Check in for a checkup

Getting your preventive care — like annual physicals, screenings and vaccines — can catch problems early when they're easier to treat. And since preventive care is covered under both medical plan options at 100% with any network doctor, it's also good for your wallet.

2024 medical plans at a glance

Aetna® offers you two medical plan options to choose from — the Standard HMO and the High-Deductible Health Plan HMO. Both plans use the Open Access Aetna SelectSM network.

You don't have to choose a primary care physician (PCP), but it's a good idea to establish that important relationship.

There are no upfront deductibles with the Standard HMO plan. And fixed copays help you better manage your share of costs.

You can visit any doctor in our network — no referral needed.

Make a smooth transition to Aetna®

If you live or work in a participating county (see page 4), it's easy to switch.

Check to see if your providers are in our network

Aetna networks are among the largest in the country. So there's a good chance your doctor already belongs. Just use the provider search tool to find out in three easy steps!

1. Go to **AetnaStateFlorida.com**.
2. Click on **Member Tools** then on **Provider Search**. You can then link to the Provider Search site.
3. As a guest, all you need to do is enter your ZIP code. You can then search by provider name or category of care within the mile radius you select.

Click on a name to learn more about a specific provider, including patient reviews, hospitals they're associated with, directions to their office, languages they speak and more.

Transition-of-care benefits

Are you receiving ongoing treatment from a provider who's not in the network? If approved, you may continue seeing the provider and receive in-network benefits.

Here are some situations that may qualify for transition of care:

- Chemotherapy or radiation therapy
- Organ transplants
- Pregnancy
- Recent major surgery
- Terminal illness

To learn more and apply, call Aetna Member Services at **1-877-858-6507 (TTY: 711)** and ask for a Transition Coverage Request form.

Watch for your new ID card

When you enroll, you'll receive one Aetna member ID card for up to five family members. Your ID card(s) will be mailed to you.

Once you're a member, you can register for your member website at **Aetna.com**. Then you can log in to request additional or replacement ID cards — or to access a digital copy of your ID card.
