious jeopardy, in the absence of medical treatment within 24 hours. Examples of Urgent medical conditions include, but are not limited to high fever, dizziness, animal bites, sprains, severe pain, respiratory ailments and infectious illnesses.

Urgent Care - Medical screening, examination and evaluation in an ambulatory setting outside of a Hospital emergency department, including an Urgent Care center, retail clinic or PCP office after-hours, on a walk-in basis and usually without a scheduled appointment and the Covered Services and Supplies for those conditions which, although not life-threatening, could result in serious injury or disability if left untreated.

Utilization Management Program - Those comprehensive initiatives that are designed to validate medical appropriateness and to coordinate Covered Services and Supplies. These include, but are not limited to:

- Concurrent review of all patients hospitalized in acute care, psychiatric, rehabilitation, and skilled nursing facilities, including on-site review when appropriate;
- Case management and discharge planning for all inpatients and those requiring continued care in an alternative setting (such as home care or a skilled nursing facility) and for outpatients when deemed appropriate; and
- The benefit coordination program which is designed to conduct prospective reviews for select Medical Services to ensure that services are covered and Medically Necessary. The benefit coordination program may also advocate alternative cost-effective settings for the delivery of prescribed care and may identify other options for non-covered health care needs.
- Concurrent care or review means an ongoing course of treatment to be provided over a period of time or number of treatments that was previously approved by United Healthcare.

III. ELIGIBILITY, ENROLLMENT AND EFFECTIVE DATE

You and your eligible dependents may only be covered under one State of Florida health plan.

Active Employees

To be eligible to participate in the Plan, you must be a full-time or a part-time employee as defined in s. 110.123(2)(c) and (f), Florida Statutes.

Plan eligibility is determined by whether an employee's position is salaried career service, select exempt service (SES), or senior management service (SMS); and, in the case of another personal services (OPS) position, the expected hours of service of the employee.

Full-time state employees are eligible to participate in the Plan. These employees are salaried career service, SES, and SMS employees; and other personal services (OPS) employees expected to work an average of 30 or more hours per week.

Part-time state employees are eligible to participate in the Plan. These employees are salaried career service, SES, and SMS employees who work less than 30 hours per week. Employees in these positions are eligible to participate in the Plan but pay a pro-rated share of the employer premium.

OPS employees expected to work less than 30 hours per week on average are not eligible to participate in the Plan.

Seasonal workers in OPS positions are not eligible to participate in the Plan. These employees hold positions for which the customary annual employment is six months or less and begins each year at approximately the same part of the year, such as summer or winter.

Plan eligibility is initially determined at the point of hire. For OPS employees who are not reasonably expected to work 30 or more hours per week, eligibility for subsequent plan years is determined using a look-back measurement method.

The 12-month look-back measurement method involves three different periods:

1. Measurement period – counts hours of service to determine Plan eligibility.
 - a. Initial Measurement Period – If you are an OPS employee who is not reasonably expected to work at least 30 hours per week at the point of hire, your hours of service from the first day of the month following your date of hire to the last day of the 12th month of employment will be measured.

An example: Assume you are hired October 5, 2017. Your initial measurement period will run from November 1, 2017 through October 31, 2018. If your hours worked during the initial measurement period average 30 hours or more per week, you are eligible to enroll in the Plan with an effective date of December 1, 2018.

If you are an OPS employee and become reasonably expected to work 30 hours or more per week during the initial measurement period, you become eligible to participate in the Plan at that time.

- b. Open enrollment measurement period –If you have been employed long enough to work through a full measurement period, you are considered an ongoing employee. Your hours of service are measured during the open enrollment measurement period. This period runs from October 3 through the following October 2 of each year and will determine Plan eligibility for the plan year that follows the measurement period.

If you are an employee who is reasonably expected to work an average of 30 hours or more per week upon hire you are eligible to enroll in the Plan. Plan eligibility will continue until your hours are measured during the next or second (depending on date of hire) open enrollment measurement period to determine Plan eligibility for the next plan year. If you were a non-full-time OPS employee at the time of your initial hire but become reasonably expected to work 30 hours or more per week during the open enrollment measurement period, you become eligible to participate in the Plan at that time.

An example: Assume you are hired January 5, 2017, in an OPS position and are expected to work an average of at least 30 hours per week. You are eligible to enroll in the Plan at your point of hire and will continue Plan eligibility through December 31, 2018. You will then be measured on October 3, 2018, by looking back at the previous 12-month period to determine if you worked at least 30 hours per week. Your eligibility for the 2019 plan year will depend on whether you worked an average of 30 hours or more per week during the 12-month measurement period or whether your employer reasonably expects you to work 30 or more hours per week.

2. Stability Period –follows a measurement period. If you are an OPS employee, the hours of service during the measurement period determines whether you are a full-time employee who is eligible for coverage during the stability period. If you are a full-time employee in the stability period, your eligibility is “locked in” for the stability period, regardless of how many hours you work during the stability period, if you remain an employee of the State of Florida. However, if you were a non- full-time OPS employee but become reasonably expected to work 30 hours or more per week during the stability period, you become eligible to participate in the Plan at that time. For ongoing employees, the stability period lasts 12 consecutive months.
3. Administrative Period –the time between the measurement period and the stability period when administrative tasks, such as determining eligibility for coverage and facilitating Plan enrollment, are performed. If you are determined to be eligible, a benefits package showing your available options, costs, and effective dates will be mailed to your mailing address in People First, the system of record.

The rules for the look-back measurement method are complex, and this is a general overview of how the rules work. More complex rules may apply to your situation. The State of Florida intends to follow applicable IRS final regulations (including any future guidance issued by the IRS) when administering the look-back measurement method. If you have any questions about this measurement method and how it applies to you, call the People First Service Center at (866) 663-4735 weekdays from 8 a.m. to 6 p.m. Eastern time.

Retirees

You are eligible for the Plan if you are a state officer or state employee and you:

1. Retire under a State of Florida retirement system or a state optional annuity or state retirement program or go on disability retirement under the State of Florida retirement system, as long as you were covered under health and life insurance at the time of your retirement, and you begin receiving retirement benefits immediately after you retire; or
2. Retire under the Florida Retirement System Investment Plan, and you
 - Meet the age and service requirements to qualify for normal retirement as set forth in s. 121.021(29), Florida Statutes; or have attained the age specified by s. 72(t)(2)(A)(i), Internal Revenue Code, and you have 6 years of creditable service; and
 - Take an immediate distribution; and
 - Maintained continuous coverage under the program from termination until receiving your distribution (you must continue health insurance coverage through COBRA until you take your immediate distribution); or
3. Retired before January 1, 1976, under any state retirement system and you are not eligible to receive any Social Security benefits.

If you do not continue health insurance coverage at retirement, you will not be allowed to elect state health insurance at a later date as a Retiree.

Employees thinking of retirement should review the State Group Insurance Benefits Package for New Retirees, available at www.myBenefits.myFlorida.com under *Forms and Resources*. Employees who do not continue health and life insurance coverage at the time of retirement may not enroll or re-enroll later as a Retiree.

When you become Medicare eligible, please visit www.medicare.gov or contact your local Social Security office to learn about your eligibility, coverage options, enrollment periods and necessary steps to follow to ensure that you have adequate coverage. Carefully review the Coordination of Benefits section of this document for more information about how this Plan works with Medicare.

Important Reasons to Call People First, the State of Florida's vendor for benefits administration. Call (866) 663-4735 when:

- You go off the payroll for any reason;
- You or your dependent becomes eligible for Medicare;
- You have a change of mailing address;
- Your dependent becomes ineligible for coverage; or
- Your spouse becomes employed by or ends employment with the state.

To cover your eligible dependents, you must:

1. Register their dependents online in People First;
2. Select the correct family coverage tier for each plan selected to cover dependents;
3. Enroll each dependent in the appropriate plan, and;
4. Click the *Complete Enrollment* button in People First.
5. Upload required documents

In accordance with Chapter 60P, Florida Administrative Code, your dependents must meet specific eligibility requirements to be covered under State Group Insurance plans. For purposes of this SPD, the eligible

Enrollee's legal spouse	<ul style="list-style-type: none"> • As defined in section 741.212, Florida Statutes
Enrollee's children from birth through the end of the calendar year in which they turn age 26:	<ul style="list-style-type: none"> • Natural children, legally adopted children and children placed in the home for the purpose of adoption in accordance with chapter 63, Florida Statutes • Stepchildren, provided the Enrollee is still married to the children's parent • Foster children • Children for whom the Enrollee has established legal guardianship in accordance with Chapter 744, Florida Statutes, or unmarried children where Enrollee was granted court-ordered temporary or other custody • Children with a qualified medical support order requiring the Enrollee to provide coverage
Children ages 26 to 30 as over-age dependents if:	<ul style="list-style-type: none"> • They are unmarried; and • They have no dependents of their own; and • They are a resident of Florida or a full-time or part-time student; and • They have no other health insurance <p>You may cover your over-age dependent, defined as a child aged 26-30, under an individual health policy for an additional monthly premium. You and your eligible over-age dependent must be enrolled in the same health plan. The amount of financial support you provide determines whether the monthly premium for coverage comes out of your paycheck pretax as an active employee or if you must mail in payment post-tax. If you are interested in this program, please call the People First Service Center at (866) 663-4735 for more information.</p>

<p>Children with intellectual or physical disabilities after they reach age 26 if:</p>	<ul style="list-style-type: none"> • They were enrolled before they turned 26 and remain covered or they were over the age of 26 at the time of the Enrollee’s initial enrollment; • They are incapable of self-sustaining employment because of intellectual or physical disability; • They are dependent on the Enrollee for care and financial support; and • The treating physician provides documentation supporting the intellectual or physical disability while the dependent is still covered under the Plan. You must submit documentation to the health plan you selected upon request for review and confirmation. Disability status is verified at least every five years. If you fail to provide the required documentation or your dependent no longer meets eligibility requirements, you may be liable for medical and prescription drug Claims or premiums back to the date you enrolled your dependent. <p>Enrollees who have a child over the age of 26 with an intellectual or physical disability who meets the above eligibility criteria may enroll that child in the Plan the first time they enroll in a State-sponsored Plan.</p>
<p>Dependent of a dependent – you may cover your dependent’s newborn from birth up to age 18 months if:</p>	<p>A newborn child born to a dependent while the dependent is covered under the Plan. The newborn must be added within 60 days of birth. Coverage may remain in effect for up to 18 months or until the covered dependent is no longer covered. You may be asked to provide documentation for your eligible dependents. Failing to provide the required documentation may make you liable for medical and prescription Claims or premiums back to the date of enrollment. You must fax required documentation to (800) 422-3128 or mail to People First Service Center, P.O. Box 6830, Tallahassee, Florida 32314. Please include your People First ID number on the top right corner of each page of your fax or other documentation.</p> <p>Falsifying documents, misrepresenting dependent status, or using other fraudulent actions to gain coverage may be criminal acts. The People First Service Center is required to refer such cases to the State of Florida.</p>
<p>Enrollee’s Surviving spouse</p>	<ul style="list-style-type: none"> • The Enrollee’s surviving spouse • Eligible children of an Enrollee’s surviving spouse
<p>Line of duty death</p>	<ul style="list-style-type: none"> • Children of law enforcement, probation, or correctional officers who were killed in the line of duty and who are attending a college or university beyond their 18th birthday.

When Coverage Suspends

If you are an employee, your coverage under the Plan will suspend on the last day of the month in which you do not make the required contributions (premiums) for coverage. Your coverage will not be reinstated until People First receives the total amount due, applies the remittance (payment of premium) to your account, and notifies the Health Plan and CVS Caremark of the reinstatement.

When Coverage Ends

<p>Your coverage in the Plan ends:</p>	<ul style="list-style-type: none"> • When your employment is terminated. Active employees pay premiums one month in advance, so coverage ends on the last day of the month following the month they end employment. For example, if your last day of work is April 23, your coverage ends May 31 because you already paid for May coverage. • On the last day of the month in which you do not make the required contributions for coverage, including the months when you are in layoff status. Payment is due the tenth of the month prior to the month of coverage. For example, payment for July coverage is due June 10. • When an OPS employee a) is measured during open enrollment and determined to be ineligible for coverage for the next plan year, coverage ends the last day of the current plan year, or b) when an OPS employee is receiving coverage during a health insurance stability period and is determined to be ineligible for coverage, coverage ends the last day of the health insurance stability period. • On the last day of the month in which a Surviving Spouse remarries (see "Surviving Spouse Coverage" section for details.)
<p>If your spouse is enrolled as a covered Health Plan Member, your spouse's coverage ends on the last day of the month in which:</p>	<ul style="list-style-type: none"> • Your coverage is terminated. • You and your spouse divorce. In the event of divorce, you have 60 days, including the date of divorce, to provide the final judgment of divorce to People First. If you fail to timely notify People First of a divorce, you will be responsible for reimbursing the Plan for any Claims incurred by ineligible dependents (e.g., ex-spouse, any ex-stepchildren) or for paying COBRA continuation of coverage premiums for any months ineligible dependents were covered. • Your spouse dies.

Coverage for dependent children (as defined above) ends:	<ul style="list-style-type: none"> • On the last day of the month in which your coverage ends. • The end of the calendar year in which the children turn 26 (30 for over-age health coverage). • On the last day of the month the children no longer meet the definition of an eligible dependent (e.g., if you divorce the children’s parent, you may no longer cover stepchildren). • On the last day of the month in which they die. <p>If a dependent becomes ineligible for coverage, you must go to the People First website to remove them from all applicable plans or call the People First Service Center at (866) 663-4735 within 60 days of the ineligibility, including for death. Service Center hours are 8 a.m. to 6 p.m. Eastern Standard Time. You must also send the required documentation to People First to remove ineligible dependents from coverage (e.g., a divorce decree). Failing to provide the required documentation means you risk losing coverage or paying for more coverage than you need.</p>
---	--

Enrolling and Making Changes

Part I of Chapter 110, Florida Statutes, Chapter 60P, Florida Administrative Code, and this SPD govern eligibility and enrollment for the State Group Insurance Program. In addition, this Program falls under Internal Revenue Code cafeteria plan guidelines. Consequently, you are required to stay in the health insurance plan you select. Per the Internal Revenue Code, you can only make changes during Open Enrollment or if you have an appropriate Qualifying Status Change (“QSC”) event, such as a birth, marriage, or change in employment status. (Retirees may decrease or cancel coverage at any time. Those who cancel will not be allowed to reenroll as a Retiree.)

If you are a Retiree that returns to active employment as a full-time equivalent (“FTE”) or OPS employee and you are enrolled in the Plan at the time of retirement you will automatically be enrolled in active employee health insurance coverage. When you later terminate employment or return to retirement you will be allowed to continue Retiree coverage provided you have had continuous coverage.

Please note: Falsifying documents, misrepresenting dependent status, or using other fraudulent actions to gain coverage may be criminal acts. The People First Service Center is required to refer such cases to the State of Florida.

Five options are available to enroll or change coverage.

Option 1 – Hired as a New Employee

Newly hired employees have 60 days from the date of hire to enroll in State Group Insurance benefits. New employees should enroll online in People First.

Employees who do not enroll within 60 days of their hire date can only enroll during the next Open Enrollment period or if they experience a QSC event (see Option 2 below). New employees should choose their health insurance plan carefully. Once you make new-hire elections, you can only make changes during the next Open Enrollment unless you have an appropriate QSC event.

Coverage begins on the first day of the month after the month in which the state deducts (or People First receives) a full month's premium. Coverage always begins on the first day of a month and continues for the rest of the calendar year, as long as you pay premiums on time and remain eligible.

For example, you are hired July 20. If People First receives the enrollment information before August 1, coverage begins September 1, after the state deducts one full month's premium from the paycheck. *For health insurance only*, new employees can elect an early effective date, provided they submit the full month's employee share by check. For example, if an employee is hired July 20, health insurance can start on August 1 if the employee sends a check for the full month's employee premium to People First and makes the election before August 1.

For OPS/variable hour employees, the earliest health coverage will start is the first day of the third month of employment. For example, employees hired in March will begin coverage in May.

Option 2 – QSC Event

To make an enrollment change based on a QSC event, federal law requires that the event result in a gain or loss of eligibility for coverage, and elections must meet general consistency rules. For example, if you have individual health insurance coverage and get married, you may change from individual to family coverage and enroll your spouse in coverage. However, you cannot change health insurance plans because the QSC event only changes the level of coverage eligibility. In this case, changing plans is not consistent with the nature of the QSC event.

QSC events allow you 60 days (unless otherwise noted) from the date of the event to make allowable changes to your health insurance. Depending on the type of QSC event, changes may include enrolling or cancelling, increasing, or decreasing coverage, or adding or removing dependents. You may be asked to submit all required documentation to People First within 60 days of the change. The complete list of QSC events, required documentation and important time frames is available on the [myBenefits website](#) in the *Forms and Resources* section, QSC Matrix.

If you have a QSC event and want to change your health insurance election, you must:

- Make the change online at in [People First](#) within 60 days of the event. If the specific QSC event is not listed, call the People First Service Center within 60 days of the event. You must make an allowable change within 60 days, unless otherwise noted, even if you do not yet have the supporting documentation.
- Provide the supporting documentation to [People First](#) (e.g., marriage license, birth certificate, divorce decree, etc.) before a change is processed.

Changes made during the year because of a QSC event are effective on the first day of the month after the month in which the state deducts (or People First receives) a full month's premium. Coverage always begins on the first day of a month and continues for the rest of the calendar year, as long as you pay premiums on time and you, and your dependents remain eligible.

Option 3 – Open Enrollment

Held in the fall, the annual Open Enrollment period gives you the opportunity to review available health insurance options to make any changes needed for the next plan year, which starts January 1 and goes through December 31. Any changes you make remain in effect for the entire calendar year, as long as you pay premiums on time and you and your eligible dependents remain eligible, unless you experience a QSC event.

Option 4 – Spouse Program

If both you and your spouse are active state employees, you are eligible for health insurance coverage at a reduced monthly premium by enrolling in the Spouse Program during Open Enrollment or within 60 days of an appropriate QSC event. For example, if your spouse becomes employed full-time with the state or you marry another state employee, you are eligible to enroll. Both employed spouses must take the following steps to enroll in the Spouse Program:

- Complete and sign the Spouse Program Election Form located on the [myBenefits website](#) in the *Forms* section and list all eligible dependents, and
- Attach a copy of your marriage license to the Spouse Program Election Form when you submit it to the People First Service Center. Include both you and your spouse's People First ID numbers on each page, and
- Enroll in the same health plan, and
- Agree to notify the People First Service Center within 60 days of becoming ineligible for the Spouse Program. The employed spouse becomes ineligible for the Spouse Program if:
 - One or both end employment with the state, including retirement, or
 - You divorce, or
 - Your spouse dies.

It is your responsibility to notify the People First Service Center if you become ineligible for the Spouse Program. Failing to do so within 60 days of one of the listed events may make you liable for Claims or premiums back to the date you lost eligibility. In addition, you may have to pay for a higher level of coverage than you need; for example, you may be required to pay for family coverage instead of individual coverage. Upon notification of ineligibility for the Spouse Program, the People First Service Center adds covered, eligible dependents to the primary spouse's plan, unless otherwise requested.

Option 5 – Surviving Spouse

Surviving spouses are also eligible for coverage. The term "Surviving Spouse" means the widow or widower of:

- A deceased state officer, state employee or Retiree if the spouse was covered as a dependent at the time of the Enrollee's death.
- An employee or Retiree who died before July 1, 1979.
- A Retiree who retired before January 1, 1976, under any state retirement system and who is not eligible for any Social Security benefits.

The Surviving Spouse and dependents, if any, must have been covered at the time of the Enrollee's death. To enroll, the Surviving Spouse has 60 days to notify the People First Service Center of the death and 31 days to enroll after receipt of the enrollment package. Coverage is effective retroactively once the enrollment form and premiums have been received. Coverage begins the first of the month following the last month of coverage for the deceased; in other words, coverage must be continuous.

Coverage for Surviving Spouses and dependents end on the first of the month following remarriage; however, they are eligible to continue coverage under COBRA for a limited time, provided they provide a copy of the marriage certificate within 60 days of the marriage.

Coverage Continuation Family and Medical Leave and Job-Protected Leave

This provision is administered by each employing agency just like any other leave whether paid or unpaid. This section is provided for general information only. Each employing agency may administer family and medical leave differently. Contact your personnel office or People First for exact information concerning this provision.

As an employee, you may be entitled under the federal Family and Medical Leave Act ("FMLA") for up to 12 work weeks of unpaid, job-protected leave in any 12-month period. You may be eligible if you have worked for the State of Florida for at least one year and for 1,250 hours during the previous 12 months. Such leave may be available for the birth and care of a newborn child, the placement of a child for adoption or foster care, a serious health condition of a family member (child, spouse, or parent) or a personal, serious health condition.

In addition, the FMLA provides special unpaid, job-protected leave for up to 12 weeks if you have a family member called to active military duty and for up to 26 weeks when such family member is injured while on military duty.

As an Enrollee in the Plan, when you are on authorized FMLA leave, you have the option to continue your health benefits on the same terms and conditions as immediately prior to taking such leave. The State of Florida will continue to pay its share of the premium throughout your FMLA leave. You will still be responsible for your portion of the premium. Premium payments will be collected by People First. You and your eligible dependents shall remain covered under this Plan while you are on FMLA leave as if you were still at work if premiums are paid.

Furthermore, under the laws of the State of Florida, certain employees may be eligible to have their unpaid job-protected parental or family medical leave extended for up to six months. Please call your personnel office if you need more details. If you are on authorized parental or family medical leave, your employing agency will continue to pay its share of the premium for up to six months of unpaid leave. Your coverage will be maintained until you return to work if premiums are paid.

If you cancel this Plan while on any of these leave types and subsequently return to work before or at the end of the leave, you and your eligible dependents may enroll under the Plan without regard to pre-existing conditions that arise while on job-protected leave, provided you cancelled your coverage within 60 days of going out on leave. If you do not cancel coverage within 60 days of going out on leave and your coverage is subsequently canceled for non-payment, you will only be able to enroll during the next Open Enrollment period.

Coverage Continuation When You Are Off Payroll

If you are an active employee and go off the payroll, you must pay your share of the health insurance premium by personal check, cashier's check, or money order to continue coverage. You may be required to pay the full premium cost (your share plus the state's share) depending on the reason you are not working. Call People First for more information at (866) 663-4735.

If you do not want to continue insurance coverage while off the payroll, you must call People First to cancel within 60 days of your leave date. This notice ensures you can re-enroll in coverage upon returning to work. If you do not cancel and are later cancelled because you did not pay the health insurance premium, you will only be allowed to enroll during the next Open Enrollment.

COBRA

Under the Consolidated Omnibus Budget Reconciliation Act ("COBRA"), you can continue healthcare coverage that would otherwise end because of dependent eligibility and because of voluntary or involuntary termination for reasons other than gross misconduct. You may also continue healthcare coverage that would otherwise end because you did not return to work after an unpaid leave under FMLA. You may keep this continuation coverage for up to 18 months, provided you pay the required cost of the continued coverage. The monthly premium is 102 percent of the cost of coverage (you pay the full premium plus 2% administrative fee).

If you or your dependent is disabled under the Social Security Act at any time during the first 60 days of COBRA continuation coverage you have, because of termination of employment or change in employment status, an additional 11 months of coverage may be available. To be eligible for this disability extension, the disabled person must receive a Social Security disability determination and notify People First within 60 days of the determination. Both the Social Security disability determination and the notice to People First must happen before the end of the initial 18 months of COBRA coverage. Non-disabled family members who receive COBRA coverage because of the same termination of employment or change in employment status as the disabled person are also eligible for the disability extension. The monthly premium for the additional 11 months of coverage is 150% of the cost of coverage. Under COBRA, spouses of employees and/or their dependent children may choose continuation coverage and keep it for up to 36 months, if they pay the required costs, if their healthcare coverage ends because of:

1. Death of the Enrollee, whether active or on an approved leave of absence;
2. Divorce or legal separation from the employee; or
3. Enrollee becomes entitled to Medicare.

If you have a newborn child or adopt a child during the time you are covered by COBRA continuation coverage, that child can be enrolled under the continuation coverage. Like your other dependents, that child can keep continuation coverage for up to 36 months from the date your COBRA coverage began if the coverage would otherwise end because of one of the three events described above.

If you acquire a new dependent by marriage during the time you are covered by COBRA continuation coverage, that dependent can also be enrolled under the continuation coverage. Your new spouse can keep continuation coverage for as long as your COBRA coverage continues.

Dependent children covered by the Plan may also choose continuation coverage and keep it for up to 36 months if their group coverage ends because they no longer qualify as an eligible dependent under the Plan.

Under COBRA, the employee or spouse is responsible for notifying People First of a divorce, legal separation, death, or a child's losing dependent status under the Plan. Notice must be given within 60 days of the event. Involved individuals must also provide People First with a current and complete mailing address. If notice is not received within 60 days of the event, the dependent will not be entitled to choose continuation coverage.

Upon notification, People First will send an enrollment form for COBRA continuation coverage to the eligible individual, along with notification of the premium. The eligible individual must complete the enrollment form and return it to People First within 60 days of the date:

1. Coverage is lost because of one of the events described above; or
2. The form is received from People First.

If an individual does not complete the COBRA election form and return it to People First within the 60-day period, coverage will end:

1. On the last day of the month in which the event, such as divorce, that caused ineligibility for coverage took place; or
2. On the last day of the month following the month you were terminated.

If an eligible individual chooses COBRA continuation coverage, the state must provide coverage identical to that provided to comparably situated employees. An eligible individual's COBRA continuation coverage will end when:

1. The State stops providing group health coverage for employees;
2. Payment for continuation coverage is not made by the deadline, or your check is returned for insufficient funds;
3. The individual later becomes covered by another group health plan. If the new group plan excludes benefits because of a pre-existing condition, however, you may continue your COBRA continuation coverage through the end of the COBRA eligibility period or until the other plan's pre-existing condition limits no longer apply, whichever is earlier;
4. The individual later becomes entitled to Medicare;
5. If the employee became entitled to Medicare before employment termination, coverage for other Health Plan Members may be continued for 18 months or for up to 36 months from the date the employee became entitled to Medicare, whichever is longer; or
6. The 18-, 29-, or 36-month COBRA period ends.

Converting Health Insurance Plan Coverage to a Private Policy

If coverage under the Plan ends for you or your eligible dependents for reasons other than your choice to cancel coverage or your failure to pay your share of the premium cost, you may convert to a private policy. You must apply in writing to United Healthcare and pay the first month's premium within 63 days of the date your group coverage ended. When you convert, you will have the standard HMO conversion policy. The benefits provided by the conversion policy may be different from the benefits provided under the State Employees' HMO Plan. If you choose COBRA continuation coverage when your Plan coverage ends, you can convert to a private policy when COBRA coverage ends. In this case, you must still apply in writing and pay the first month's premium within 63 days of the date your COBRA coverage ends. Call United Healthcare at the number listed in the contact section within this document for information.

Continuation of Benefits if you are Disabled

If you or your Health Plan Member is totally disabled at the time your Plan coverage ends, the Plan will continue to pay benefits for Covered Services and Supplies that are directly related to the disability if:

1. The disability is a result of a covered illness or accident; and
2. The Plan's Claims administrator determines that you or your eligible dependent is totally disabled at the time coverage ends.

For this continuation of benefits, total disability means:

1. For an employee: you are unable to perform any work or occupation for which you are reasonably qualified and trained; or

For a dependent, Retiree or Surviving Spouse: the person is unable to engage in most normal activities of someone the same age and sex who is in good health. This extension of benefits is provided at no cost to you and can continue if you do not have any other insurance to cover this loss:

1. If total disability lasts, up to a maximum of 12 months; or
2. Until you become covered by another plan providing similar benefits, whichever occurs first.

COBRA coverage will not be available if this coverage is selected.

Extension of Benefits if the Plan is Terminated

If the Plan is ever terminated, benefits will be extended for the following reasons only:

1. If you are in the Hospital when the Plan is terminated, your Covered Services and Supplies will be eligible for payment for 90 days following Plan termination.
2. If you are pregnant when the Plan is terminated, covered maternity benefits will continue to be paid for the rest of your pregnancy.
3. If you are receiving covered Dental Care when the Plan is terminated, benefits will continue to be paid for 90 days following Plan termination or until you become covered under another policy providing coverage for similar dental procedures, if the Dental Care is recommended in writing by your doctor or dentist and is for the treatment of a covered illness or accident. Both the illness or accident and the treatment recommendation must occur prior to termination of the Plan. These extended dental benefits do not include coverage for routine examinations, prophylaxis, x-rays, sealants, orthodontic services, or Dental Care that is not covered.

IV. SCHEDULE OF BENEFITS

This summary provides an overview of the Standard and High Deductible Health Plan (HDHP) HMO coverage for United Healthcare. For further information on the coverage and benefits of this plan, as well as applicable Limitations and Exclusions, please refer to the following sections within this document: Definitions, Medical Benefits, and Limitations and Exclusions. United Healthcare is committed to arranging for comprehensive prepaid health care services rendered to Health Plan Members through its Network of contracted independent physicians and Hospitals and other independent health care providers. The professional judgment of a physician licensed under Chapter 458 (physician), 459 (osteopath), 460 (chiropractor) or 461 (podiatrist), Florida Statutes, concerning the proper course of treatment for a Health Plan Member shall not be subject to modification by United Healthcare or its Board of Directors, Officers, or Administrators. However, this Section is not intended to and shall not restrict any Utilization Management Program established by United Healthcare.

It is your responsibility when seeking benefits under the Plan to identify yourself as a Health Plan Member and to ensure that the services received are rendered by Participating Providers. Please understand that services will not be covered if they are not Medically Necessary. All Claims administrative decisions made by United Healthcare in administering the provisions of this Contract, including without limitations, the provisions of the Definitions, Medical Necessity, Medical Benefits and Limitations and Exclusion sections, are made only to determine whether payment for any benefits will be made by the Plan and are subject to the appeals process set forth in Section XIII below and the final determination of DSGI on behalf of the Plan.

All decisions that pertain to the medical need for, or desirability of, the provision or non-provision of Medical Services or benefits, including without Limitations, the most appropriate level of such Medical Services or benefits, must be made solely by the Health Plan Member and his physician in accordance with the normal patient/physician relationship for purposes of determining what is in the best interest of the Health Plan Member. United Healthcare does not have the right of control over the medical decisions made by the Health Plan Member's physician or health care providers. The ordering of a service by a physician, whether participating or non-participating, does not in itself make such service Medically Necessary.

The State of Florida and you as the Health Plan Member acknowledge the possibility that a Health Plan Member and his physician may determine that such services or supplies are appropriate even though such services or supplies are not covered and will not be arranged or paid for by the Plan. Any Claim for Covered Services and Supplies for which the Health Plan Member is seeking reimbursement must be submitted to United Healthcare within one year from the date of service.

Understanding Your Share of Health Care Expenses

Deductibles and Copayments

Copayments are dollar amounts you pay to the provider at the time of service before the Plan pays. Most but not all Services require Copayments.

Should you choose the HDHP Option, before the Plan pays anything, you pay a Deductible, which is the amount of money you pay out-of-pocket. You pay the Deductible amount on or after January 1 each year.

Out-of-Pocket Maximum Amounts

Medical Only

There is a limit on the amount you pay out of your pocket toward covered expenses in any one calendar year for Network Covered Services and Supplies. Once your share of Medical Services Network out-of-pocket expenses reaches the annual limit, this Plan begins paying 100 percent of the Medical Services Claims for Network contracted/allowed amount for Network Covered Services and Supplies for the remainder of the calendar year.

If you have individual coverage, the Plan begins paying all your Medical Services eligible expenses after you meet your individual out-of-pocket limit.

If you have family coverage:

- **Standard Plan:** when one Health Plan Member in a family contract pays the individual maximum out-of-pocket amount for Network Medical services and supplies, Plan starts paying 100% for *that* Health Plan Member (called *embedded*) for the remaining calendar year. Thus, the balance of the family out-of-pocket amount may be paid by another or combination of remaining family members up to the family out-of-pocket max amount.
- **HDHP:** when one person or combination of family members meets the family amount (not embedded), Health Plan pays 100%.

Preventive services are paid at 100% when provided by Participating Providers and not subject to the Deductible.

Global Network Out-of-Pocket Maximum (Rx Only or Medical and Rx)

There is a limit on the amount you pay out of your pocket toward covered expenses in any one calendar year for Network Covered Services and Supplies and prescription drugs. Once your share of Network out-of-pocket expenses reaches the annual limit, this Plan begins paying 100 percent of the Claims for Network allowed amount for Covered Services and Supplies and prescription drugs for the remainder of the calendar year for you.

If you have individual coverage, the Plan begins paying all your eligible expenses after you meet your individual out-of-pocket limit.

If you have family coverage:

- **Standard Plan:** when one Health Plan Member in a family contract pays the individual maximum out-of-pocket amount for Network Medical Services, supplies and prescription drugs, the Plan starts paying 100% for *that* Health Plan Member (called *embedded*) for the remaining calendar year. Thus, the balance of the family out-of-pocket amount may be paid by another or combination of remaining family members up to the family out-of-pocket max amount.

- **HDHP:** when one person or combination of family members meets the family amount (not embedded), the Plan pays 100%. Only expenses from Network Covered Services and Supplies and prescription drugs count toward the global out-of-pocket maximum. Expenses that apply to this maximum include applicable cost share until the aggregate out-of-pocket limit is met. Preventive services are paid at 100% when provided by Participating Providers.

Expenses that do not apply to the global Network out-of-pocket limit:

1. Premiums;
2. Prescription drug brand name additional charges;
3. Charges for services, supplies and prescription drugs that are not covered by this Plan;
4. Charges for Covered Services and Supplies and prescription drugs that are greater than Plan limits on dollar amounts, number of treatments, or number of days of treatment;
5. Specialty drugs that are denied by the Specialty Guideline Management Program;
6. Specialty drugs that would have been denied or would have been outside clinical treatment guidelines by the Specialty Guideline Management Program if you had tried to get the drug approved but did not go through the proper approval process; and,
7. The difference between the cost of the generic drug and brand name drug when the prescribing Physician does not indicate "dispense as written" or "brand name Medically Necessary" and you request the brand name drug.

Remember to confirm with your Participating Provider before services are rendered that any required pre-authorization for services has been obtained from United Healthcare. Also, services performed beyond the scope of practice authorized for that provider under State law will be denied unless otherwise expressly authorized under the terms of the Plan or when required to treat an Emergency Medical Condition. Except for Emergency Medical Services and Care, all services must be received from Participating Providers. Any Health Plan Member requiring medical, Hospital or ambulance services for emergencies as described in the Definitions section, either while temporarily outside the Service Area or within the Service Area but before they can reach a Participating Provider, may receive emergency benefits.

Services that require prior authorization from United Healthcare include, but are not limited to:

- All inpatient admissions (including but not limited to Hospital and observation stays, skilled nursing facilities, ventilator dependent care and/or acute rehabilitation);
- Complex diagnostic testing, therapeutic, and sub-specialty procedures (including but not limited to CT, CTA, MRI, MRA, PET Scans, Nuclear Cardiac Studies and Nuclear Medicine);
- Certain scheduled surgical procedures
 - Contact UnitedHealthcare directly for a list of surgical procedures requiring prior authorization;
- All medications administered in an outpatient Hospital or infusion therapy setting
- Select medications administered in a physician’s office;
- Non-emergency transportation;
- Care rendered by Non-participating Providers (except for Emergency Medical Services and Care);
- Transplant services; and
- Dialysis services.

Ventilator Dependent Care Unit - Care received in any facility which provides services to ventilator dependent patients other than acute Hospital care, including all types of facilities known as sub-acute care units, ventilator dependent units, alternative care units, sub-acute care centers and all other like facilities, whether maintained in a free-standing facility or maintained in a Hospital or skilled nursing facility setting.

For more information about which services require prior authorization, contact United Healthcare at the number listed in the contact section within this document.

Within the Service Area, you are entitled to receive the Covered Services and Supplies only as herein specified and appropriately prescribed or directed by Participating Physicians. The Covered Services and Supplies listed in the Medical Benefits section are available only from Participating Providers within the Service Area and, except for Emergency Medical Services and Care, the Plan shall have no liability or obligation whatsoever on account of services or benefits you sought or received from any Non-participating Provider or other person, institution or organization, unless prior arrangements have been made for you and confirmed by written referral or authorization from United Healthcare.

Health Professionals may from time to time cease their affiliation with United Healthcare. In such cases, you must receive services from another Participating Provider.

If you do not follow the Plan’s access to care rules, there is a substantial risk that the services and supplies you received will not be covered under the Plan and you will have to pay for them.

<p align="center">You Pay the Cost Share Listed Below To The Health Care Provider at The Time Services Are Rendered</p>			
<p align="center">SCHEDULE OF MEMBER COST SHARE</p>			
	Benefit Description	Cost to Member	
		Standard Option	HDHP Option

Prescription Drugs CVS Caremark	Participating Retail Pharmacy (up to a 30-day supply)		After you pay Deductible:
	• Generic	\$7	30%
	• Brand Name, Preferred	\$30	30%
	• Brand Name, Non-Preferred	\$50	50%
	Participating Retail Pharmacy (up to a 90-day supply)		
	• Generic	\$14	
	• Brand Name, Preferred	\$60	
	• Brand Name, Non-Preferred	\$100	
	Mail Order Pharmacy (up to a 90-day supply)		
	• Generic	\$14	
• Brand Name, Preferred	\$60		
• Brand Name, Non-Preferred	\$100		
	<ul style="list-style-type: none"> • If a generic is available and you, rather than your physician, request the brand name drug, your cost is the brand Copayment (or Coinsurance if HDHP) <i>plus</i> the difference in the Plan's cost between brand name and the generic. • For oral cancer treatment medications, your cost is the lesser of the appropriate Copayment (or Coinsurance if HDHP) or \$50. 		

V. MEDICAL BENEFITS

This chart provides a description of services and supplies covered under the State Group Health Insurance Plan (the Plan). Services and supplies not described here but mandated by state or federal law and applicable to the Plan will be covered by the Plan.

Coverage Access Rules

If you do not follow United Healthcare's coverage access rules described in this document, services and supplies may not be covered. In such a circumstance, you may be responsible for the full cost of services and supplies.

You should understand that the ordering of a service by a physician does not in itself conclusively establish that the service or supply is Medically Necessary. Final decisions concerning the existence of coverage or benefits under the Plan is the responsibility of the Plan and cannot be delegated, or deemed to be delegated by the state, to other persons including the providers. DSGI and the Medical and Prescription Drug Program Third Party Administrators hired by DSGI are responsible for processing Claims in accordance with the terms of this document and its contract with the state. Among its other obligations in determining whether a Claim presents a benefit covered by the Plan, United Healthcare must make an initial determination whether the service was Medically Necessary.

Network providers shall not balance bill Health Plan Members for covered, authorized services and Non-Network providers shall not balance bill above negotiated or allowed amounts paid, if any, by the Plan based on usual and customary charges for similar covered authorized services in the community, less the member's cost share, as follows.

United Healthcare pays the cost of covered care and medical supplies, less the member's cost share, if the care or supplies are:

- Ordered by a Network provider (a provider who is in United Healthcare's Network);
- Considered Medically Necessary for the Health Plan Member's treatment because of a covered accident, illness, condition, or Mental and Nervous Disorder;
- Not specifically limited or excluded under this Plan; and
- Rendered while this Plan is in effect.

Covered Services	Special Limits/Circumstances
<p><i>Ambulance</i></p> <p>Ground Ambulance Services must be Medically Necessary to transport a patient:</p> <ol style="list-style-type: none"> 1. from a Hospital unable to provide care to the nearest Hospital that can provide the Medically Necessary level of care; 2. from a Hospital to a home or nearest skilled nursing facility that can provide the Medically Necessary level of care; or 3. from the place of an Emergency Medical Condition to the nearest Hospital that can provide the Medically Necessary level of care. <p>Air, helicopter, and boat Ambulance services are covered to transport a patient from the location of an Emergency Medical Condition to the nearest Hospital that can provide the Medically Necessary level of emergency care, when:</p> <ol style="list-style-type: none"> 1. the pick-up point is inaccessible by ground; 2. speed in excess of ground speed is critical; or 3. the travel distance by ground is too far to safely treat the patient. 	
<p><i>Anesthesia Services</i></p> <ul style="list-style-type: none"> • Both inpatient and outpatient 	

Covered Services	Special Limits/Circumstances
<p><i>Autism Spectrum Disorder</i></p> <ul style="list-style-type: none"> • Diagnosis and treatment through speech therapy, occupational therapy, physical therapy, and Applied Behavior Analysis services for an individual that was diagnosed as having a Developmental Disability at eight years of age or younger and is either 1) under 18 years of age or 2) eighteen years of age or older and in high school. • Coverage includes well-baby and well-child screening for diagnosing the presence of Autism Spectrum Disorder, speech therapy, occupational therapy, physical therapy, and Applied Behavior Analysis. Applied Behavior Analysis is covered when provided by Applied Behavioral Analysts, psychologists, clinical social workers, and others within the scope of their license. 	<ul style="list-style-type: none"> • Coverage limited to services prescribed by the Enrollee's treating physician in accordance with a treatment plan. The required treatment plan includes, but is not limited to, a diagnosis; proposed treatment by type, frequency and duration of treatment; anticipated outcomes stated as goals; frequency with which treatment plan will be updated; and a signature from the treating physician. • The Plan covers Autism Spectrum Disorder and Down Syndrome as required by sections 627.6686 and 641.31098, Florida Statutes, and as further amended by state and federal law.
<p><i>Bone Marrow Transplants</i></p>	<ul style="list-style-type: none"> • If the particular use of the procedure is determined to be accepted within the appropriate oncological specialty and not Experimental pursuant to rules adopted by the Florida Agency for Health Care Administration. • Includes costs associated with the donor-patient.
<p><i>Cancer Services</i></p> <ul style="list-style-type: none"> • Diagnosis and Treatment 	<ul style="list-style-type: none"> • Includes both inpatient and outpatient diagnostic tests and treatment (including anti-cancer medications administered by Network providers), including cancer clinical trials as set forth in the Florida Clinical Trial Compact. Does not include Experimental or Investigational Treatment.
<p><i>Cleft Lip and Cleft Palate</i></p>	<ul style="list-style-type: none"> • Treatment and services for children under 18 years, including medical, dental, speech therapy, audiology and nutrition services only as required by sections 627.64193 and 641.31(35), Florida Statutes.

Covered Services	Special Limits/Circumstances
<i>Clinical Trials</i>	<ul style="list-style-type: none"> Includes routine patient care costs incurred by an insured individual who participates in approved Phase I, II, III or IV clinical trials relating to cancer and other life-threatening diseases if those services, including drugs, items and devices, would otherwise be covered under the plan or contract for an insured person not enrolled in a clinical trial program. Experimental treatment is excluded.
<i>Child Health Supervision Services</i>	<ul style="list-style-type: none"> Services as defined by the Patient Protection and Affordable Care Act. Services include a physical examination, developmental assessment and anticipatory guidance, and immunizations and laboratory tests, consistent with the recommendations for Preventive Pediatric Health Care of the American Academy of Pediatrics. Services as defined by the Patient Protection and Affordable Care Act.
<i>Contraceptive Supplies</i> <ul style="list-style-type: none"> Insertion and removal of IUD Diaphragm Insertion and removal of contraceptive implants Contraceptive injections Oral contraceptives 	<ul style="list-style-type: none"> With respect to Women's Preventive Services (see also <i>Preventive Services</i>), coverage is limited to at least one form of contraception in each of the eighteen methods identified in FDA's most current Birth Control Guide and limited to generic products when available. Other contraceptives may be covered based on medical necessity. <p>For additional information on medical coverage, please call United Healthcare's Member Services Department listed in the contact section within this document. For additional information on prescription coverage, please call CVS Caremark at 1-888-766-5490.</p>

Covered Services	Special Limits/Circumstances
<p><i>Cosmetic Surgery</i></p> <ul style="list-style-type: none"> • Plastic and reconstructive • Reduction mammoplasty 	<ul style="list-style-type: none"> • Repair or alleviation of damage if the result of an accident. • Correction of a congenital anomaly for an eligible dependent. • Correction of an abnormal bodily function. • For an area of the body which was altered by the treatment of a disease. • All stages of reconstruction of a breast on which a mastectomy was performed in accordance with federal law. However, if there is no evidence of malignancy, such reconstruction and initial prosthetic device shall only be covered if received within two years after the date of the mastectomy.
<p><i>Dental Care and Accidental Dental Injury</i></p>	<ul style="list-style-type: none"> • General anesthesia and facility services to the extent required by section 641.31, Florida Statutes. Only in cases of Dental Care provided to a person under age 8 if the dental condition is likely to result in a medical condition if left untreated and if the child's dentist and physician determine dental treatment in a Hospital or surgical center is necessary. • Accidental dental injury coverage is limited as defined. General Dental Care is not covered as stated in the Exclusion section of this document. • Benefits for accidental dental injury are limited to care and treatment rendered within 120 days of an accidental dental injury
<p><i>Dermatology Services</i></p>	<ul style="list-style-type: none"> • Direct access (without referral or authorization) for no less than five office visits annually, including minor procedures and testing, to a Network dermatologist, as required by sections 627.6472(16) and 641.31(33) Florida Statutes.

Covered Services	Special Limits/Circumstances
<p>Diabetes</p>	<ul style="list-style-type: none"> • All medically appropriate and necessary equipment, supplies and outpatient self-management training and educational services used to treat diabetes, if the treating physician or a physician who specializes in the treatment of diabetes certifies that such services are necessary. • Certain diabetic equipment and supplies are covered through United Healthcare. Those not covered by United Healthcare may be covered by the Prescription Drug Plan. See Prescription Drug Plan section within this document for additional information.
<p>Doctor's Care</p> <ul style="list-style-type: none"> • Office visits • Medical treatment in Hospital or outpatient facility or surgery (other than office visit), which includes anesthesia services, concurrent physician care (surgical assistance provided by another physician) and consultations • Child health supervision services • Adult preventive Medical Services • Allergy treatment – including testing, desensitization therapy and allergy immunotherapy, which includes hypo sensitization serum when administered by a health care provider • Diagnostic procedures, lab tests or x-rays, including their interpretation, for the treatment of a covered condition 	<ul style="list-style-type: none"> • For concurrent physician care and surgical assistance: <ul style="list-style-type: none"> ○ The additional physician must actively participate in the treatment; and ○ The condition involves more than one body system or is so severe or complex that one physician cannot provide the care unassisted; and ○ The physicians have different specialties or have the same specialty with different sub-specialties; and ○ Must be authorized by the Health Plan Member's PCP or United Healthcare • For consultations: <ul style="list-style-type: none"> ○ The ordering physician must request the consultation; and ○ Consulting physician shall prepare a written report

Covered Services	Special Limits/Circumstances
<p><i>Durable Medical Equipment</i></p> <ul style="list-style-type: none"> • For the care and treatment of a condition covered under this Plan, the Plan shall either rent or purchase medical equipment and supplies including, but not limited to: <ul style="list-style-type: none"> ○ Trusses, braces, walkers, canes, crutches, casts and splints ○ Occlusal guards, bite or dental splints, repositioning devices, and TMJ models for the treatment of temporomandibular joint (TMJ) syndrome ○ Commode chairs, bedpans/urinals, decubitus care equipment, and ostomy and urinary products ○ Oxygen and rental of equipment for the administration of oxygen, ventilator, or other mechanical equipment for the treatment of respiratory paralysis or insufficiency ○ Ambulatory home uterine activity monitoring devices (AHUM) ○ Wheelchairs, Hospital beds, lumbar-sacral-orthosis (LSO) and thoracic-lumbar-sacral-orthosis (TLSO) braces, and traction equipment • Other medical equipment and supplies as determined to be Medically Necessary 	<ul style="list-style-type: none"> • Durable Medical Equipment: <ul style="list-style-type: none"> ○ Shall not serve as a comfort, hygiene, or convenience item ○ Shall not be used for the sole purpose of exercise ○ Shall not be used by any other party ○ Shall have been manufactured specifically for medical use ○ Shall not include shoe buildups, shoe orthotics, shoe braces or shoe supports unless the shoe is attached to a brace unless Medically Necessary for the treatment of diabetes ○ Shall not include water therapy devices, modification to motor vehicles and/or homes or similar items
<p><i>Emergency Care</i></p> <ul style="list-style-type: none"> • Coverage, without prior authorization, for screening and stabilization based on determination by either a Network or Non-Network provider. 	

Covered Services	Special Limits/Circumstances
<p>Enteral Formulas</p> <ul style="list-style-type: none"> • Prescription and non-prescription enteral formulas for home use when prescribed by a physician as necessary to treat inherited diseases of amino acid, organic acid, carbohydrate or fat metabolism as well as malabsorption originating from congenital defects present at birth or acquired during the neonatal period are covered. 	<ul style="list-style-type: none"> • Coverage to treat inherited diseases of amino acid and organic acids shall be up to age 25 and includes food products modified to be low protein.
<p>Eye Care</p> <ul style="list-style-type: none"> • Routine or refractive eye examinations as part of the adult preventive medical care or child health supervision services benefit 	<ul style="list-style-type: none"> • For eyeglasses or contact lenses: <ul style="list-style-type: none"> ○ Limited to standard frames and lenses for the first pair following an accident to the eye or cataract surgery ○ Includes the examination for the prescribing or fitting thereof ○ For treatment of a covered condition: <ul style="list-style-type: none"> ▪ Aphakic patients and soft lenses or sclera shells ▪ Following an injury, disease, or accident
<p>Family Planning Services</p>	<ul style="list-style-type: none"> • Includes counseling and information on birth control, sex education and the prevention of sexually transmitted diseases.
<p>Fertility Testing and Treatment</p> <p>Some tests to determine the cause of infertility and the treatment of some medical conditions resulting in infertility are covered services</p>	<ul style="list-style-type: none"> • Certain fertility tests and treatments are considered Experimental and/or Investigational and are not covered. Please refer to the exclusions section for further information.
<p>Hearing Tests</p>	<ul style="list-style-type: none"> • Only when associated with covered ear surgery, in accordance with child and adult preventive health care benefits, or for the diagnosis of a covered condition. • Hearing tests to determine if a hearing aid is needed are not covered.
<p>Hemodialysis for Renal Disease</p> <ul style="list-style-type: none"> • Includes equipment, training and medical supplies for home dialysis and dialysis centers. 	

Covered Services	Special Limits/Circumstances
<p>Home Health Care</p> <ul style="list-style-type: none"> • Services by a home health care agency for a Health Plan Member confined and convalescing at home for a covered condition • Home Health Care Services include: <ul style="list-style-type: none"> ○ Part-time, intermittent or continuous nursing care by registered nurses or licensed practical nurses, nurse registries or home health agencies; ○ Physical, speech, occupational and respiratory therapy, and infusion therapy ○ Medical appliances, equipment, laboratory services, Supplies, drugs, and medicines prescribed by the treating physician and other Covered Services provided by or for a home health agency through a licensed nurse registry or by an independent nurse licensed under chapter 464, Florida Statutes, to the extent that they would have been covered if the person had been confined in a Hospital 	<ul style="list-style-type: none"> • For approval of Home Health Care Services by your PCP or the Plan: <ul style="list-style-type: none"> ○ The treating physician must submit a home health care plan of treatment to your PCP; and ○ The plan of treatment must document that home health care is Medically Necessary and that the services are being provided in lieu of hospitalization or continued hospitalization; and ○ Home health care benefits would be less costly than confinement to a Hospital or skilled nursing facility • Services which shall not be covered under this benefit include: <ul style="list-style-type: none"> ○ Any service that would not have been covered had the Health Plan Member been confined to a Hospital ○ Services which are solely for the convenience of the Health Plan Member <ul style="list-style-type: none"> ▪ Therapy is subject to outpatient Limitations described under rehabilitative services

Covered Services	Special Limits/Circumstances

Exceptions to this include emergency services and other special circumstances, as approved by United Healthcare. • Excludes services and supplies provided when the Health Plan Member is admitted to a Hospital or other facility primarily to provide rehabilitative services.
<p><i>Immunizations</i></p> <ul style="list-style-type: none"> • Includes flu shots 	<p><i>See Preventive Services.</i></p>

Covered Services	Special Limits/Circumstances
<p>Mammograms</p> <ul style="list-style-type: none"> • Screening • Diagnostic service 	<ul style="list-style-type: none"> • One baseline mammogram for women aged 35 through 39 • One mammogram every one to two years – ages 40 through 49 • One mammogram every year – age 50 and over • At any age if deemed Medically Necessary (diagnostic)
<p>Maternity Care</p> <ul style="list-style-type: none"> • Pre-natal and post-natal care and monitoring of the mother • Delivery in a Hospital or birth center • Postpartum care • Newborn care and assessment, including initial exam from pediatrician • Medically Necessary clinical tests and immunizations • Routine well-baby nursery services • Midwife services • Breastfeeding and/or lactation services, support, supplies and counseling 	<ul style="list-style-type: none"> • Covered Hospital stays for the mother and newborn child will be no less than: <ul style="list-style-type: none"> ○ 48 hours for a normal delivery ○ 96 hours for a Cesarean-section delivery unless agreed to by the provider and the patient • With respect to Women’s Preventive Services, coverage for breast feeding supplies is: <ul style="list-style-type: none"> ○ Limited to one manual breast pump per birth. ○ Breastfeeding support and/or lactation services are covered when 1) rendered in a physician’s office by a physician, ARNP under the physician’s supervision, certified lactation Specialist, or other health provider operating within the scope of their license, or 2) in an inpatient Hospital or outpatient Hospital setting.

Mental Health, Alcoholism and Substance Abuse Care

- Inpatient – includes inpatient provider services and inpatient facility services.
- Outpatient – includes group therapy, Partial Hospitalization, intensive outpatient services, and office visits.
- Any other treatment or treatment setting, as administered by UnitedHealthcare, that is mandated by the Mental Health Parity Act as a result of the medical/surgical benefits provided by this SPD.

- Physician office visits, intensive outpatient treatment, inpatient and Partial Hospitalization and Residential Treatment Services are covered based on medical necessity.
- Treatment programs must be accredited by the Joint Commission or approved by the state.
- Providers must be licensed in accordance with applicable law.
- For inpatient care:
 - Alcoholism and Substance Abuse care includes detoxification.
- For outpatient care:
 - Mental and Nervous Disorders treatment includes diagnostic evaluation, psychiatric treatment, and individual and group therapy.
- For learning and behavioral disabilities or intellectual disabilities, coverage is limited to evaluation and diagnosis.

Covered Services	Special Limits/Circumstances
<p>Newborn Care</p> <ul style="list-style-type: none"> • Coverage includes, but is not limited to: <ul style="list-style-type: none"> ○ Coverage for injury or sickness, including Medically Necessary care or treatment for medically diagnosed congenital defects, birth abnormalities or prematurity. ○ The transportation costs of the newborn to and from the nearest available facility appropriately staffed and equipped to treat the newborn's condition. Such transportation shall be certified by the attending physician as necessary to protect the health and safety of the newborn child. 	<ul style="list-style-type: none"> • Coverage for the unenrolled newborn child of a covered eligible Enrollee or dependent is limited to well-baby Hospital nursery services. • Newborn must be enrolled in United Healthcare within 60 days of the birth to be covered for other services.
<p>Nutrition Counseling</p>	
<p>Nursing Services</p> <ul style="list-style-type: none"> • Nursing care by a registered nurse (RN) or licensed practical nurse (LPN) 	<ul style="list-style-type: none"> • Includes inpatient Private Duty Nursing when authorized by the Plan. • Includes Home Health Care Services and Hospice Services.
<p>Occupational Therapy</p> <ul style="list-style-type: none"> • Occupational therapy services are covered for conditions resulting from a physical or mental illness, injury, or impairment. 	<ul style="list-style-type: none"> • Coverage and payment for occupational therapy is limited to 60 treatments per injury. This maximum applies to all out-patient occupational therapy treatments regardless of location of service. • Occupational therapy services must be provided by a healthcare professional licensed to provide such services. • Occupational therapy is covered for the treatment of Autism Spectrum Disorder and Down syndrome under both home health care and hospice services.

<p>Oral Surgery</p> <ul style="list-style-type: none"> • Surgical treatment of non-dental injury to teeth, fractured or dislocated jaw, excision of tumors, cysts, abscesses and lesions of the mouth and surgical treatment of temporomandibular joint (TMJ) syndrome • Treatment of bones or joints of the jaw or facial region as required by section 641.31094, Florida Statutes, when Medically Necessary for conditions caused by congenital or developmental deformity, disease or injury 	<ul style="list-style-type: none"> • Does not include care or treatment of the teeth or gums, intraoral prosthetic devices, or surgical procedures for cosmetic purposes.

Organ Transplants

- Services, care and treatment received for or in connection with the approved transplantation of the following human tissue and organs:
 - Heart
 - Heart/lung
 - Lung
 - Liver
 - Kidney
 - Kidney/pancreas
 - Bone marrow
 - Cornea
- Covered Services include:
 - Organ acquisition and donor costs. However, donor costs shall not be payable under this Plan if they are payable in whole or in part by any other insurance health plan, organization, or person other than the donor's family or estate.
- Transplantation includes pre-transplant, transplant and post-discharge services, and treatment of complications after transplantation
- For bone marrow transplants:
 - Includes the harvesting, transplantation, and chemotherapy components
 - Donor costs are covered in the same way as costs for the Health Plan Member, including Limitations and non-covered services

- To have a transplant covered:
 - Prior approval for the transplant must be obtained by the Health Plan Member's Participating PCP in advance of the Health Plan Member's initial evaluation for the procedure; and
 - United Healthcare shall be given the opportunity to evaluate the clinical results of the evaluation. Such evaluation and approval shall be based on written criteria and procedures established by the Plan; and
 - The facility in which the pre-transplant services, transplant procedure and post-discharge services will be performed must be licensed as a transplant facility and authorized by United Healthcare.
- Transplant services shall not be covered when:
 - Expenses are eligible to be paid under any private or public research fund, government program, or other funding program, whether or not such funding was applied for or received;
 - The expense relates to the transplantation of any non-human organ or tissue;
 - The service or supply is in connection with the implant of an artificial organ, including the implant of the artificial organ;
 - The organ is sold rather than donated to the person;
 - The expense relates to the donation or acquisition of an organ for a recipient who is not covered by the Plan except in the case of the donor costs for bone marrow transplants; or
 - A denied transplant is performed; this includes follow-up care, immunosuppressive drugs, and complications of such transplant
- The following services and supplies shall not be covered:
 - Artificial heart devices used as a bridge to transplant;
 - Drugs used in connection with diagnosis or treatment leading to a transplant when such drugs have not received FDA approval for such use; or
 - Any service or supply in connection with identification of a donor from a local, state, or national listing.

Outpatient Care

- Treatment as an outpatient in a Hospital, a health care provider's office, an ambulatory surgical center or other licensed outpatient health care facility
- Clinical laboratory services
- Services for outpatient surgery and outpatient treatment of an injury
- Includes Medically Necessary supplies provided or used by the facility during the surgery or treatment, such as:
 - Use of operating room, and recovery room
 - Use of covered drugs and medicines used by the patient
 - Intravenous solutions, dressings, ordinary casts, splints and trusses
 - Anesthesia, related supplies and their administration
 - Transfusion supplies and services including blood, blood plasma and serum albumin, if not replaced
 - Respiratory therapy, including oxygen
 - Diagnostic services, including radiology, ultrasound, laboratory, pathology, and approved machine testing such as electrocardiograms and electroencephalograms
 - Basal metabolism examinations
 - X-ray, including therapy
 - Diathermy
 - Services provided by a birthing center licensed pursuant to section 383.30-383.335, Florida Statutes
- Other covered necessary services and supplies

Covered Services	Special Limits/Circumstances
<p>Pathologist Services</p> <ul style="list-style-type: none"> Both inpatient and outpatient 	
<p>Pre-admission Tests</p>	<ul style="list-style-type: none"> Tests shall be ordered or authorized by the Health Plan Member's PCP; and Tests shall be performed in a facility accepted by the Hospital and United Healthcare in lieu of the same tests which would normally be done while Hospital confined.
<p>Preventive Services</p> <ul style="list-style-type: none"> Additional Women's Preventive Services: to the extent required by federal law; the following services are covered for all female Health Plan Members: <ul style="list-style-type: none"> Human papillomavirus (HPV) testing; Counseling for sexually transmitted infections; Counseling and screening for human immune-deficiency virus (HIV); Counseling and screening for interpersonal and domestic violence; Screening for gestational diabetes Counseling and support for breastfeeding and supplies (limited to one manual breast pump per birth) Annual well woman visits expanded to include prenatal care, contraceptive counseling and methods (see <i>Contraceptive Services</i> within this table of Covered Services) 	<ul style="list-style-type: none"> Preventive Medical Services will be as defined by the Patient Protection and Affordable Care Act, which include: <ul style="list-style-type: none"> Evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force; Assessment of the risk of falls for older adults is included during the preventive care wellness examination or evaluation and management (E&M) visit; Immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention with respect to the individual involved; With respect to infants, children, and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration With respect to Women's Preventive Health Services, coverage is provided to the extent mandated by federal law. For additional information on immunizations and preventive health care services go to <ul style="list-style-type: none"> www.healthcare.gov https://www.uspreventiveservicestaskforce.org/Page/Name/uspstf-a-and-b-recommendations/ and https://www.healthcare.gov/preventive-care-women/

Covered Services	Special Limits/Circumstances
<p><i>Prostheses and Orthotic Devices</i></p> <ul style="list-style-type: none"> Initial placement of the most cost-effective prosthetic or orthotic device, fitting, adjustments, and repair 	<ul style="list-style-type: none"> Replacements covered if due to growth or change and approved by the Plan as Medically Necessary. Shoe orthotics shall be covered only when attached to a brace. Penile prosthesis shall be covered only when necessary to treat organic impotence resulting from diabetes mellitus, peripheral neuropathy, medical endocrine causes of impotence, arteriosclerosis/postoperative bilateral sympathectomy, spinal cord injury, pelvic-perineal injury, post prostatectomy, post priapism, and epispadias and exstrophy.
<p><i>Radiologist Services</i></p> <ul style="list-style-type: none"> Both inpatient and outpatient

Requires United Healthcare approval or a written plan of a written treatment, including documentation that the Health Plan Member's condition should improve significantly within 60 days of the date therapy begins. Outpatient rehabilitative services limited to 60 visits per injury; inpatient rehabilitative services limited to the duration of Hospital confinement. Rehabilitative services shall not be covered when: <ul style="list-style-type: none"> The Health Plan Member was admitted to a Hospital or other facility primarily for the purpose of providing rehabilitative services; or The services or supplies maintain rather than improve a level of physical function, or where it has been determined that the services shall not result in significant improvement in the Health Plan Member's condition within a 60-day period.

Covered Services	Special Limits/Circumstances
<p><i>Respiratory Therapy</i></p> <ul style="list-style-type: none"> • Both Inpatient and outpatient • Services of respiratory or inhalation therapists • Oxygen 	
<p><i>Second Medical Opinions</i></p> <ul style="list-style-type: none"> • May be requested by the Health Plan Member or United Healthcare for: <ul style="list-style-type: none"> ○ Elective surgery ○ When the appropriateness or necessity of a covered surgical procedure is questioned ○ Serious injury or illness 	<ul style="list-style-type: none"> • The Health Plan Member: <ul style="list-style-type: none"> ○ Must provide prior notice to United Healthcare. ○ The use of second medical opinions in connection with a particular diagnosis or treatment may be restricted to a maximum of three per calendar year. • United Healthcare shall review the second medical opinion, once rendered, and make a determination about whether the services are covered under the Plan. Any treatment obtained that is not authorized by the Plan shall be at the Health Plan Member’s expense. • Covered expenses for the second opinion: <ul style="list-style-type: none"> ○ If a Network physician is selected, the only cost to the Health Plan Member will be the applicable member cost share amount. • If a Non-Network physician is selected, the member may be required to pay for up to 40 percent of the usual and customary charges for those services in the community where they were rendered as determined by United Healthcare.

VI. LIMITATIONS AND EXCLUSIONS

Services Not Covered by the Plan	
The following services and supplies are excluded from coverage under this Plan unless a specific exception is noted. Exceptions may be subject to certain coverage Limitations.	
Abortion	Which is elective, performed at any time during a pregnancy.
Acupuncture	Services, supplies, care, or treatment in connection with acupuncture (except when used in lieu of an anesthetic agent for covered surgery).
Arch Supports	Orthopedic shoes, sneakers, or support hose, or similar type devices/appliances, regardless of intended use.
Autologous transfusion	In which blood is removed from a donor and stored before it is returned to the donor's circulation.
Autopsy	
Biofeedback services	And other forms of self-care or self-help training and any related diagnostic testing, hypnosis, meditation, mind expansion, elective psychotherapy such as Gestalt therapy, transactional analysis, transcendental meditation, Z-therapy, and Erhard seminar training (EST).
Complications of non-covered services	Including the diagnosis or treatment of any condition which arises as a complication of a non-covered service.
Cosmetic surgery/services	Including plastic and reconstructive surgery (except as noted as a covered service), dental care, and any other service and supply to improve the Health Plan Member's appearance or self-perception.
Costs incurred by the Plan related to...	Health care services resulting from accidental bodily injuries arising out of a motor vehicle accident to the extent such services are payable under any medical expense provision of any automobile insurance policy, telephone consultations, failure to keep a scheduled appointment or complete any form and/or medical information.

Custodial care	<p>Including any service or supply of a custodial nature primarily intended to assist the Health Plan Member in the activities of daily living. This includes rest homes (facilities), nursing homes, skilled nursing facility, home health aides (sitters), home mothers, domestic maid services and respite care.</p> <p>Also includes services and supplies that are furnished mainly to train or assist in the activities of daily living, such as bathing, feeding, dressing, walking, and taking oral medications. "Custodial Care" also means services and supplies that can be safely and adequately provided by persons other than licensed Health Professionals, such as dressing changes and catheter care, or that ambulatory patients customarily provide for themselves, such as ostomy care, administering insulin and measuring and recording urine and blood sugar levels.</p>
Dental Care	<p>Or any treatment relating to the teeth, jaws, or adjacent structures (e.g. periodontium), including but not limited to extraction or cleaning of the teeth; implants, braces, crowns, bridges, fillings, dentures, x-rays, periodontal, orthodontic treatment; rapid palatal expanders; continuous passive motion (CPM) devices.</p>
Dietary regimens	<p>Treatments, food, food substitutes, vitamins, or exercise programs for reducing or controlling weight.</p>
Experimental/Investigational or Not Medically Necessary Treatment	<p>With the exception of routine care in connection with a clinical trial in cancer, pursuant to the Florida Clinical Trial Compact and the Patient Protection and Affordable Care Act</p>
Eye care	<ul style="list-style-type: none"> • Including the purchase, examination, or fitting of eyeglasses or contact lenses, except as specifically provided for in the covered benefits section; • Radial keratotomy, myopic keratomileusis, and any surgery which involves corneal tissue for the purpose of altering, modifying, or correcting myopia, hyperopia, or astigmatic error; and • Training or orthoptics, including eye exercises
Foot care (routine)	<p>Including any service or supply in connection with foot care in the absence of disease, injury or accident. This Exclusion includes, but is not limited to, treatment of bunions, flat feet, fallen arches, and chronic foot strain, removal of warts, corns, or calluses, or trimming of toenails, unless determined by the Plan to be Medically Necessary.</p>
Gender reassignment or modification services and supplies	
Genetic tests	<p>To determine paternity or sex of a child.</p>
Hearing aids	<p>External or implantable or the examination, including hearing tests, for the prescription or fitting of hearing aids, including tinnitus maskers.</p>

Human Growth Hormone	For diagnosis and/or treatment of idiopathic short stature.
Hypnotism	Medical hypnotherapy or hypnotic anesthesia.
Immunizations and physical examinations	When required for travel, or when needed for school, employment, insurance, or governmental licensing, except insofar as such immunizations and examinations are within the scope of, and coincide with, the periodic health assessment examination and/or state law requirements and/or the preventive care requirements of the Patient Protection and Affordable Care Act.
Fertility treatment and supplies	Including in-vitro fertilization, artificial insemination, ovum or embryo placement or transfer, gamete intrafallopian transfer, cryogenic, and/or other preservation techniques used in such and/or similar procedures, and any other service or supply used to achieve conception.
Marriage counseling	
Massage therapy	
Non-prescription drugs and supplies	Including any non-prescription medicine, remedy, biological product, pharmaceuticals or chemical compounds, vitamins, mineral supplements, fluoride products, health foods or blood pressure kits except as specifically provided for in the covered benefits section under prescription drugs.
Obesity and weight reduction treatment	Including surgical operations and medical procedures for the treatment of morbid obesity, such as intestinal or stomach by-pass surgery and a weight loss program required by the Health Plan Member's Primary Care Physician prior to surgery, unless determined by the Plan to be Medically Necessary.
Orthomolecular therapy	Including nutrients, vitamins, and food supplements.
Personal comfort, hygiene, or convenience items	Including but not limited to beauty and barber services, radio and television, guest meals and accommodations, telephone charges, take-home supplies, massages, travel expenses other than Medically Necessary ambulance services that are specifically provided for in the covered benefits section, motel/hotel or other housing accommodations (even if recommended or approved by a physician), air conditioners, humidifiers, dehumidifiers, air purifiers or filters, or physical fitness equipment. Also excluded are services not directly used to render treatment.
Pharmacy claims for services that have been submitted for payment to CVS Caremark more than 16 months after the date the prescription drugs or supplies were dispensed	

Recreational therapy	
Reversal of voluntary, surgically induced	Including the reversal of tubal ligations and vasectomies.
Sexual deviations, disorders or psychosexual dysfunctions services and supplies	
Sleep therapy	
Tobacco Cessation Programs and Products	Including any service or supply to eliminate or reduce a dependency on, or addiction to, tobacco including but not limited to nicotine withdrawal programs, vapor and e-cigarettes, nicotine gum, patches, lozenges, or inhalers, unless specifically provided by law.
Training and educational programs	Including programs primarily for pain management or vocational rehabilitation unless specifically provided by law.
Volunteer services	Or services which would normally be provided free of charge to a Health Plan Member.
Weight control/weight loss programs	
Work related condition services	To the extent the Health Plan Member is covered or required to be covered by a workers' compensation law. If the Health Plan Member enters into a settlement giving up rights to recover past or future medical benefits under a workers' compensation law, this Plan shall not cover past or future Medical Services that are the subject of or related to that settlement. In addition, if the Health Plan Member is covered by a workers' compensation program that limits benefits if other than specified health care providers are used and the Health Plan Member receives care or services from a health care provider not specified by the program, this Plan shall not cover the balance of any costs remaining after the program has paid.

Additional Exclusions include, but are not limited to:

- Bulk powders, bulk chemicals, and proprietary bases used in compounded medications and over the counter products used in compounded medications.
- Services or supplies not Medically Necessary as determined by the Plan and/or the Prescription Drug Plan clinical staff and the state.
- Services or supplies that are not specifically listed in the covered benefits section unless such services are specifically required by state or federal law.
- Court ordered care or treatment, unless otherwise covered by this Plan, including testing required as a condition of parole or probation;
- Testing for aptitude, ability, intelligence, or interest.

Treatment of a condition resulting from:

- War or an act of war, whether declared or not
- Participation in any act which would constitute a riot or rebellion, or commission of a crime punishable as a felony
- Engaging in an illegal occupation
- Services in the armed forces
- Services or supplies received prior to a Health Plan Member's effective date or received on or after the date a Health Plan Member's coverage terminates under this Plan, unless coverage is extended in accordance with extension of benefit provisions
- Services provided by a physician or other health care provider who normally resides in the Health Plan Member's home
- Services rendered from a medical or dental department maintained by or on behalf of a public health entity
- Non-medical conditions related to hyperkinetic syndromes, learning disabilities, intellectual disability, or inpatient confinement for environmental change
- Services or supplies supplied at no charge or determined by the Plan not to be the most cost-effective setting, procedure or treatment.
- The following services:
 - Social work
 - Bereavement and pastoral
 - Financial
 - Legal
 - Dietary counseling
 - Day care
 - Homemaker and chore
 - Funeral

- Agreements you or your covered dependent signs with a Network provider for special pricing or for expedited services may negate the Network provider's agreement with this Plan to accept Network contracted amounts and your cost share as payment in full resulting in additional out-of-pocket expenses for you.
- Services rendered by any provider that are outside the scope of such provider's license or certification.

VII. SPECIAL HMO PLAN FEATURES

PERSONAL HEALTH SUPPORT

What this section includes:

- An overview of the Personal Health Support program; and
- Covered Health Services which require Prior Authorization.

United Healthcare provides a program called Personal Health Support designed to encourage personalized, efficient care for you and your Health Plan Members. Personal Health Support Nurses center their efforts on prevention, education, and closing any gaps in your care. The goal of the program is to ensure you receive the most appropriate and cost-effective services available.

If you are living with a chronic condition or dealing with complex health care needs, United Healthcare may assign you a primary nurse, referred to as a Personal Health Support Nurse to guide you through your treatment. This assigned nurse will answer questions, explain options, identify your needs, and may refer you to specialized care programs. The Personal Health Support Nurse will provide you with their telephone number so you can call them with questions about your conditions, or your overall health and well-being.

Personal Health Support Nurses will provide a variety of different services to help you and your covered family members receive appropriate medical care. Program components are subject to change without notice. When the Claims Administrator is called as required, they will work with you to implement the Personal Health Support process and to provide you with information about additional services that are available to you, such as disease management programs, health education, and patient advocacy. As of the publication of this SPD, the Personal Health Support Nurse program includes:

Admission counseling - Personal Health Support Nurses are available to help you prepare for a successful surgical admission and recovery. Call the number on your ID card for support.

Inpatient care management - If you are hospitalized, a Personal Health Support nurse will work with your physician to make sure you are getting the care you need and that your physician's treatment plan is being carried out effectively.

Readmission Management - This program serves as a bridge between the Hospital and your home if you are at high risk of being readmitted. After leaving the Hospital, if you have a certain chronic or complex condition, you may receive a phone call from a Personal Health Support Nurse to confirm that medications, needed equipment, or follow-up services are in place. The Personal Health Support Nurse will also share important health care information, reiterate and reinforce discharge instructions, and support a safe transition home.

Risk Management - Designed for Health Plan Members with certain chronic or complex conditions, this program addresses such health care needs as access to medical specialists, medication information, and coordination of equipment and supplies. Health Plan Members may receive a phone call from a Personal Health Support Nurse to discuss and share important health care information related to the Health Plan Member's specific chronic or complex condition.

Cancer Management - You have the opportunity to engage with a nurse that specializes in cancer, education and guidance throughout your care path.

Kidney Management - You have the opportunity to engage with a nurse that specializes in kidney disease, education and guidance with CDK stage 4/5 or ESRD throughout your care path.

If you do not receive a call from a Personal Health Support Nurse but feel you could benefit from any of these programs, please call the toll-free number on your ID card.

Prior Authorization

UnitedHealthcare requires prior authorization for certain Covered Health Services. Physicians and other health care professionals who participate in a Network are responsible for obtaining prior authorization.

To obtain prior authorization simply call the toll-free number on your ID card.

Special Note Regarding Medicare

If you are enrolled in Medicare on a primary basis and Medicare pays benefits before the Plan, you are not required to notify Personal Health Support before receiving Covered Health Services. Since Medicare pays benefits first, the Plan will pay Benefits second as described in Section 10, *Coordination of Benefits (COB)*.

Clinical Programs and Resources

What this section includes:

- Health and well-being resources available to you, including:
- Consumer Solutions and Self-Service Tools;
- Disease Management Services;
- Health Management Virtual Behavioral Therapy and Coaching Programs;
- Complex Medical Conditions Programs and Services; and
- Woman's Health/Reproductive.

State of Florida believes in giving you the tools you need to be an educated health care consumer. To that end, State of Florida has made available several convenient educational and support services, accessible by phone and the Internet, which can help you to:

- take care of yourself and your family members;
- manage a chronic health condition; and
- navigate the complexities of the health care system.

NOTE:

Information obtained through the services identified in this section is based on current medical literature and on Physician review. It is not intended to replace the advice of a doctor. The information is intended to help you make better health care decisions and take a greater responsibility for your own health. United Healthcare and State of Florida are not responsible for the results of your decisions from the use of the information, including, but not limited to, you choosing to seek or not to seek professional medical care, or you choosing or not choosing specific treatment based on the text.

Consumer Solutions and Self-Service Tools

Health Survey

You are invited to learn more about your health and wellness at www.myuhc.com and are encouraged to participate in the online health survey. The health survey is an interactive questionnaire designed to help you identify your healthy habits as well as potential health risks. Your health survey is kept confidential. Completing the survey will not impact your Benefits or eligibility for Benefits in any way.

If you need any assistance with the online survey, please call the number on your ID card.

NurseLineSM

NurseLineSM is a toll-free (877-753-9501) telephone service that puts you in immediate contact with an experienced registered nurse any time, 24 hours a day, seven days a week. Nurses can provide health information for routine or urgent health concerns. When you call, a registered nurse may refer you to any additional resources that State of Florida has available to help you improve your health and well-being or manage a chronic condition. Call any time when you want to learn more about:

- a recent diagnosis;
- a minor Sickness or Injury;
- men's, women's, and children's wellness;
- how to take prescription drugs safely;
- self-care tips and treatment options;
- healthy living habits; or
- any other health related topic.

NurseLineSM gives you another convenient way to access health information. By calling the same toll-free number, you can listen to one of the Health Information Library's over 1,100 recorded messages, with over half in Spanish.

NurseLineSM is available to you at no cost. To use this convenient service, simply call the toll-free number on the back of your ID card.

Note: If you have a medical emergency, call 911 instead of calling NurseLineSM.

Your child is running a fever and it's 1:00 AM. What do you do?

Call NurseLineSM toll-free, any time, 24 hours a day, seven days a week. You can count on NurseLineSM to help answer your health questions.

With NurseLineSM, you also have access to nurses online. To use this service, log onto www.myuhc.com and click "Live Nurse Chat" in the top menu bar. You'll instantly be connected with a registered nurse who can answer your general health questions any time, 24 hours a day, seven days a week. You can also request a transcript of the conversation to use as a reference.

Note: If you have a medical emergency, call 911 instead of logging on to www.myuhc.com.

Reminder Programs

To help you stay healthy, UnitedHealthcare may send you and your covered Dependents reminders to schedule recommended screening exams. Examples of reminders include:

- Mammograms for women.
- Pediatric and adolescent immunizations.
- Cervical cancer screenings for women.
- Comprehensive screenings for individuals with diabetes.
- Influenza/pneumonia immunizations for enrollees.

There is no need to enroll in this program. You will receive a reminder automatically if you have not had a recommended screening exam.

Decision Support

In order to help you make informed decisions about your health care, United Healthcare has a program called Treatment Decision Support. This program targets specific conditions as well as the treatments and procedures for those conditions.

This program offers:

- access to health care information;
- support by a nurse to help you make more informed decisions in your treatment and care;
- expectations of treatment; and
- information on providers and programs.
- Conditions for which this program is available include:

- back pain;
- knee and hip replacement;
- prostate disease;
- prostate cancer;
- benign uterine conditions;
- breast cancer;
- coronary disease and
- bariatric surgery.

Participation is completely voluntary and without extra charge. If you think you may be eligible to participate or would like additional information regarding the program, please contact the number on the back of your ID card.

UnitedHealth PremiumSM Designation Program

To help people make more informed choices about their health care, the UnitedHealth Premium[®] designation program recognizes Network Physicians who meet criteria for quality and cost efficiency. UnitedHealthcare uses national standardized measures to evaluate quality. The cost efficiency criteria rely on local market benchmarks for the efficient use of resources in providing care.

For details on the UnitedHealth Premium[®] designation program including how to locate a Premium Care Physician, log onto www.myuhc.com or call the number on your ID card.

www.myuhc.com

UnitedHealthcare's member website, www.myuhc.com, provides information at your fingertips anywhere and anytime you have access to the Internet. www.myuhc.com opens the door to a wealth of health information and self-service tools.

With **www.myuhc.com** you can:

- Research a health condition and treatment options to get ready for a discussion with your Physician.
- Search for Network providers available in your Plan through the online provider directory.
- Complete a health survey to help you identify health habits you may improve, learn about healthy lifestyle techniques and access health improvement resources.
- Use the treatment cost estimator to obtain an estimate of the costs of various procedures in your area.
- Use the Hospital comparison tool to compare Hospitals in your area on various patient safety and quality measures.

Registering on www.myuhc.com

If you have not already registered on www.myuhc.com, simply go to www.myuhc.com and click on "Register Now." Have your ID card handy. The enrollment process is quick and easy.

Visit www.myuhc.com and:

- Make real-time inquiries into the status and history of your claims.
- View eligibility and Plan Benefit information, including Copays and Annual Deductibles.
- View and print all of your Explanation of Benefits (EOBs) online.
- Order a new or replacement ID card or print a temporary ID card.

Want to learn more about a condition or treatment?

Log on to www.myuhc.com and research health topics that are of interest to you. Learn about a specific condition, what the symptoms are, how it is diagnosed, how common it is, and what to ask your Physician.

Disease Management Services

If you have been diagnosed with or are at risk for developing certain chronic medical conditions you may be eligible to participate in a disease management program at no cost to you. The heart failure, coronary artery disease, diabetes, asthma and Chronic Obstructive Pulmonary Disease (COPD) programs are designed to support you. This means that you will receive free educational information, and may even be called by a registered nurse who is a specialist in your specific medical condition. This nurse will be a resource to advise and help you manage your condition.

These programs offer:

- educational materials that provide guidance on managing your specific chronic medical condition. This may include information on symptoms, warning signs, self-management techniques, recommended exams and medications;
- access to educational and self-management resources on a consumer website;
- an opportunity for the disease management nurse to work with your physician to ensure that you are receiving the appropriate care; and
- access to and one-on-one support from a registered nurse who specializes in your condition.

Examples of support topics include:

- education about the specific disease and condition,
- medication management and compliance,
- reinforcement of on-line behavior modification program goals,
- preparation and support for upcoming Physician visits,
- review of psychosocial services and community resources,
- caregiver status and in-home safety,
- use of mail-order pharmacy and Network providers.

Participation is completely voluntary and without extra charge. If you think you may be eligible to participate or would like additional information regarding the program, please contact the number on your ID card.

Health Management Virtual Behavioral Therapy and Coaching Programs

The Virtual Behavioral Therapy and Coaching program identifies Covered Persons with chronic medical conditions that frequently co-occur with mental health challenges, and provides support through virtual sessions for depression, anxiety and stress that often accompany chronic medical health issues like diabetes, cancer or cardiac conditions. This means that you may be called by a licensed clinical social worker or coach. You may also call the program and speak with a licensed clinical social worker or coach.

This Plan includes access to an online portal available specifically for Covered Persons enrolled in the program for monitoring your progress toward meeting all the participation criteria.

You're encouraged to visit the site frequently to keep abreast of the activities you should be completing and ensure that your information is up-to-date. The site also includes links to other helpful tools and resources for Behavioral Health.

The program is provided through AbleTo, Inc. Participation is completely voluntary and without extra charge. If you think you may be eligible to participate or would like additional information regarding the program, please contact the number on your ID card.

Complex Medical Conditions Programs and Services

Bariatric Resource Services (BRS)

Your Plan offers Bariatric Resource Services (BRS) program. The BRS program provides you with:

- Specialized clinical consulting services to members and enrolled dependents to educate on obesity treatment options.
- Access to specialized Network facilities and Physicians for obesity surgery services.
- You can access the Bariatric Resource Services program by calling the number on your ID card.

Cancer Resource Services (CRS) Program

Your Plan offers Cancer Resource Services (CRS) program to provide you with access to information and member assistance through a team of specialized cancer nurse consultants and access to one of the nation's leading cancer programs.

To learn more about *CRS*, visit www.myoptumhealthcomplexmedical.com or call the number on your ID card or call the program directly at 1-866-936-6002.

Coverage for oncology services and oncology-related services are based on your health plan's terms, exclusions, limitations and conditions, including the plan's eligibility requirements and coverage guidelines. Participation in this program is voluntary.

Cancer Support Program

UnitedHealthcare provides a program that identifies and supports a Covered Person who has cancer. You have the opportunity to engage with a nurse that specializes in cancer, education and guidance throughout your care path. You may also call the program and speak with a nurse whenever you need to. This nurse will be a resource and advocate to help you manage your condition. This program will work with you and your Physicians, as appropriate, to offer support and education on cancer, and self-care strategies and treatment options.

Participation is completely voluntary and without extra charge. If you think you may be eligible to participate or would like additional information regarding the program, please call the number on your ID card or call the program directly at 1-866 936-6002.

Congenital Heart Disease (CHD) Resource Services

UnitedHealthcare provides a program that identifies and supports a Covered Person who has Congenital Heart Disease (CHD) through all stages of treatment and recovery. This program will work with you and your Physicians, as appropriate, to offer support and education on CHD. Program features include clinical management by specialized CHD Nurses, support from specialized Social Workers, assistance with choosing Physicians and Facilities, and access to Designated Providers.

To learn more about CHD Resource Services program, visit www.myoptumhealthcomplexmedical.com or call UnitedHealthcare at the number on your ID card or you can call the CHD Resource Services Nurse Team at 888-936-7246.

Coverage for CHD surgeries and related services are based on your health plan's terms, exclusions, limitations, and conditions, including the plan's eligibility requirements and coverage guidelines. Participation in this program is voluntary. If you are considering any CHD surgeries you must contact CHD Resource Services prior to surgery to enroll in the program in order for the surgery to be considered a Covered Health Service under the Plan.

Kidney Resource Services (KRS) program

The Kidney Resource Services program provides Covered Persons with access to a registered nurse advocate who specializes in helping individuals live with kidney disease. As a participant in the KRS program, you'll work with a nurse who will provide you with support and information. The nurse can help you manage other conditions, such as diabetes and high blood pressure. He or she can also help you find doctors, specialists and dialysis centers. This program is available at no extra cost to you.

With KRS, you have access to a registered nurse who specializes in kidney health. This program is designed to help you be your own best advocate for your health. You may have been referred to the KRS program by your medical provider or from past claim information. As part of your health insurance benefits, it's available at no extra cost to you.

KRS nurse advocates are available, Monday through Friday toll-free at 1-866-561-7518 (TTY: 711).

Coverage for dialysis and kidney-related services are based on your health plan's terms, exclusions, limitations, and conditions, including the plan's eligibility requirements and coverage guidelines. Participation in this program is voluntary.

Transplant Resource Services (TRS) Program

Your Plan offers Transplant Resource Services (TRS) program to provide you with access to one of the nation's leading transplant programs. Receiving transplant services through this program means your transplant treatment is based on a "best practices" approach from health care professionals with extensive expertise in transplantation.

To learn more about Transplant Resource Services, visit www.myoptumhealthcomplexmedical.com or call the number on your ID card.

Coverage for transplant and transplant-related services are based on your health plan's terms, exclusions, limitations, and conditions, including the plan's eligibility requirements and coverage guidelines. Participation in this program is voluntary.

Travel and Lodging Assistance Program

Your Plan Sponsor may provide you with Travel and Lodging assistance. Travel and Lodging assistance is only available for you or your eligible family member if you meet the qualifications for the benefit, including receiving care at a Designated Provider and the distance from your home address to the facility. Eligible Expenses are reimbursed after the expense forms have been completed and submitted with the appropriate receipts.

If you have specific questions regarding the Travel and Lodging Assistance Program, please call the Travel and Lodging office at [1-800-842-0843].

Travel and Lodging Expenses

The Plan covers expenses for travel and lodging for the patient, provided he or she is not covered by Medicare, and a companion as follows:

- Transportation of the patient and one companion who is traveling on the same day(s) to and/or from the site of the qualified procedure provided by a Designated Provider for the purposes of an evaluation, the procedure or necessary post-discharge follow-up.
- The Eligible Expenses for lodging for the patient (while not a Hospital inpatient) and one companion.
- If the patient is an enrolled Dependent minor child, the transportation expenses of two companions will be covered.
- Travel and lodging expenses are only available if the patient resides more than 50 miles from the Designated Provider.
- Reimbursement for certain lodging expenses for the patient and his/her companion(s) may be included in the taxable income of the Plan participant if the reimbursement exceeds the per diem rate.
- The transplant program offers an overall lifetime maximum of \$10,000 per Covered Person for all transportation and lodging expenses incurred by you and reimbursed under the Plan in connection with all qualified procedures.

The Claims Administrator must receive valid receipts for such charges before you will be reimbursed. Reimbursement is as follows:

Lodging

- A per diem rate, up to \$50.00 per day, for the patient or the caregiver if the patient is in the Hospital.
- A per diem, up to \$100.00 per day, for the patient and one caregiver. When a child is the patient, two persons may accompany the child.

Examples of items that are not covered:

- Groceries.
- Alcoholic beverages.
- Personal or cleaning supplies.
- Meals.
- Over-the-counter dressings or medical supplies.
- Deposits.
- Utilities and furniture rental, when billed separate from the rent payment.
- Phone calls, newspapers, or movie rentals.

Transportation

- Automobile mileage (reimbursed at the IRS medical rate) for the most direct route between the patient's home and the Designated Provider.
- Taxi fares (not including limos or car services).
- Economy or coach airfare.
- Parking.
- Trains.
- Boat.

- Bus.
- Tolls.

Women's Health/Reproductive

Maternity Support Program

If you are pregnant or thinking about becoming pregnant, and you are enrolled in the medical Plan, you can get valuable educational information, advice and comprehensive case management by calling the number on your ID card. Your enrollment in the program will be handled by an OB nurse who is assigned to you.

This program offers:

- Enrollment by an OB nurse.
- Pre-conception health coaching.
- Written and online educational resources covering a wide range of topics.
- First and second trimester risk screenings.
- Identification and management of at- or high-risk conditions that may impact pregnancy.
- Pre-delivery consultation.
- Coordination with and referrals to other benefits and programs available under the medical plan.
- A phone call from a nurse approximately two weeks postpartum to provide information on postpartum and newborn care, feeding, nutrition, immunizations and more.
- Post-partum depression screening.

Participation is completely voluntary and without extra charge. To take full advantage of the program, you are encouraged to enroll within the first trimester of Pregnancy. You can enroll any time, up to your 34th week. To enroll, call the number on your ID card.

As a program participant, you can always call your nurse with any questions or concerns you might have.

Neonatal Resource Services (NRS)

NRS is a program administered by the Claims Administrator or its affiliates made available to you by the Plan Sponsor. NRS provides a dedicated team of experienced Neonatologists, Neonatal Intensive Care Unit (NICU) nurse case managers and social workers who can provide support and assistance to you and your family during your infant's admission to the NICU. The case manager will also provide discharge planning assistance and ongoing support post-discharge based on your infant's needs.

To take part in the NRS program you or a covered Dependent can call the Claims Administrator at the telephone number on your ID card or call NRS directly at 1-866-534-7209.

VIII. PRESCRIPTION DRUG PROGRAM

How the Program Works

You automatically participate in the State Employees' Prescription Drug Plan. The Plan features a select Network of participating 30-day retail pharmacies, 90-day retail pharmacies, and mail service pharmacies. Below is an overview describing when and which feature to use.

Medication Synchronization at Retail Pharmacies after new section heading insert, "Medication Synchronization (Med Sync) allows you to save time and reduce the number of trips to your retail pharmacy by requesting that your retail pharmacist "synchronize" all your medication refills so you can pick them all up on the same day. Med Sync is optional and only allowed once per calendar year at a network pharmacy. A controlled substance, a prescription drug dispensed in an unbreakable package, or a multidose unit of a prescription drug are not eligible for synchronization. When synchronizing or aligning your refills some prescriptions will be for a shorter day supply. When this happens your copay or coinsurance will be prorated to the shortened-day supply that is dispensed. For example: assume by synchronizing your prescription you will only be picking up an eight-day supply of what would normally be a 30-day supply. If your cost is \$7.00 for this 30-day supply the cost per day is \$0.23 ($\$7 \div 30 = .23$), but since you are only getting an eight-day supply you will pay \$1.87 ($\0.23×8). Important Note: Any short or sync prescription fill that would have normally been filled for a 30-day supply will count as one of the three fills of maintenance medications allowed at a retail pharmacy before being required to use mail order or a 90-day participating retail pharmacy.

Participating Retail pharmacies: 30-Day Supply

Use for short-term medications, or medications that you need immediately, like antibiotics for a sick child, up to a 30-day supply at one time. Maintenance medications may also be filled through a 30-day participating retail pharmacy.

Mail order program and Participating Retail Pharmacies: 90-Day Supply

Use for maintenance or long-term medications you take regularly, like high blood pressure medication, up to a 90-day supply at one time, as long as the prescription is written to allow dispensing of a 90-day supply. Maintenance medications may be filled through the mail order program or by a participating 90-Day Maintenance Retail pharmacy.

Purchasing Prescriptions at 30-day Retail Pharmacies

When your doctor prescribes a medication, you may fill the prescription at any participating pharmacy. Call (888) 766-5490 or go to Caremark.com/sofrxplan to locate a participating pharmacy.

Take your prescription and present your prescription drug program identification card to the pharmacist. You pay a Copayment (Coinsurance for HDHP Option) for up to a 30-day supply of each covered prescription (90-days maintenance at participating retailers). There is no paperwork when you use your prescription drug card at a participating pharmacy; the Claims are submitted electronically.

What if you Request a Brand Name at a Participating Pharmacy

If your prescription is filled with a generic drug, you pay only the applicable Copayment or Coinsurance. If a generic equivalent is not available, or if your doctor writes on the prescription "dispense as written" or "brand name Medically Necessary," you pay the applicable Copayment or Coinsurance for the brand name drug.

However, if you request a brand name instead of an available generic equivalent, you will pay the lesser of:

1. The brand name drug Copayment or Coinsurance, *plus* the difference between the Plan's cost for the brand name drug and the Plan's cost for the generic drug; or
2. The actual retail price of the brand name drug.

An Example - Using a Participating 30-Day Retail Pharmacy on the Standard HMO Option:

At participating Network pharmacies, the Plan's cost for a drug is less than the full retail price. Assume you request a preferred brand name drug that costs the Plan \$50 instead of the available generic substitute that costs the Plan \$25. In this case, you pay:

Plan's cost difference between preferred brand name and generic	-	Brand (\$50)
		Generic (\$25)
	=	Total Difference (\$25)
Preferred Brand Name Copayment	+	Brand Name Copay (\$30)
Your Cost	=	Your Cost (\$55)

If you request the brand name drug when a generic equivalent is available, you will pay the lesser of: the brand name drug Copayment plus 100 percent of the difference between the Plan's cost for the generic drug and the Plan's cost for the brand name drug or the actual retail price of the brand drug. If the prescribing physician or other Participating Provider authorized to prescribe drugs within the scope of his or her license indicates on the prescription "brand name Medically Necessary" or "dispense as written" for a brand name drug for which there is a generic equivalent, you will only pay the applicable Copayment for the brand name drug.

What are Generics?

Generic drugs are similar to brand name drugs but can save you money. Here are some important facts about generic drugs:

- Generic equivalent drugs have the same active ingredients as the brand name, but they are less expensive because the brand name manufacturer makes the initial investment for product research and development.
- The U.S. Food and Drug Administration reviews generic products regularly to make sure they are safe and effective.

Ask your doctor if a generic can be substituted for its brand name equivalent

Using the Mail Order Pharmacy or a Participating 90-Day Retail Pharmacy

If you are taking a maintenance medication, you may use mail order or a participating 90-day retail pharmacy.

To get a up to a 90-day supply by mail order or at a 90-day participating retail pharmacy, you:

For mail order:

- Request and complete a mail order form available from CVS Caremark at (888) 766-5490 or www.Caremark.com/sofrxplan or order online at www.Caremark.com (log in required).
- Ask your doctor to call in your prescription to CVS Caremark at (888) 766-5490 or call CVS Caremark to get instructions on how to fax your prescription directly to CVS Caremark.
- Be sure to have at least a 14-day supply on hand when ordering.
- Your medication will arrive usually within ten days after receipt by Caremark.
- The Copayment or Coinsurance will be based on the date the prescription is filled, not on the date the prescription is received by CVS Caremark.

For participating 90-day retail pharmacy:

- Call CVS Caremark at (888) 766-5490 or go to www.Caremark.com/sofrxplan to find a participating 90- day retail pharmacy.
- Take your prescription written for up to a 90-day supply to a participating 90-day maintenance at retail pharmacy.

Automatic Refill and Renewal Options at Automatic Refill and Renewal Options at Mail Order

If you are taking long-term or maintenance medications, automatic refills offer easy and convenient refill and/or renew options through mail order for many, but not all, medications.

If you sign up for this program (and have refills remaining) CVS Caremark will automatically fill and mail your medications at the appropriate refill time saving you time from ordering online or by phone. Also, CVS Caremark will contact your physician and request a new prescription automatically after your last available refill and alert you in advance.

For additional information on this program or to sign up please go to www.Caremark.com or call (888) 766-5490.

Standard HMO Option

The Copayments are:

Retail 30-Day	<ul style="list-style-type: none"> ○ \$7 for a generic drug ○ \$30 for a preferred brand name drug ○ \$50 for a non-preferred brand name drug
Mail Order and Retail 90-Day	<ul style="list-style-type: none"> ○ \$14 for a generic drug ○ \$60 for a preferred brand name drug ○ \$100 for a non-preferred brand name drug <p>The Copayment <i>plus</i> the difference in the Plan's cost between the brand name and the generic if a generic is available and you, rather than your doctor, request the brand name drug.</p>

High Deductible Option

The Coinsurance amounts are:

Retail 30-Day, Mail Order, and Retail 90-Day	<ul style="list-style-type: none"> ○ 30% for a generic drug ○ 30% for a preferred brand name drug ○ 50% for a non-preferred brand name drug
Subject to the Calendar Year Deductible	<p>The calendar year Deductible and/or Coinsurance <i>plus</i> the difference in the Plan's cost between the brand name and the generic if a generic is available and you, rather than your doctor, request the brand name drug.</p>

How You Save With Mail Order or at a Participating 90-Day Retail Pharmacy

If you use a drug regularly, you will save on Copayments (Coinsurance for HDHP Option) through mail order and at participating 90-day retail pharmacies. For instance, if your drug is a preferred brand name, here is the resulting impact to you on the Standard HMO Option:

Mail Order/90-Day Retail	Participating 30-Day Retail Pharmacy
...up to a 90-day maximum supply	...up to a 30-day maximum supply
\$60 Copayment	\$30 Copayment
You pay \$60 for 90 days and order/pick up once	You pay \$90 for 90 days and make three trips to the pharmacy

If you mail a prescription written for a 30-day supply to the mail order pharmacy, your prescription will be filled with a 30-day supply and you will pay the appropriate mail order Copayment for either a generic, preferred brand or non-preferred brand medication. Ask your physician for a prescription written for a 90-day supply to send to the mail order pharmacy.

Covered by the Prescription Drug Program

Covered drugs include:

1. Federal legend drugs
2. State restricted drugs
3. Compound medications when all the following criteria are satisfied:
 - a. All active ingredients are federal legend drugs
 - b. The compounded medication is not used in place of a commercially available federal legend drug in the same strength and formulation unless Medically Necessary
 - c. The compounded medication is specifically produced for use by a Health Plan Member to treat a covered condition
 - d. The compounded medication including all sterile compounded products is made in compliance with Chapter 465, Florida Statutes.

Additionally:

- a. Over-the counter (OTC) products and bulk powders, bulk chemicals, and proprietary bases used in the compounded products are not covered; and
 - b. Reconstitution of oral powders is not considered compounding. The compounding pharmacist must bill the NDC of the product used in the quantity of final reconstituted volume.
4. Tobacco cessation medications, including prescription and over-the-counter medications, when prescribed by a health care provider and that have a current rating of A or B by the United States Preventive Services Task Force, are covered.
 5. Insulin and other covered injectable medications
 6. Needles and syringes for insulin and other covered injectable drugs
 7. FDA-approved glucose strips, tablets, and lancets
 8. Zoster vaccine (administration of this vaccine is not covered under the Prescription Drug Program).

An injectable medication is one that has been approved by the U.S. Food and Drug Administration for administration by one or more of the following routes: intramuscular injection, intravenous injection, intravenous infusion, subcutaneous injection, intrathecal injection, intra-articular injection, intra cavernous injection or intraocular injection. Clinical/utilization review is required for injectable medications.

Some medications require coverage review and/or clinical/utilization review before your prescription can be filled and some medications may be subject to quantity limits. Your pharmacist will let you know if your prescription requires coverage review, clinical/utilization review and/or is subject to quantity limits. CVS Caremark will work with your physician to determine whether it is Medically Necessary. Approval or denial of coverage will be determined within 72 hours after contacting your physician and receiving all required information and/or documentation. Various drug classifications require coverage review, clinical/utilization review, and/or are subject to quantity limits; for example, drugs for the diagnosis of erectile dysfunction require coverage review, clinical/utilization review, and are limited to eight doses per month.

Most clinical/utilization review determinations are valid for a one-year period and must be renewed after expiration; however, clinical/utilization review determinations may be as brief as one month.

Covered by the Plan through United Healthcare

The following drugs are not covered by the Prescription Drug Program, but will be covered by the Plan through United Healthcare:

1. Any drug, medicine, medication, or immunization that is consumed, administered or provided at the place where the prescription is given (medical provider's office or health care facility)
2. Any drug, medicine or medication that is dispensed or administered by a physician or other Participating Provider (other than a pharmacy) including, but not limited to, outpatient facilities
3. Any prescriptions to be taken by or administered to the Health Plan Member, in whole or in part, while a patient in a Hospital, skilled nursing facility, convalescent Hospital, inpatient Hospice facility, or other facility where drugs are ordinarily provided by the facility on an inpatient basis

Not Covered by the Prescription Drug Program

The following drugs are not covered under the Program under any circumstances:

1. Retin-A for cosmetic purposes
2. Anti-obesity drugs and amphetamines and/or anorexians for weight loss
3. Infertility and fertility drugs
4. Devices or appliances
5. Non-federal legend drugs, Over the Counter (OTC) products, and bulk powders, bulk chemicals, and proprietary bases used in compounded medications
6. Drugs labeled "Caution-Limited by Federal Law to Investigational Use" or Experimental drugs
7. Non-prescription drugs, aids and supplies to deter smoking (i.e., gums, patches, lozenges) unless prescribed by a health care provider and have a current rating of A or B by the United States Preventive Services Task Force
8. Immunizing agents such as flu vaccine (except Zoster vaccine used for shingles)
9. Medication that is covered by Workers' Compensation or Occupational Disease Laws or by any state or governmental agency

10. Medication furnished by any drug or medical service for which no charge is made
11. Viagra and other drugs prescribed solely for psychosexual disorders; Viagra and similar drugs prescribed for males under the age of 18 years; Viagra and similar drugs prescribed for females;
12. Enteral formulas that are food products used to treat inherited diseases of amino acid; and organic acids shall only be covered up to age 25
13. Growth hormones for the diagnosis of idiopathic short stature syndrome
14. Overlapping therapies, even if used for different conditions, within the same drug classifications, e.g., an erectile dysfunction drug for the treatment of benign prostate hyperplasia (BPH) and an erectile dysfunction drug for treatment of erectile dysfunction, as both are in the same drug classification of erectile dysfunction drugs
15. Prescriptions filled at a non-participating pharmacy, except for prescriptions required during emergency care which visit is subject to approval by United Healthcare
16. Products packaged or bundled for convenience that contain OTC products and that are otherwise available as single entity products (e.g. Noxipak, Dermacinrx, etc.)

The Plan's general Limitations and Exclusions apply to the prescription drug program. See "Limitations and Exclusions" section within this document.

Important Information about the Prescription Drug Program

1. The Preferred Drug List (PDL) is updated and subject to change on a quarterly basis. Contractually, CVS Caremark has full authority over the development of the PDL; therefore, DSGI cannot require that specific drugs be included.
2. Generic substitution: Prescriptions written for brand name drugs that have a generic equivalent will be automatically substituted unless the prescribing physician writes "dispense as written" or "DAW" on the prescription. Generally, even if the prescription includes "DAW," CVS Caremark will still contact the physician to ask if the generic equivalent may be substituted.
3. Only the prescribing physician or an authorized agent of the physician can authorize changes to or provide clarifications to a prescription. Authorizations may be obtained verbally or in writing. If CVS Caremark is unable to contact the physician or an authorized agent of the physician, the prescription may be returned unfilled to the member.
4. CVS Caremark mail order facilities will only substitute with generic drugs that have received an "A" or "AB" rating by the Federal Drug Administration (FDA). Retail pharmacies may choose to dispense drugs with a different FDA rating.
5. Certain medications, including most biotech and/or specialty Drugs, are only available through CVS Caremark Specialty Pharmacy. Generally, these drugs are for chronic or genetic disorders including, but not limited to, multiple sclerosis, growth hormone deficiency and rheumatoid arthritis, and may require special delivery options, such as temperature control. Your prescribing physician may contact CVS Caremark Specialty Pharmacy at (800) 237-2767. You can choose how to get your medication: have it delivered to an address of your choice such as your home or your physician's office; or you may pick it up at your local CVS retail pharmacy, including those located inside Target stores.

6. CVS Caremark may contact the prescribing physician when a prescription for a non-preferred brand name drug is submitted, and a therapeutically equivalent preferred drug is available. If the physician or an authorized agent of the physician authorizes a change to the preferred drug, CVS Caremark will dispense the alternative drug and provide written notification of the change to the member.
7. CVS Caremark will contact the prescribing physician if the prescribed dosage differs from the dosage recommended by the FDA or the manufacturer's guidelines. Dosage is the number of units, the strength of such units, and the length of time to take the medicine. If the physician or an authorized agent of the physician authorizes a change to the dosage, CVS Caremark will change the dosage amount, dispense the new dosage, and provide written notification of the change to the member.
8. During the prescription review process, your mail order and retail pharmacy prescription history, age, self-reported allergies, and self-reported disease states are reviewed along with the FDA drug interactions and manufacturer's guidelines to determine if there are any interactions, side effects, and/or contraindications. CVS Caremark will contact the prescribing physician if any questions, conflicts, or issues are identified. CVS Caremark may contact the prescribing physician if any indication of fraud or excessive usage is identified. If the physician or an authorized agent of the physician authorizes any changes, CVS Caremark will change the prescription, accordingly, dispense the drug accordingly, and provide written notification of the change to the member.
9. For mail order, CVS Caremark will contact the prescribing physician to verify the prescription if the prescription is illegible, written in different pen and/or penmanship, or altered in any way. If CVS Caremark cannot reach the physician or an authorized agent of the physician, the prescription will be returned to the member unfilled.
10. Prescriptions for treatment of conditions for unapproved indications or "off-label" use will not be filled if not proven safe and effective for the treatment of the condition based on the recently published medical literature of the United States, Canada or Great Britain, using generally accepted scientific, medical or public health methodologies or statistical practices.
11. Seventy-five percent of the previous prescription or fill must be utilized, if used as prescribed, before a request for a refill is processed.
12. Requests for mail order refills that are received within 90 days of the "too soon to fill" date (based on the previous paragraph) will be held and filled when eligible to be filled. You may check your medication label for the next available refill date, or if the prescription was filled through mail order, you may log onto www.Caremark.com for the next available mail order refill date.
13. CVS Caremark Specialty administers the Specialty Management Program for this Plan. This program is intended to optimize outcomes and promote the safe, clinically appropriate, and cost-effective use of specialty medications supported by evidence based medical guidelines. Failure to meet the criteria for this program during the coverage review will result in denial of medication coverage for the Health Plan Member and discontinuation of medication coverage for the Health Plan Member.

Specialty Prescription Drugs

The Specialty Management Program is a process by which authorization for a specialty medication is obtained based on the application of currently acceptable medical guidelines and consensus statements for the appropriate use of the medication in a specific disease state. Therapies reviewed under this Program include, but are not limited to, the following: multiple sclerosis, oncology, allergic asthma, human growth hormone deficiency, hepatitis C, psoriasis, rheumatoid arthritis, and respiratory syncytial virus. Additional therapies may be added at any time. For additional information on specialty medications or to see if your medication is in this category call CVS Caremark Customer Care toll-free at (888) 766-5490.

Clinical/Utilization Review – Specialty Prescription Drugs

Specialty Drugs are high-cost injectable, infused, oral, or inhaled drugs that are used to treat certain chronic or complex disease states. Specialty Drugs may include genetically engineered drugs (sometimes called Biotech drugs) that are used to treat rare or chronic Conditions, including but not limited to rheumatoid arthritis, hepatitis C, multiple sclerosis, growth hormone deficiency and cancer. These therapies often require customized management and frequent monitoring as well as having unique handling, distribution and administration requirements.

The majority of all Specialty medications are delivered through CVS Caremark Specialty Pharmacy. Your prescribing Physician must contact CVS Caremark in advance at www.cvsspecialty.com or www.covermymeds.com or call (800) 237-2767 to verify coverage and to receive authorization for the specialty medication. You may choose how to get your medication: have it delivered to an address of your choice, such as your home or your physician's office; or you may pick it up at your local CVS retail pharmacy, including those located inside Target stores.

Specialty Drugs are subject to the clinical review under the Specialty Guideline Management Program that provides specific treatment guidelines for specialty medications covered under this Plan. Through this Program, CVS Caremark will work with your Physician to ensure that the most appropriate drug treatment is being prescribed and utilized including but not limited to diagnosis review in accordance with the most recent evidenced-based medical guideline, U.S. Food and Drug Administration, lab results, safety requirements, and day supply quantity limits.

If clinical/utilization review results in the denial of a Specialty Drug in accordance with the treatment guidelines of the Specialty Guideline Management Program, and you elect to receive the Specialty Drug anyway, you will be responsible for the total cost of the Specialty Drug.

If clinical/utilization review is not requested and approval received, you may be responsible for the total cost of the Specialty Drug if the drug is ultimately considered not Medically Necessary or is not in compliance with treatment guidelines under the Specialty Guideline Management Program.

IMPORTANT NOTE

Some specialty medications may qualify for third-party copayment assistance programs, including manufacturer copay coupons, that when used will lower your out-of-pocket costs for the specialty medication. If you use any such third-party copayment assistance for your specialty medication, you will not receive credit toward your annual deductible, annual coinsurance maximum out-of-pocket, or annual global in-network maximum out-of-pocket for any copayment or coinsurance amount(s) that are applied to a manufacturer coupon or rebate

IX. HOW TO FILE A CLAIM

Medical Claims

Participating Providers

When you use a Participating Provider, you do not need to file a Claim. The Claim will be submitted electronically. You will be responsible for your Copayment or Coinsurance, subject to the calendar year Deductible (HDHP Option).

Non-Participating Providers

If you use a Non-participating Provider, you will be responsible for filing your own Claim. You must file the Claim within 12 months of the date of service. Benefits will be paid directly to you. See page one for contact information.

Denial of Claims

If a Claim is denied, in whole or in part, United Healthcare will send you a written notice indicating the specific reason(s) for the denial within 30 days of receiving your clean Claim. A clean Claim is a Claim that provides all information requested regarding the services provided. The notice will include any additional information needed to appeal the denial.

A Claimant may appeal an Adverse Benefit Determination within 180 days of receiving notification of the Adverse Benefit Determination in accordance with Section XIII, Grievance and Appeals Procedures. A Claimant is a Health Plan Member or authorized representative acting on his behalf, subject to the Plan's determination. Call the customer service number on the back of your member ID card (call CVS Caremark for denied prescriptions) to obtain and complete specific documentation, such as Appointment of Representative form, if you want to authorize someone to appeal a Claim on your behalf.

Send appeal to:	United Healthcare – Appeals P.O. Box 740816 Atlanta, GA 30374-0816 (877) 614-0581
------------------------	--

Prescription Drug Claims

Participating Pharmacies

When you use a participating pharmacy, you do not need to file a Claim. The Claim will be submitted electronically. You will be responsible for your Copayment or Coinsurance, subject to the calendar year Deductible (HDHP Option).

Non-Participating Pharmacies—Emergency Only

If you use a non-participating pharmacy in an emergency situation, you will be responsible for filing your own Claim. You must file the Claim within 16 months of the day you fill your prescription. Benefits will be paid directly to you. You can get prescription Claim forms from www.Caremark.com or call (888) 766-5490.

To submit the Claim:

Complete all the information on the Claim form, as indicated.

Attach original bills to the Claim form and make sure the bills include the patient's name, date, pharmacy name, prescription name, quantity dispensed, dosage dispensed and billed price of medication.

Send drug Claim to:	CVS Caremark P.O. Box 52010 MC003 Phoenix, AZ 85072-2010
----------------------------	--

Denial of Claims

If a Claim is denied, in whole or in part, CVS Caremark will send you a written notice indicating the specific reason(s) for the denial within 30 days of receiving your clean Claim. A clean Claim is a Claim that provides all information requested regarding the services provided. The notice will include any additional information needed to appeal the denial.

A Claimant may appeal an Adverse Benefit Determination within 180 days of receiving notification of the Adverse Benefit Determination in accordance with Section XIII, Grievance and Appeals Procedures.

X. COORDINATION OF BENEFITS

If you, your spouse, or your dependents are covered by this Plan and any other group medical insurance plan, no-fault automobile insurance, Health Maintenance Organization or Medicare, benefits from this Plan will coordinate with any other benefits you receive. When benefits are coordinated, the total benefits payable from both plans will not be more than 100% of the total reasonable expenses. Note: Drugs and supplies covered under the Prescription Drug Program will only be coordinated if you have Medicare as your primary insurance plan. The Prescription Drug Program does not coordinate benefits with any other insurance plans.

The term "group medical insurance plan" means a plan provided under a master policy issued to:

1. An employer;
2. The trustees of a fund established by an employer or by several employers;
3. Employers for one or more unions according to a collective bargaining agreement;
4. A union group; or
5. Any other group to which a group master policy may be legally issued in the State of Florida or any other jurisdiction for the purpose of insuring a group of individuals.

In accordance with section 627.4235(5), Florida Statutes, this Plan will not coordinate benefits with an indemnity-type policy, an excess insurance policy as defined by Florida law that covers only specific illnesses or accidents, or a Medicare supplement policy.

In order to ensure Claims processing accuracy and appropriate coordination of benefits, DSGI requires United Healthcare to verify if you, your spouse, or your other dependents have other insurance coverage or other carrier liability (OCL). Each year, approximately 365 days from the previous verification, United Healthcare will notify you, in writing, that you should contact its office to verify OCL information. United Healthcare will automatically process or reprocess any Claims that may have been denied or held once you have provided the requested OCL information. For determining the applicability and implementing the terms of the Coordination of Benefits provision of the Plan, United Healthcare may, without the consent of or notice to any person, release to or obtain from any other insurance company, organizations or person, any information, with respect to any Health Plan Member, or applicant for participation, which United Healthcare deems to be necessary for such purposes.

How Coordination Works

The plan that considers expenses first is the primary plan. The plan that considers expenses after the primary plan pays benefits is the secondary plan.

- If this Plan is primary, it will pay benefits first. Benefits will be paid as they normally would under this Plan, regardless of your other insurance coverage.
- If this Plan is secondary, it will pay benefits second. In this case, benefits from this Plan and from the primary plan will not be more than 100% of total reasonable expenses. Also, when this Plan is secondary, it will not pay benefits above what it would pay if it were the primary plan.

Here are some guidelines for determining which plan pays first, or is the primary plan, and which plan is the secondary plan.

For All Covered Individuals

1. The plan covering a person as an employee or member, rather than as a dependent, pays first.
2. The plan covering a person as an active employee, or that employee's dependent, pays before the plan that covers a person as a laid-off or retired employee, or that employee's dependent. In a case where the other policy or plan does not have this rule and the plans do not agree on the order of benefits, this rule will not apply.

For Eligible Dependent Children

1. The plan of the parent whose birthday comes first in the calendar year pays first for Health Plan Member children, unless the parents are divorced or separated. If both parents have the same birthday, the plan that has covered the parent for the longest time pays first.
2. In the case of divorce or separation, the plan of the parent with custody pays first except where a court decrees otherwise.
3. If the parent with legal custody has remarried:
 - a. The plan of the parent with legal custody pays first
 - b. The plan of the spouse of the parent with custody pays second; and
 - c. The plan of the parent without custody pays last unless a court decrees otherwise.

If this Plan coordinates benefits with an out-of-state plan that says the plan covering the male parent pays first, and the two plans do not agree on the order of benefits, the rules of the other plan will determine the order of benefits for eligible dependent children.

If none of the rules listed in this section apply, the plan that has covered a person for the longest time pays first.

Coordination with Medicare

It is important for you or your dependents to enroll for Medicare coverage when you first become eligible. It is also important that you notify United Healthcare of your Medicare effective date as soon as possible to avoid Claims processing disruptions. You must also notify People First and provide a copy of your Medicare ID card to avoid coverage disruption and to reduce premium costs, if appropriate.

When you become Medicare eligible, please visit www.medicare.gov or contact your local Social Security office to learn about your eligibility, coverage options, enrollment periods and necessary steps to follow to ensure that you have adequate coverage. Carefully review the Coordination of Benefits section of this document for more information about how this plan works with Medicare.

Active Employees

If you are an active employee, or the spouse or dependent of an active employee, this Plan will pay benefits first; Medicare will pay second. However, if this Plan's payment is above what Medicare would normally allow for the services if Medicare were paying first, Medicare will not pay benefits.

If you are an active employee or the spouse of an active employee and become eligible for Medicare because of age or disability, you may choose to defer Medicare Part B benefits until such time you are no longer on the policy as a state employee such as when you or your spouse retires. The Social Security Administration provides a Special Enrollment Period to allow you to enroll in Medicare Part B without incurring an additional Medicare premium in this situation. However, the Medicare Special Enrollment Period rules have no bearing on the provisions of this Plan. If you are Medicare-eligible and Medicare Part A and B are not in effect at the time of your retirement, benefits for this Plan will be paid as if Medicare Part A and Part B had paid first as the primary plan.

For active employees with a dependent who is disabled for reasons other than end-stage renal disease, this Plan will pay benefits first for the disabled dependent until he or she reaches age 65. At age 65, Medicare becomes the primary plan and will pay benefits first for any disabled dependent other than the spouse. If the disabled dependent is your spouse, your spouse's coverage under this Plan will continue to be primary, paying benefits first, if you are an active employee.

Active Employees and Early Retirees – End Stage Renal Disease

If you or your Health Plan Member requires treatment for end-stage renal disease, this Plan will pay benefits first for the first 30 months of treatment and Medicare will pay second. After that, Medicare will pay benefits first and this Plan will pay benefits second. You must be enrolled in Medicare Parts A and B at the point in which the 30-month period ends because benefits from this Plan will pay second as if you are enrolled regardless of your age. If you become eligible for Medicare because of age or disability, before becoming eligible due to end-stage renal disease, Medicare continues to pay first as your primary carrier and this Plan pays second.

Retirees, Spouse or Surviving Spouse of a Retiree or Dependent of a Retiree

If you are enrolled in Medicare, Medicare will pay benefits for you first. This Plan will pay benefits second. If you are eligible for Medicare Parts A and B but you have not enrolled, or if your provider has opted out of Medicare, benefits from this Plan will still be paid as if Medicare had paid first as the primary plan, regardless of your age.

Benefits from this Plan and from Medicare will never be more than 100% of total reasonable expenses. Also, when this Plan is secondary, it will not pay benefits above what it normally would pay if it were the primary plan.

If you are covered under this Plan through COBRA and become eligible for Medicare, coverage under this Plan will end. Your dependents may generally continue their COBRA coverage.

When Medicare is primary, this Plan will pay benefits up to:

- The lessor of:
 - The Covered expenses Medicare does not pay, up to the Medicare allowance; or
 - The amount this Plan would have paid if you had no other coverage.

All treatments must be Medically Necessary and comply with all terms, conditions, Limitations, and Exclusions of this Plan even if this Plan is secondary to other coverage and the treatment is covered under the other coverage.

If the amount of the payments made by the Plan is more than it should have paid under the provisions of this Coordination of Benefits section, it may recover the excess from one or more of the persons it has paid or for whom it has paid or any other person or organization that may be responsible for the benefits or services provided for the Health Plan Member. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

In the event the State of Florida offers Health Reimbursement Arrangements (HRA) in connection with this Plan, the HRA is intended to pay solely for otherwise un-reimbursed medical expenses. Accordingly, it shall not be considered a group health plan for coordination of benefits purposes, and its benefits shall not be considered when determining benefits payable under any other plan.

An Important Note for Retirees

Once you or your spouse become eligible for Medicare, any Claims filed with Medicare for you or your spouse may automatically be filed with United Healthcare after Medicare pays what is covered. Call United Healthcare's Customer Service and request to be set up for automatic crossover from Medicare. No separate filing to United Healthcare will be required.

Not Eligible for Medicare

If you are not eligible for Medicare, send a copy of your Medicare ineligibility letter to People First immediately. People First will reverse your enrollment so that United Healthcare continues as the primary plan with the corresponding higher monthly insurance premium. If you delay, United Healthcare will pay Claims secondary as if you had Medicare, which would require you to pay significantly more out-of-pocket.

Coordination of Prescription Drug Benefits with Medicare Part B

CVS Caremark is responsible for ensuring that prescribed drugs eligible for coverage under Medicare Part B are identified at the retail and mail order pharmacy. Medicare Part B drugs will be rejected at the point of purchase at a retail or mail order pharmacy. If you have Medicare Parts A and B as your primary insurance coverage and if the prescribed drug is eligible for coverage under Medicare Part B, then this Plan will pay as a secondary coverage. If the prescribed drug is not covered under Medicare Part B, this Plan will pay as your primary carrier for such prescribed drugs and there will be no coordination of benefits.

Medicare Part B requires that the retail, mail order, or specialty pharmacy obtain a signed Assignment of Benefits/Assignment of Billing/Medical Release Authorization form. This form is required in order to bill Medicare on your behalf. Since some drugs are only eligible under Medicare Part B for specific diagnoses, Medicare Part B requires that each prescription include a written diagnosis. There may be other situations when Medicare Part B requires additional specific documentation before accepting a prescription drug Claim for payment. In most cases, Medicare Part B will only accept Claims for a prescription fill for up to a 30-day supply. Generally, Medicare eligible items are covered under Medicare Part B and are subject to the Medicare calendar year Deductible.

Using the Mail Order Pharmacy for Part B Drugs

1. All appropriate documentation must be on file or presented with the prescription.
2. You must mail the prescription with the appropriate diagnosis to CVS Caremark Mail Service Pharmacy or CVS Caremark Specialty Pharmacy, as appropriate. **Important Note:** The CVS Caremark Mail Service Pharmacy is not a Medicare approved diabetic supplies mail order pharmacy. Prescriptions for diabetic supplies should be filled by a Network 30-day retail pharmacy or a participating 90-day retail pharmacy that is also approved or participating Medicare retail pharmacy. Diabetic supplies are considered maintenance. If the prescription drug is determined to be eligible under Medicare Part B, CVS Caremark will forward your prescription request to the CVS Caremark Mail Service Pharmacy for Medicare Part B covered drugs or the CVS Specialty Pharmacy for Medicare Part B covered specialty drugs.
3. CVS Caremark will contact you for any information necessary to fill the prescription, within all appropriate prescription guidelines, and file a Claim to Medicare Part B on your behalf.
4. You will receive an Explanation of Medicare Benefits (EOMB) after Medicare Part B processes the Claim indicating Medicare's payment, amount applied to the Deductible, and your responsibility.
5. After the prescription Claim is paid by Medicare, CVS Mail Service Pharmacy or CVS Specialty Pharmacy, as appropriate, will submit a Claim to CVS Caremark for your secondary benefits under this Plan. CVS Mail Service Pharmacy or CVS Specialty Pharmacy may bill you for any remaining balance up to the Medicare allowed amount. In most cases, after this Plan has paid secondary carrier benefits and Medicare Part B has paid primary benefits, you will have zero out-of-pocket expense.

Using a Network Retail Pharmacy that Participates with Medicare Part B

1. All appropriate documentation must be on file or presented with the prescription.
2. You must present the prescription with the appropriate diagnosis to the participating Medicare Part B participating retail pharmacy.
3. The Network and Medicare Part B participating Retail Pharmacy will fill the prescription, within all appropriate prescription guidelines and file a Claim to Medicare on your behalf.
4. You will receive an Explanation of Medicare Benefits (EOMB) after Medicare Part B processed the Claim indicating Medicare Part B's payment, amount applied to the Deductible, and your responsibility.
5. The Network and Medicare Part B participating retail pharmacy will submit a Claim to CVS Caremark for secondary benefits under this Plan.
6. In most cases, after this Plan has paid secondary carrier benefits and Medicare Part B has paid primary benefits, you will have zero out-of-pocket expenses.

Using a Network Retail Pharmacy that Does Not Participate with Medicare Part B

If you submit a prescription to a retail pharmacy that does not participate with Medicare Part B you will pay the retail pharmacy for 100 percent of the cost of the medication. To receive primary benefits under Medicare Part B, you or the non-participating Medicare Part B retail pharmacy must submit a Claim directly to Medicare Part B. If the Claim is not submitted to Medicare Part B and you do not receive an EOMB, you will not be allowed to submit a Claim to CVS Caremark for secondary benefits.

Coordination of Prescription Drug Benefits with Medicare Part D

If you enroll in or are automatically enrolled in a Medicare Part D Prescription Drug Plan, then this Plan will pay as your secondary prescription coverage. The Medicare Part D Plan will pay as your primary prescription coverage.

If you enroll in or are automatically enrolled in a Medicare Part D Prescription Drug Plan, you will usually pay a monthly premium. You may not pay a Medicare Part D premium if you are receiving assistance through Supplemental Security Income (SSI), Medicare Low Income Subsidy Benefit, State Medicaid, or living in certain facilities, such as a nursing home.

If you are receiving state or federal assistance, you might automatically be enrolled in a Medicare Part D Plan without your knowledge. If you were enrolled in a Medicare Advantage Plan through previous insurance coverage, you were automatically enrolled in a Medicare Part D Plan. If you elected or were automatically enrolled in a Medicare Part D Plan, it is your responsibility to opt out or disenroll from such Medicare Part D coverage. If you elect to disenroll, you must contact the Medicare Part D Plan that you are enrolled in or contact Medicare at (800) 633-4227.

IMPORTANT NOTE:

Medicare automatically notifies the State of Florida of any of its Health Plan Members who are enrolled in a Medicare Part D Prescription Drug Plan. Upon such notification from Medicare, this Plan will automatically become the secondary coverage.

This Plan will not change to become primary coverage until you provide CVS Caremark a letter of creditable coverage or disenrollment from the Medicare Part D Plan. Such a letter of creditable coverage must include your name and the effective and termination dates of your Medicare Part D coverage. Due to the confidential nature of your prescription drug information, Medicare will not discuss your Medicare Part D coverage with the State of Florida.

Special Notice about the Medicare Part D Drug Program

January 1, 2019

Please read this notice carefully. It explains the options you have under Medicare prescription drug coverage and can help you decide whether you want to enroll in Medicare Part D.

Medicare prescription drug coverage (Medicare Part D) became available in 2006 to everyone with Medicare through Medicare prescription drug plans and Medicare Advantage Plans that offer prescription drug coverage.

All approved Medicare prescription drug plans must offer a minimum standard level of coverage set by Medicare. Some plans may offer more coverage than required. As such, premiums for Medicare Part D plans vary, so you should research all plans carefully.

The State of Florida Department of Management Services has determined that the prescription drug coverage offered by the State Employees' Health Insurance Program (State Health Program) is, on average, expected to pay out as much as or more than the standard Medicare prescription drug coverage pays and is considered Creditable Coverage.

You can join a Medicare drug plan when you first become eligible for Medicare and each year from Oct. 15 to Dec. 7. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two-month Special Enrollment Period (SEP) to join a Medicare drug plan.

If you do decide to enroll in a Medicare prescription drug plan and drop your State Health Program coverage, be aware that you and your dependents will be dropping your hospital, medical and prescription drug coverage. If you choose to drop your State Health Program coverage, you will not be able to re-enroll in the State Health Program.

If you enroll in a Medicare prescription drug plan and do not drop your State Health Program coverage, you and your eligible dependents will still be eligible for health and prescription drug benefits through the State Health Program. However, if you are enrolled in a state-sponsored HMO offering a Medicare Advantage Prescription Drug Plan, you may have to change to the State Employees' PPO Plan to get all of your current health and prescription drug benefits.

If you drop or lose your coverage with the State Health Program and do not enroll in Medicare prescription drug coverage after your current coverage ends, you may pay more (a penalty) to enroll in Medicare prescription drug coverage later. Additionally, if you go 63 days or longer without prescription drug coverage that's at least as good as Medicare's prescription drug coverage, your monthly premium will go up at least 1 percent per month for every month that you did not have that coverage, and you may have to wait until the following Nov. to enroll.

Additional information about Medicare prescription drug plans is available from:

- www.medicare.gov
- Your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number)
- (800) MEDICARE or (800-633-4227). TTY users should call 1-877-486-2048.

For people with limited income and resources, payment assistance for Medicare prescription drug coverage is available. Information about this extra help is available from the Social Security Administration (SSA). Contact your local SSA office, call 800-772-1213, or www.socialsecurity.gov for more information. TTY users call 800-325-0778.

For more information about this notice or your current prescription drug plan, call the People First Service Center at 866-663-4735.

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether you have maintained creditable coverage and, therefore, whether you are required to pay a higher premium amount (a penalty).

XI. SUBROGATION AND RIGHT OF RECOVERY, RECOUP, AND SUE FOR LOSSES

If the Plan provides health care benefits to a Health Plan Member for injuries or illness for which another party is or may be responsible, then the Plan retains the right to repayment of the full cost of all benefits provided by the Plan on behalf of the Health Plan Member that are associated with the injury or illness for which another party is or may be responsible. The Plan's rights of recovery apply to any recoveries made by or on behalf of the Health Plan Member from the following third-party sources, as allowed by law, including but not limited to: payments made by a third-party tortfeasor or any insurance company on behalf of the third-party tortfeasor; any payments or awards under an uninsured or underinsured motorist coverage policy; any worker's compensation or disability award or settlement; medical payments coverage under any automobile policy, premises or homeowners medical payments coverage or premises or homeowners insurance coverage; any other payments from a source intended to compensate a Health Plan Member for injuries resulting from an accident or alleged negligence. For instance, personal injury protection insurance is designated as the primary payer under Section 627.736, Florida Statutes, and the State has the right to recover payments for benefits that are also covered under a personal injury protection policy. These rights and the state's rights also extend to benefits which may be payable through any kind of insurance coverage including but not limited to uninsured/underinsured motorist's coverage. For purposes of this SPD, a tortfeasor is any party who has committed injury, or wrongful act done willingly, negligently or in circumstances involving strict liability, but not including breach of contract for which a civil suit can be brought.

Health Plan Member specifically acknowledges the Plan's right of subrogation, and further acknowledges that as a condition precedent to his or her right to receive covered benefits, Health Plan Member has granted the Plan a first priority lien on any compensation, damages or other form of financial relief received from, or on behalf of, a tortfeasor who has caused an injury to Health Plan Member requiring health care services that were covered by the Plan. When the Plan provides health care benefits for injuries or illnesses for which a third party is or may be responsible, the Plan shall be subrogated to the Health Plan Member's rights of recovery against any party to the extent of the full cost of all benefits provided by the Plan, to the fullest extent permitted by law. The Plan may proceed against any party with or without the Health Plan Member's consent.

Health Plan Member also specifically acknowledges the Plan's right of reimbursement. This right of reimbursement attaches, to the fullest extent permitted by law, when the Plan has provided health care benefits for injuries or illness for which another party is or may be responsible and the Health Plan Member and/or the Health Plan Member's representative has recovered any amounts from the third party or any party making payments on the third party's behalf. By providing any benefit under this SPD, the Plan is granted an assignment of the proceeds of any settlement, judgment or other payment received by the Health Plan Member to the extent of the full cost of all benefits provided by the Plan. The Plan's right of reimbursement is cumulative with and not exclusive of the Plan's subrogation right and the Plan may choose to exercise either or both rights of recovery.

Health Plan Member and the Health Plan Member's representatives further agree to:

- Notify the Plan promptly and in writing when notice is given to any third party of the Health Plan Member's intention to investigate or pursue a Claim to recover damages or obtain compensation due to injuries or illness sustained by the Health Plan Member that may be the legal responsibility of a third party;
- Contemporaneously provide to the Plan a complete and accurate copy of any complaint or pleading asserting a Claim against an alleged tortfeasor for relief in connection with an injury requiring health care services that were covered by the Plan at the time such complaint or pleading is filed;
- Cooperate with the Plan and do whatever is necessary to secure the Plan's rights of subrogation and/or reimbursement under this SPD; and
- Acknowledge in writing at the request of the Plan that the Plan has a first-priority lien on any recovery, settlement or judgment or other source of compensation which may be had from a third party to the extent of the full cost of all benefits associated with injuries or illness provided by the Plan for which a third party is or may be responsible (regardless of whether specifically set forth in the recovery, settlement, judgment or compensation agreement); and
- Pay, as the first priority, from any recovery, settlement or judgment or other source of compensation, any and all amounts due the Plan as reimbursement for the full cost of all benefits associated with injuries or illness provided by the Plan for which a third party is or may be responsible (regardless of whether specifically set forth in the recovery, settlement, judgment or compensation agreement), unless otherwise agreed to by the Plan in writing; and
- Do nothing to prejudice the Plan's rights as set forth above. This includes, but is not limited to, refraining from making any settlement or recovery, which specifically attempts to reduce or exclude the full cost of all benefits provided by the Plan, or purports to exclude from the settlement, or not include, medical expenses and costs attributable to the health care services received by the Health Plan Member consequent to the injury caused by the tortfeasor from the settlement.

The Plan may recover the full cost of all benefits provided by the Plan under this SPD without regard to any Claim of fault on the part of the Health Plan Member, whether by comparative negligence or otherwise. No court costs or attorney fees may be deducted from the Plan's recovery without the prior express written consent of the Plan. In the event the Health Plan Member or the Health Plan Member's representative fails to cooperate with the Plan, the Health Plan Member shall be responsible for all benefits paid by the Plan in addition to costs and attorney's fees incurred by the Plan in obtaining repayment.

Right to Recovery and Recoupment. The State, Health Plan, and CVS Caremark have recoupment rights whenever it is discovered that payments for health services, supplies, and prescription drugs have been made in excess of the maximum provided for under this Benefit Document. The State, Health Plan, and CVS Caremark will pursue any action available up to and including use of a collection agency to recover excess payments from you, your dependents, or any other person, entity, or organization.

XII. DISCLAIMER OF LIABILITY

Neither United Healthcare nor the Plan Administrator directly employs any practicing physicians nor any Hospital personnel or physicians. These health care providers are independent contractors and are not the agents or employees of United Healthcare. United Healthcare shall be deemed not to be a health care provider with respect to any services performed or rendered by any such independent contractors. Participating Providers maintain the physician/patient relationship with Health Plan Members and are solely responsible for the recommendation and selection of all Medical Services which Participating Providers render to their patients who are Health Plan Members. United Healthcare has no authority or ability to influence the decisions of health care providers in determining the care their patients require. Therefore, neither United Healthcare nor the Plan Administrator shall be liable for any negligent act or omission committed by any independent practicing physicians, nurses, or medical personnel, nor any Hospital or health care facility, their personnel, other health care professionals or any of their employees or agents who may, from time to time, provide Medical Services to a Health Plan Member.

Furthermore, neither United Healthcare nor the Plan Administrator shall be vicariously liable for any negligent act or omission of any of these independent health care professionals who treat a Health Plan Member of the Plan.

Certain Health Plan Members may, for personal reasons, refuse to accept procedures or treatment recommended by Participating Physicians. Participating Physicians may regard such refusal to accept their recommendations as incompatible with the continuance of the physician/patient relationship and as obstructing the provision of proper medical care. If a Health Plan Member refuses to accept the medical treatment or procedure recommended by the Participating Physician and if, in the judgment of the Participating Physician, no professionally acceptable alternative exists or if an alternative treatment does exist but is not recommended by the Participating Physician, the Health Plan Member shall be so advised. If the Health Plan Member continues to refuse the recommended treatment or procedure, the State of Florida may terminate the Health Plan Member's coverage under this Plan.

XIII. APPEALS AND GRIEVANCE PROCEDURE

United Healthcare Complaints. Health Plan Members have the right to review any complaint regarding the services or benefits covered under the Plan. If a Health Plan Member has a complaint regarding Plan services, including quality of service, office wait time, physician behavior and other concerns, the Health Plan Member or someone he names to act on his behalf (an authorized representative) may call the Member Services Department at the number listed in the contact section within this document. United Healthcare encourages the informal resolution of complaints relating to Plan services, and Member Services Representatives will work with complainants to resolve any such issues over the telephone. If a complainant asks for a written response, or if a complaint is related to quality of care, United Healthcare will respond in writing. The Member Services Department can also advise how to name an authorized representative.

United Healthcare Grievances. A grievance is any complaint other than one that involves a request (Claim) for benefits, or a request for review of an Adverse Benefit Determination. If a complaint cannot be resolved informally over the telephone, the Health Plan Member or his authorized representative may submit the complaint to United Healthcare, in writing. This is referred to as “filing a grievance.” The written grievance will be processed through United Healthcare’s formal grievance procedures.

Grievances must be filed within one year from the date of the event or action that led to the grievance. United Healthcare will acknowledge and investigate the grievance and provide a written response advising of the disposition within 60 days after receipt of the grievance.

A grievance may be submitted in writing to:	United Healthcare – Grievances P.O. Box 740816 Atlanta, GA 30374-0816 (877) 614-0581

Appealing Adverse Benefit Determinations and Denials of Claims for Benefits

If your request for a benefit Claim is totally or partially denied, United Healthcare, CVS Caremark, Healthcare Bluebook, or SurgeryPlus, as applicable, will send you a written notice indicating the specific reason(s) for the denial within 30 days of receiving your Claim or request for a benefit. The notice will include a list of any additional information needed to appeal the denial to United Healthcare or CVS Caremark; reference to the specific plan provision on which the denial is based; a description of the Plan’s review process; a description of any internal rule or guideline that was relied upon in making the decision on your Claim (or a statement that the rule or guideline is available upon request); and if the denial is based on medical necessity or similar Exclusion or Limitation, an explanation of the scientific or clinical judgment for the decision (or a statement that the explanation will be provided on request).

Level I Appeal

NOTICE OF WAIVER

You or your authorized representative may appeal any totally or partially denied medical or prescription drug Claim or any Adverse Benefit Determination. You will WAIVE ALL RIGHTS OF APPEAL, whether it is a Level I or a Level II appeal, if you fail to file your appeal within the time frame indicated on the notice that is mailed to you. Please refer to the applicable information on the appeal process including mandatory appeal filing deadlines in this section.

You or your authorized representative on your behalf have the right to appeal an Adverse Benefit Determination and full or partial denial of benefits or payment of a Claim for Medical Services, supplies and/or prescription drugs you have received (post-service) or are planning to receive (pre-service). Your appeal must be received by United Healthcare CVS Caremark, Healthcare Bluebook, or SurgeryPlus, as appropriate, within 180 days of the Adverse Benefit Determination notice (the ending statement period date on the Member Health Statement (MHS), the Explanation of Benefits (EOB) Statement or other notice of denial).

There are three types of appeals: urgent pre-service, pre-service, and post-service. For United Healthcare and CVS Caremark, you may request an urgent pre-service appeal if the timeframe to complete a Level I Pre-Service Appeal would seriously jeopardize your life or health or your ability to regain maximum function or if in the opinion of a physician with knowledge of your medical condition, would subject you to severe pain that cannot be adequately managed without the care or treatment that is the subject of the urgent appeal. If your appeal is for the denial of an urgent Pre-Service Claim or a concurrent care decision, you may verbally request an urgent Level I Appeal by calling the customer service toll-free telephone number on your member ID card (United Healthcare or CVS Caremark, as appropriate) and stating that you are requesting an urgent Level I Appeal.

If your appeal is for a Pre-Service (non-urgent) or Post-Service Claim, you must submit your Level I Appeal in writing and explain your reason for the appeal. Your appeal may include any additional documentation, information, evidence, or testimony that you would like reviewed and considered during the appeal process.

Level I Appeal information:

Type of Appeal	Contact Information
Medical Appeals through United Healthcare	United Healthcare – Appeals P.O. Box 740816 Atlanta, GA 30374-0816 (877) 614-0581
Prescription Drug Appeals through CVS Caremark	CVS Caremark Appeals Department MC 109 P.O. Box 52071 Phoenix, AZ 85072-2071 Level I Appeals: Non-specialty drugs fax: (866) 443-1172
Healthcare Bluebook appeals	Rewards@healthcarebluebook.com Or Healthcare Bluebook ATTN: Rewards Team 330 Franklin Rd., Ste. 135A-428 Brentwood, TN 37027
SurgeryPlus appeals	MCMC LLC 300 Crown Colony Drive, Suite 203 Quincy, MA 02169

Prior to the notification of the Level I Appeal decision, you will be provided, free of charge, copies of any new or additional evidence or rationale considered in connection with your Claim and you will be provided an opportunity to respond to such new evidence or rationale.

United Healthcare, CVS Caremark, Healthcare Bluebook, or SurgeryPlus, as appropriate, will review your Level I Appeal and provide a written notice of the review decision. If the appeal is for a pre-service denial, United Healthcare, CVS Caremark, or SurgeryPlus will respond within 15 days from receipt of your appeal; if the appeal is for a post-service denial, United Healthcare, CVS Caremark, Healthcare Bluebook, or SurgeryPlus will respond within 30 days from receipt of your appeal; and, if your appeal is urgent, United Healthcare or CVS Caremark will respond within 72 hours from receipt of your appeal. If United Healthcare, CVS Caremark, Healthcare Bluebook, or SurgeryPlus's review is unfavorable (Level I Appeal is denied), the notice will include information about appealing the decision to DSGI.

Appealing to Division of State Group Insurance (DSGI) – A Level II Appeal

If you are not satisfied with the Level I Appeal decision, you may file a Level II Appeal to DSGI. You may request a Level II urgent appeal if the timeframe to complete the pre-service Level II Appeal would seriously jeopardize your life or health or your ability to regain maximum function or if in the opinion of a physician with knowledge of your medical condition, would subject you to severe pain that cannot be adequately managed without the care or treatment that is the subject of the urgent appeal. If your Level II Appeal is for the denial of a pre-service or concurrent care decision, you may verbally request an urgent Level II Appeal by calling DSGI at 850-921-4600 and stating that you are requesting an urgent Level II Appeal.

If your appeal is for a Pre-Service (non-urgent) or Post-Service Claim, you must submit your Level II Appeal in writing and explain your reason for the appeal. Your appeal may include any additional documentation, information, evidence, or testimony that you would like reviewed and considered during the appeal process.

Your Level II Appeal must be in writing or filed verbally (for urgent appeals) and must be postmarked within 60 days of the written notice of United Healthcare, CVS Caremark, Healthcare Bluebook, or SurgeryPlus's denial of your Level I Appeal. Your Level II Appeal must include:

1. A copy of the denial notice (EOB, MHS, or other notice of denial);
2. A copy of your letter to United Healthcare, CVS Caremark, Healthcare Bluebook, or SurgeryPlus requesting a Level I Appeal;
3. A copy of United Healthcare, CVS Caremark, Healthcare Bluebook, or SurgeryPlus's Level I Appeal denial;
4. A Level II Appeal letter to DSGI appealing the Level I Appeal decision; and
5. Any other information or documentation that could assist in the review of your appeal.

Level II Appeals:	Division of State Group Insurance Attention: Appeals Coordinator P.O. Box 5450 Tallahassee, FL 32314-5450
--------------------------	--

Any Level II Appeal received without, at a minimum, the above information will be returned to you or the representative who submitted your Level II Appeal. Prior to the notification of the Level II Appeal decision, you will be provided, free of charge, copies of any new or additional evidence or rationale considered in connection with your Claim and you will be provided an opportunity to respond to such new evidence or rationale.

DSGI will review the Level II Appeal and provide a written notice of the review decision. If the Level II Appeal is for a Pre-Service (non-urgent) denial, DSGI will respond within 15 days from receipt of your appeal; if the Level II Appeal is for a Post-Service denial, DSGI will respond within 30 days from receipt of your appeal; and, if your appeal is urgent, DSGI will respond within 72 hours from receipt of your appeal. If DSGI's review is unfavorable (Level II Appeal is denied), the notice from DSGI will include information of any additional appeal or review rights available to you.

Two review options are available if you want to contest the Level II Appeal denial: an administrative hearing and an external review from an independent review organization. You may request a review through either or both options. However, please note that each option has a specific timeframe for requesting a review as described below.

Requesting an Administrative Hearing

If you want to contest the Level II Appeal decision of DSGI through the State of Florida administrative hearing process, you must submit a petition for an administrative proceeding that complies with Rule 28-106.201 or 28-106.301, Florida Administrative Code. Your petition must be received within 21 days after you receive the written adverse decision on your Level II Appeal.

Requesting an External Review from an Independent Review Organization (IRO)

For requests that received a Level I denial from United Healthcare, CVS Caremark, or SurgeryPlus, and a Level II denial from DSGI, you have the right to request an external review from an independent review organization **after the finalization of both the Level I and Level II Appeal processes**. You may call the customer service toll-free telephone number on your member ID card (United Healthcare, CVS Caremark, or SurgeryPlus, as appropriate) for additional information about requesting or to request an external review. External review is not available for Claim denials based on an individual's eligibility under a plan. You may request an external review in writing within four months after receipt of the Level II Appeal decision.

Standard External Review

You may request a standard external review of your Level II Appeal denial if:

1. the decision involved a:
 - a. denial of your request for payment of a Claim and the decision involved a medical judgment including, but not limited to a decision based on medical necessity, appropriateness, health care setting, level of care or effectiveness of the health care service or treatment you requested or a determination that the treatment is Experimental or investigational; or
 - b. rescission (cancellation) of coverage; and
2. An external review is requested by you within four months of the Level II Appeal denial date.

The IRO will review your request for a standard external review and provide a written notice of the review decision within 45 days from the date of receipt of the request by the IRO.

Expedited or Urgent External Review

For requests that received a Level I denial from United Healthcare or CVS Caremark, you may request an expedited or urgent external review if the timeframe to complete a standard external review would seriously jeopardize your life or health or your ability to regain maximum function or if in the opinion of a physician with knowledge of your medical condition, would subject you to severe pain that cannot be adequately managed without the care or treatment that is the subject of the urgent external review and if:

1. the decision involved a:
 - a. denial of your request for payment of a Claim and the decision involved a medical judgment including, but not limited to a decision based on medical necessity, appropriateness, health care setting, level of care or effectiveness of the health care service or treatment you requested or a determination that the treatment is Experimental or investigational; or
 - b. rescission (cancellation) of coverage; and
2. An external review is requested by you within four months of the Level II Appeal denial date.

The IRO will review your request for an urgent external review and provide a response within 72 hours from the date of receipt by the IRO.

Important Notes:

1. Throughout the appeal and review process, you have the right to present evidence and testimony as well as request and receive, free of charge, copies of all documents and other information relevant to your Claim and/or appeal, including, but not limited to, the following information about the processing of your Claim:
 - the specific rule, guideline, protocol, or other similar criterion used, if any, in making the benefit or payment decision, and/or
 - an explanation of the scientific or clinical factors relied upon if the Claim was denied in whole or in part based on the lack of medical necessity or the Experimental or investigational nature of a service or medication.
2. A favorable decision by the IRO is binding on the Plan and is cause to interrupt and stop any administrative hearing proceedings. An unfavorable decision by the IRO is binding on the Plan if you did not previously timely pursue action through the administrative hearing process.
3. If, after commencement of any administrative proceeding, you decide to request an external review by the IRO, the administrative proceeding will be held in abeyance pending the IRO decision.

The appeal process described in this Plan Booklet and Benefits Document implements the internal Claims, appeals, and external independent review organization review processes and guidelines as required under the Patient Protection and Affordable Care Act (PPACA), Florida law, and Florida Administrative Code. The appeal process is subject to change if or as required by finalization of current interim federal regulations applicable to the PPACA, change to Florida law, and/or to Florida Administrative Code.

XIV. BUNDLED SURGICAL SERVICES AND PRICING TRANSPARENCY PROGRAMS

The Shared Savings Program is a voluntary program that is available to all Enrollees¹. Under the Shared Savings Program, Members² can earn financial rewards by receiving rewardable healthcare services through Healthcare Bluebook and SurgeryPlus.

Rewards earned by Members will be credited to the Enrollee's State Group Insurance Program health reimbursement account (HRA), post-deductible HRA (for Enrollees in a high deductible health plan), flexible spending account (FSA), limited purpose FSA (for Enrollees in a high deductible health plan), or a health savings account (for Enrollees in a high deductible health plan.) Enrollees may also receive a reimbursement for out-of-pocket healthcare expenses. For any questions about the account(s) that is available to you, please contact Chard Snyder at (855)-824-9284.

Healthcare "shopping" Transparency Program

Healthcare Bluebook is an online transparency website that allows Members to "shop" for healthcare services and providers. Healthcare Bluebook's website (www.healthcarebluebook.com/cc/SOF) and mobile application display the range of costs of covered in-network healthcare services, as well as, a quality ranking developed by Healthcare Bluebook of inpatient facilities.

Healthcare Bluebook allows Members to review the costs of healthcare services based on a Fair Price™ as determined by Healthcare Bluebook. The Fair Price™ is the amount Members should reasonably expect to pay for a service. Healthcare Bluebook's website and mobile application identify the Fair Price™ of a service and categorize the service as follows:

A healthcare service at or below the Fair Price™ is designated with a green ● symbol;

A healthcare service slightly above the Fair Price™ is designated with a yellow ▲ symbol; and,

A healthcare service with a high price is designated with a red ● symbol.

Some procedures designated with a green ● symbol are available for rewards. Additional information regarding rewards is provided below.

For some facilities, Healthcare Bluebook will conduct its own quality measures and will display a checkmark to indicate the level of quality. A Green Check-Plus ✓+ ranking indicates that a hospital is among the top third of all hospitals in the U.S., a Yellow Check ✓ indicates that the hospital falls in the middle third of all hospitals, and a Red Check-Minus ✓- indicates that the hospital is in the lowest performing third of hospitals in the U.S.

These quality rankings are designed to help Members understand each hospital's level of quality for a particular inpatient clinical area or procedure. Healthcare Bluebook assesses hospital quality for major inpatient clinical categories, such as cardiac surgeries, joint replacement, and neurosurgery. Individual procedures are then mapped to these clinical categories. The clinical groupings allow Healthcare Bluebook to evaluate how well a hospital performs in different areas of care delivery. For example, patients can use the quality rating to understand how well a hospital performs on heart surgeries when compared to joint surgeries. A hospital may have different quality rankings for different clinical areas (e.g., a hospital may have a green ✓+ rating for joint replacement and a red ✓- rating for cardiac surgeries).

Under the “Go Green to Get Green” rewards program, the Healthcare Bluebook website and mobile application will identify the procedures that have rewards and specify the reward amount. Rewards will be credited to Enrollees once all of the following occur:

1. The Enrollee or his/her dependent uses Healthcare Bluebook to “shop” for a rewardable healthcare service;
2. The Enrollee or his/her dependent receives the healthcare service from a “green” provider designated by a green  symbol;
3. Healthcare Bluebook validates the Member’s receipt of a rewardable healthcare service and that the Member used Healthcare Bluebook to “shop” for the healthcare service; and,
4. Healthcare Bluebook notifies the Division of State Group Insurance that the Enrollee or his/her dependent earned the reward.

¹ **Enrollee** - All state officers and employees, Retired State Officers or Employees, Surviving Spouses of deceased state officers and employees, and terminated employees or individuals with continuation coverage who are enrolled in an insurance plan offered by the State Group Insurance Program. “Enrollee” includes all state university officers and employees, retired state university officers and employees, Surviving Spouses of deceased state university officers and employees, and terminated state university employees or individuals with continuation coverage who are enrolled in an insurance plan offered by the State Group Insurance Program.

² **Member** - Any person participating in a State Group Health Insurance Plan or a Health Maintenance Organization Plan under the State Group Insurance Program, including Enrollees and covered dependents.

Bundled surgical services

SurgeryPlus is a supplemental benefit that allows Members to reduce their cost for many planned, non-emergency surgical procedures. The SurgeryPlus benefit will assist Members with planning and paying for a covered medical procedure, including necessary travel associated with the covered procedure. SurgeryPlus Care Advocates can educate Members on the quality of providers, identify available providers, schedule appointments, and make necessary travel arrangements.

SurgeryPlus’s medical procedures are performed by SurgeryPlus’s network of healthcare providers. The medical procedures, benefits, and providers offered by SurgeryPlus are separate from the medical benefits offered by the State Employees’ PPO Plan (administered by Florida Blue) as generally described in other sections of this Plan Document. However, the copayments, calendar year deductible, calendar year coinsurance maximum, and global network out-of-pocket maximum amounts set forth in Sections 1 and 2 may apply and may be reduced; and the appeal processes set forth in Section 12 will apply to services offered by SurgeryPlus.

Covered Surgeries and Procedures

SurgeryPlus offers medical and surgical procedures that are “bundled” together into one Episode of Care³. Members will earn one reward for completing an Episode of Care.

SurgeryPlus offers a variety Episodes of Care which may include, but are not limited to, the following:

Spine

Fusions
Disk Repair/Replacement
Laminectomy
Laminotomy

Cardiac

Cardiac Valve Surgery
Cardiac Defibrillator Implant

General Surgery

Gallbladder Removal
Hernia Repair
Thyroidectomy

Genitourinary

Hysterectomy
Bladder Repair

Orthopedic

Knee Replacement
Hip Replacement
Shoulder Replacement
Ankle/Wrist/Elbow
Replacement Arthroscopy
Rotator Cuff Repair Tendon
Repair
Carpal Tunnel
Bunionectomy

Ear, Nose & Throat

Septoplasty Sinuplasty
Eustachian Tubes
Thyroidectomy

Pain Management

Cervical Epidural
Lumbar Epidural Steroid
Stellate Ganglion Block

For additional information on available medical procedures, or to determine if your planned surgery is included, please contact SurgeryPlus.

SurgeryPlus Travel Benefit

The SurgeryPlus benefit includes travel associated with the Episode of Care. Only travel arrangements made through a SurgeryPlus Care Advocate are eligible for coverage under the SurgeryPlus benefit. The travel benefit depends on the procedure, provider, distance between the provider and the Member's residence, and availability. For procedures requiring inpatient admission or overnight recovery, the travel benefit includes the Member and one companion.

³ "Episode of Care" means (i) all services rendered by a SurgeryPlus network provider and provider's professional and medical staff, as applicable and (ii) all hospital- or facility-related expenses under the diagnosis case code. The Episode of Care begins on the day the patient first receives services from the provider related to the diagnosis case code and ends when the patient is discharged from the hospital or facility to return or travel home. Services and expenses under the diagnosis case code commonly included in the Episode of Care are equipment used while in hospital or facility, in-hospital or in-facility medications or biologics and supplies, implants, labs, in-hospital meals, hospital confinement days, pre- and post in-hospital or in-facility nursing care, in-hospital physical therapy and follow-up consultations, and any other medically necessary care related to the diagnosis case code rendered prior to discharge. An Episode of Care shall not include (i) diagnostic testing in advance to determine whether a procedure is necessary; (ii) personal comfort, hygiene, or convenience items; (iii) procedures or care that are not medically necessary; and (iv) and Serious Reportable Events (SREs) as defined by the National Quality Forum at <http://www.qualityforum.org/Home.aspx>.

Process for Using SurgeryPlus

To receive an Episode of Care through SurgeryPlus, all of the following must occur:

The Member must contact a SurgeryPlus Care Advocate before planning the Episode of Care at (844) 752-6170 or online at Florida.SurgeryPlus.com (Portal Access Code: surgeryplus);

The Member must agree to supply his or her medical records and any other pertinent information to the SurgeryPlus provider so he/she may assess:

The medical necessity of the procedure; and, The Member's suitability for the prospective treatment or procedure, including any necessary travel. This assessment is referred to as the "initial review/consultation";

The Member must be approved for the Episode of Care. The SurgeryPlus provider will determine the medical necessity of the proposed medical procedure based on the initial review/consultation with the Member. If a Member is not satisfied with the SurgeryPlus provider or the initial review/consultation, the Member may contact a Care Advocate and arrange for a second opinion with another SurgeryPlus provider;

The Member must accept and agree to the standard terms of treatment of the SurgeryPlus provider. Receiving an initial review/consultation does not commit a Member to proceed with a procedure from SurgeryPlus; and,

The Member must verify with SurgeryPlus any out-of-pocket costs associated with the Episode of Care; additionally, the Member must agree to be financially responsible for all out-of-pocket costs associated with the Episode of Care.

Once the foregoing steps are completed, SurgeryPlus will schedule the Episode of Care.

The SurgeryPlus benefit covers the initial review/consultation, the Episode of Care, and any post-discharge follow-up appointment(s), as prescribed by the SurgeryPlus provider. After completion of the covered care by the SurgeryPlus provider, SurgeryPlus will transfer treatment to the treating provider of the Member's choice. SurgeryPlus will also provide the Member's medical records to the chosen treating provider to ensure continuity of care. Upon request, SurgeryPlus will also provide the Member's medical records to Florida Blue.

Coverage for any medical services outside those provided by SurgeryPlus will be determined according to the provisions of Sections 1-17 of this Plan Document and will be processed by Florida Blue.

Please note that some of SurgeryPlus's providers may also be in-network providers with Florida Blue; however, any services you receive through SurgeryPlus will be billed and treated separately from any benefits offered by the State Employees' PPO Plan (administered by Florida Blue), and the SurgeryPlus benefit will not be processed by Florida Blue.

SurgeryPlus Limitations and Exclusions

Certain examinations, tests, treatments, or other medical services may be required prior to or following the covered services (Episode of Care) with a SurgeryPlus provider. Any medical services performed by anyone other than a SurgeryPlus provider, including pre- and post-care, shall be subject to the covered benefits, exclusions, limitations, and other terms set forth in Sections 1-17 of this Plan Document.

All claims for Members' SurgeryPlus benefits are considered in-network and will be included toward the calendar year deductible, coinsurance, calendar year coinsurance out-of-pocket maximum, and calendar year global network out-of-pocket maximum of the PPO Plan, as appropriate.

Except for any post-operative follow-up appointments prescribed by the SurgeryPlus provider, any care, emergency or otherwise, following the termination of an Episode of Care is subject to the covered benefits, exclusions, limitations, and other terms set forth in Sections 1-17 of this Plan Document. The Episode of Care ends when the Member is discharged from the facility.

The following services are excluded from the SurgeryPlus benefit:

Diagnostic studies and imaging, except for plain film x-rays and ultrasounds, prior to admission;
Physical therapy;
Durable medical equipment;
Prescription medications outside the Episode of Care;
Lab work prior to admission;
Pre-operative labs and testing (Note: Pre-operative labs and testing must be arranged and billed through your ongoing provider and all claims for these services must be submitted to Florida Blue, not SurgeryPlus, for claim processing); and,
Complications that occur after termination of an Episode of Care.

Earning Financial Rewards

Each Episode of Care offered by SurgeryPlus is eligible for a financial reward. The reward will be designated prior to receipt of the service and will be credited to the Enrollee through a reduction in the Enrollee's out-of-pocket costs and/or as a credit to a State Group Insurance savings and spending account.

How SurgeryPlus works for Enrollees: Enrollees are responsible for paying out-of-pocket costs, as described in Sections 1 and 2, as applicable, of this Plan Document. Any applicable out-of-pocket costs may be reduced for Enrollees up to the amount of the financial reward. The remaining portion of the Episode of Care is covered under the SurgeryPlus benefit. To the extent that any portion of the reward remains after the payment of any out-of-pocket costs (or when there are no applicable out-of-pocket costs), the remaining portion of the reward will be credited to the Enrollee's savings and spending account(s).

Enrollees in a high deductible health plan must meet the deductible amount prior to the SurgeryPlus reward becoming available. Once the Enrollee has met the maximum deductible, the Enrollee's out-of-pocket costs may be reduced, up to the specified reward amount. To the extent that any portion of the reward remains after the payment of any out-of-pocket costs (or when there are no applicable out-of-pocket costs), the remaining portion of the reward will be credited to the Enrollee's savings and spending account(s).

How SurgeryPlus works for Dependents: Dependents are responsible for paying out-of-pocket costs, as described in Sections 1 and 2, as applicable, of this Plan Document. The remaining portion of the Episode of Care is covered under the SurgeryPlus benefit. To the extent that any portion of the reward remains after the payment of any out-of-pocket costs (or when there are no applicable out-of-pocket costs), the remaining portion of the reward will be credited to the Enrollee's savings and spending account(s).

XV. MISCELLANEOUS

Clerical errors	Clerical errors shall neither deprive any individual Health Plan Member of any benefits or coverage provided under the Plan nor shall such error(s) act as authorization of benefits or coverage for the Health Plan Member that is not otherwise validly in force. Retroactive adjustments in coverage, for clerical errors or otherwise will only be made for up to a 60-day period from the date of notification. Refunds of administrative service fees are done for up to a 60-day period from the date of notification. Refunds of administrative service fees are limited to a total of 60 days from the date of notification of the event, provided there are no Claims incurred after the effective date of such event.
Gender	Whenever used, the singular shall include the plural and the plural the singular and the use of any gender shall include all genders.
Identification cards	Cards issued by United Healthcare to Health Plan Members pursuant to the Plan are for purposes of identification only. Possession of an identification card confers no right to health services or other benefits under the Plan. To be entitled to such services or benefits the holder of the card must, in fact, be a Health Plan Member on whose behalf all applicable charges under the Plan have been paid and accepted by the Plan.
Individual information	Health Plan Members or other individuals shall complete and submit to the Plan such applications, forms or statements as the Plan may reasonably request. If the Health Plan Member or other individual fails to provide accurate information that the Plan deems material to providing coverage for such individual, upon ten days written notice, the Plan may deny coverage and/or participation in the Plan to such individual.

Non-waiver	The failure of the Plan to enforce any of the provisions of the Plan or to exercise any options herein provided or to require timely performance by any Health Plan Member or the State of Florida of any of the provisions herein, shall not be construed to be a waiver of such provisions nor shall it affect the validity of the Plan or any part thereof or the right of the Plan to thereafter enforce each and every such provision.
Plan administration	The State of Florida may from time to time adopt reasonable policies, procedures, rules and interpretations to promote the orderly and efficient administration of the Plan.
Waiver	A Claim that has not been timely filed with the Plan within one year of date of service shall be considered waived.

Division of State Group Insurance Privacy Notice for the State Group Health Insurance Program

This notice describes how medical information about you may be used and disclosed and how you can get access to this information. Please review it carefully.

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) imposes numerous requirements on employer health plans concerning the use and disclosure of individual health information.

This information, known as protected health information (PHI), includes virtually all individually identifiable health information held by employer health plans — whether received in writing, in an electronic medium, or as an oral communication. This notice describes the State of Florida’s privacy practices its flexible spending accounts, health savings accounts, health reimbursement accounts, the State Group Health Insurance Plan(s), health maintenance organization(s) (HMO), State Employees’ Prescription Drug Program, and other plans of the State Group Insurance Program (collectively “Plans”).

The Plans covered by this notice, because they are all sponsored by the State of Florida, participate in an “organized health care arrangement.” The Plans may share health information with each other, their agents, and the State to carry out treatment, payment, or health care operations.

The Plans’ duties with respect to health information about you

The Plans are required by law to maintain the privacy of your health information, to provide you with a notice of their legal duties and privacy practices with respect to your health information, and to notify you following a breach of unsecured protected health information.

Members of a State Group Health Insurance Plan, health maintenance organization (HMO), or other plan will receive notices and other correspondence directly from the third-party administrator or insurance carrier that administers the plan (e.g., Florida Blue, Aetna, AvMed, United Healthcare, Capital Health Plan, SurgeryPlus, CVS Caremark, etc.). Members will also receive notices directly from other agents of the State Group Insurance Program.

It’s important to note that these rules apply only with respect to the Plans identified above, not to the State as your employer. Different policies may apply to other state programs and to records unrelated to the Plans.

How the Plans may use or disclose your health information

Privacy rules generally allow the use and disclosure of your health information without your permission (known as an authorization) for purposes of health care treatment, payment, and operations. Here are some examples of what that might entail:

- Treatment includes providing, coordinating, or managing health care by one or more health care providers, doctors, or Plans. Treatment can also include coordination or management of care between a provider and a third party, and consultation and referrals between providers. For example, the Plans may share health information about you with physicians who are treating you.
- Payment includes activities by these Plans or providers to obtain premiums, make coverage determinations, and provide reimbursement for health care. This can include eligibility determinations, reviewing services for medical necessity or appropriateness, utilization management activities, claims management, and billing, as well as “behind the scenes” plan functions such as risk adjustment, collection, or reinsurance. For example, the Plans may share information about your coverage or the expenses you have incurred with another health plan to coordinate payment of benefits.
- Health Care Operations include activities by these Plans (and in limited circumstances other plans or providers), such as wellness and risk assessment programs, quality assessment and improvement activities, customer service, and internal grievance resolution. Health care operations also include vendor evaluations, credentialing, training, accreditation activities, underwriting, premium rating, arranging for medical review and audit activities, and business planning and development. For example, the Plans may use information about your claims to review the effectiveness of wellness programs.

The amount of health information used or disclosed will be limited to the “Minimum Necessary” for these purposes, as defined under HIPAA.

How the Plans may share your health information

The Plans will disclose your health information without your written authorization to the State for plan administration purposes. The State agrees not to use or disclose your health information other than as permitted or required by plan documents and by law.

The Plans may also disclose “summary health information” to the State for purposes of obtaining premium bids to provide coverage under the Plans, or for modifying, amending, or terminating the Plans. Summary health information is information that summarizes participants’ claims information, but from which names and other identifying information have been removed.

In addition, the Plans may disclose to the State information on whether an individual is participating in the Plans or has enrolled or disenrolled in any available option offered by the Plans.

The State cannot and will not use health information obtained from the Plans for any employment-related actions. However, health information collected by the State from other sources is not protected under HIPAA (although this type of information may be protected under other federal or state laws).

Other allowable uses or disclosures of your health information

The Plans are also allowed to use or disclose your health information without your written authorization as follows:

- **To Business Associates:** The Plans may use and disclose PHI to certain other individuals, entities, or agents (Business Associates) we have contracted with to perform or provide certain services on behalf of the Plans. To perform or provide these services, the Business Associate may create, receive, maintain, or transmit your PHI. The Business Associates may re-disclose your PHI to subcontractors for these subcontractors to provide services to the Business Associate. When the arrangement with a Business Associate involves the use or disclosure of PHI, a written contract protecting the privacy of your health information will be implemented. Subcontractors are subject to the same restrictions and conditions that apply to Business Associates.
- **To a Family Member, Close Friend, or Other Person Involved in Your Care:** In certain cases, your health information can be disclosed without authorization to a family member, close friend, or other person you identify who is involved in your care or payment for your care. Information describing your location, general condition, or death may be provided to a similar person (or to a public or private entity authorized to assist in disaster relief efforts). You'll generally be given the chance to agree or object to these disclosures (although exceptions may be made, for example if you're not present or if you're incapacitated). In addition, your health information may be disclosed without authorization to your legal representative.
- **As Permitted by Law:** Your PHI may be used or disclosed to the extent that such use or disclosure is permitted by law.
- **For Public Health and Safety:** Your PHI may be used or disclosed to the extent necessary to avert a serious and imminent threat to the health or safety of you or others, for public health care oversight activities, and to report suspected abuse, neglect, or domestic violence to government authorities.
- **For Worker's Compensation:** Your PHI may be disclosed as permitted by worker's compensation and similar laws.
- **For Judicial and Administrative Proceedings:** Your PHI may be disclosed in response to a court or administrative order, subpoena, discovery request, or other lawful process.
- **For Law Enforcement Purposes:** Your PHI may be disclosed for a law enforcement purpose to a law enforcement official. For example, PHI may be disclosed to identify or locate an individual.
- **To a Coroner, Funeral Director, or for Organ Donation purposes:** Your PHI may be disclosed to a coroner or medical examiner for identification purposes, to determine a cause of death or to allow them to perform their authorized duties. PHI may also be disclosed for cadaveric organ, eye, or tissue donation purposes.
- **For Research Purposes:** Your PHI may be disclosed to researchers when their research has been approved by an institutional review board or a privacy board and measures have been taken to ensure the privacy of your PHI.
- **For Specialized Government Functions:** Your PHI may be disclosed for special government functions such as military, national security, and presidential protective services.
- **Inmate:** If you are an inmate, your PHI may be disclosed to the correctional institution or to a law enforcement official for: (i) the provision of health care to you; (ii) your health and safety and the health and safety of others; or (iii) the safety and security of the correctional institution.

The Plans may also use or disclose PHI in providing you with appointment reminders or information about treatment alternatives or other health-related benefits and services that may be of interest to you.

Uses and disclosures of PHI that require authorization

The Plans will obtain your written authorization for:

- Most disclosures of psychotherapy notes.
- Uses and disclosures of your PHI for marketing purposes.
- Disclosures of PHI that constitute a sale.
- Other uses and disclosures not described in this notice.

If you have given the Plans an authorization, you may revoke your authorization at any time. Your request must be submitted in writing to the Plans. However, you can't revoke your authorization for a Plan that has taken action relying on it. In other words, you can't revoke your authorization with respect to disclosures the Plans have already made.

Your individual rights

You have the following rights with respect to your health information the Plans maintain. These rights are subject to certain limitations, as discussed below. This section of the notice describes how you may exercise each individual right for the Plans. Contact the Division of State Group Insurance, P.O. Box 5450, Tallahassee, FL, 32314-5450, to obtain any necessary forms for exercising your rights. The notices you receive from your insurance third-party administrator, CVS Caremark, HMO, or other plan (as applicable) will describe how you exercise these rights for the activities they perform.

Right to request restrictions on certain uses and disclosures of your health information and the Plans' right to refuse

You have the right to ask the Plans to restrict the use and disclosure of your health information for treatment, payment, or health care operations, except for uses or disclosures required by law. You have the right to ask the Plans to restrict the use and disclosure of your health information to family members, close friends, or other persons you identify as being involved in your care or payment for your care. You also have the right to ask the Plans to restrict use and disclosure of health information to notify those persons of your location, general condition, or death — or to coordinate those efforts with entities assisting in disaster relief efforts. If you want to exercise this right, your request must be in writing.

The Plans are not required to agree to a requested restriction. If the Plans do agree, a restriction may later be terminated by your written request, by agreement between you and the Plans (including an oral agreement), or unilaterally by the Plans for health information created or received after you're notified that the Plans have removed the restrictions. The Plans may also disclose health information about you if you need emergency treatment, even if the Plans had agreed to a restriction.

Right to receive confidential communications of your health information

If you think that disclosure of your health information by the usual means could endanger you in some way, the Plans will accommodate reasonable requests to receive communications of health information from the Plans by alternative means or at alternative locations.

If you want to exercise this right, your request to the Plans must be in writing and you must include a statement that disclosure of all or part of the information could endanger you. This right may be conditioned on you providing an alternative address or other method of contact and, when appropriate, on you providing information on how payment, if any, will be handled.

Right to inspect and copy your health information

With certain exceptions, you have the right to inspect or obtain a copy of your health information in a "Designated Record Set." This may include medical and billing records maintained for a health care provider; enrollment, payment, claims adjudication, and case or medical management record systems maintained by a plan; or a group of records the Plans use to make decisions about individuals. However, you do not have a right to inspect or obtain copies of psychotherapy notes or information compiled for civil, criminal, or administrative proceedings. In addition, the Plans may deny your right to access, although in certain circumstances you may request a review of the denial.

If you want to exercise this right, your request must be in writing. Within 30 days of receipt of your request (60 days if the health information is not accessible onsite), the Plans will provide you with:

- The access or copies you requested;
- A written denial that explains why your request was denied and any rights you may have to have the denial reviewed or file a complaint; or
- A written statement that the time period for reviewing your request will be extended for no more than 30 more days, along with the reasons for the delay and the date by which the Plans expect to address your request.

The Plans may provide you with a summary or explanation of the information instead of access to or copies of your health information, if you agree in advance and pay any applicable fees. The Plans also may charge reasonable fees for copies or postage. If the Plans do not maintain the health information but know where it is maintained, you will be informed of where to direct your request.

Right to amend your health information that is inaccurate or incomplete

With certain exceptions, you have a right to request that the Plans amend your health information in a Designated Record Set. The Plans may deny your request for a number of reasons. For example, your request may be denied if the health information is accurate and complete, was not created by the Plans (unless the person or entity that created the information is no longer available), is not part of the Designated Record Set, or is not available for inspection (e.g., psychotherapy notes or information compiled for civil, criminal, or administrative proceedings).

If you want to exercise this right, your request must be in writing, and you must include a statement to support the requested amendment. Within 60 days of receipt of your request, the Plans will:

- Make the amendment as requested;
- Provide a written denial that explains why your request was denied and any rights you may have to disagree or file a complaint; or
- Provide a written statement that the time period for reviewing your request will be extended for no more than 30 more days, along with the reasons for the delay and the date by which the plans expect to address your request.

Right to receive an accounting of disclosures of your health information

You have the right to a list of certain disclosures the Plans have made of your health information. This is often referred to as an “accounting of disclosures.” You generally may receive an accounting of disclosures if the disclosure is required by law in connection with public health activities unless otherwise indicated below.

You may receive information on disclosures of your health information going back six years from the date of your request. You do not have a right to receive an accounting of any disclosures made:

- For treatment, payment, or health care operations;
- To you about your own health information;
- Incidental to other permitted or required disclosures;
- Where authorization was provided;
- To family members or friends involved in your care (where disclosure is permitted without authorization);
- For national security or intelligence purposes or to correctional institutions or law enforcement officials in certain circumstances; or
- As part of a “limited data set” (health information that excludes certain identifying information).

In addition, your right to an accounting of disclosures to a health oversight agency or law enforcement official may be suspended at the request of the agency or official.

If you want to exercise this right, your request must be in writing. Within 60 days of the request, the Plans will provide you with the list of disclosures or a written statement that the time period for providing this list will be extended for no more than 30 more days, along with the reasons for the delay and the date by which the Plans expect to address your request. You may make one request in any 12-month period at no cost to you, but the Plans may charge a fee for subsequent requests. You’ll be notified of the fee in advance and will have the opportunity to change or revoke your request.

Right to obtain a paper copy of this notice from the plan upon request

You have the right to obtain a paper copy of this Privacy Notice upon request.

Changes to the information in this notice

The Plans must abide by the terms of the Privacy Notice currently in effect. This notice originally took effect on April 14, 2003; however, it has been subsequently amended. The effective date of this notice is August 27, 2018. The Plans reserve the right to change the terms of their privacy policies as described in this notice at any time and to make new provisions effective for all health information that the Plans maintain. This includes health information that was previously created or received, not just health information created or received after the policy is changed. If a material change is made to a Plans' privacy policies as described in this notice, you will be provided with a revised Privacy Notice through posting on the Division of State Group Insurance (DSGI) web site, <https://www.mybenefits.myflorida.com/health>, and provided the revised notice, or information about the material change and how to obtain the revised notice, in the next annual mailing.

Complaints

If you believe your privacy rights have been violated, you may complain to the Plans and to the U.S. Secretary of Health and Human Services. You won't be retaliated against for filing a complaint. Complaints about activities by your insurer, HMO, or third-party administrator can be filed by following the procedures in the notices they provide. To file complaints with the Plans, contact the DSGI for a complaint form. It should be completed, including a description of the nature of the complaint, and mailed to the Division of State Group Insurance, P.O. Box 5450, Tallahassee, FL, 32314-5450.

Contact

For more information on the privacy practices addressed in this Privacy Notice and your rights under HIPAA, contact the Division of State Group Insurance at P.O. Box 5450, Tallahassee, FL, 32314-5450.

Special Notice about the Women's Health and Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient for:

1. Removal of all or part of the breast for medical necessity;
2. Reconstruction of the breast on which the mastectomy was performed;
3. Surgery and reconstruction of the other breast for a symmetrical appearance;
4. Treatment of physical complications of all stages of mastectomy including lymphedemas; and
5. Prostheses and mastectomy bras.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this Plan Booklet and Benefits Document. The deductibles and coinsurance for the Standard HMO Option and HDHP HMO Option are found in Section IV of this Plan Booklet and Benefits Document.

For more information, contact the Plan Administrator, the Division of State Group Insurance, at (800) 226-3734.
