## What do the Lantern Oncology Nurse Navigators and Care Guides do?

Our Oncology Nurse Navigators are experts in the field. They provide timely clinical guidance, coordinate care, facilitate expert advisory support and offer social and emotional support when you need it. Our Care Guides work with our nurses to coordinate any travel and appointments, request medical records and get answers to your questions. They help you handle the details, so you can focus on your health.

## Will Lantern help cover the cost of my treatment or surgery?

No. Lantern does not cover the cost of surgeries or treatments. That will still be provided through your medical insurance. Lantern may be able to help with travel costs to and from appointments for your cancer diagnosis. Your team can also connect you with resources in your community that can provide financial help.

## I like my oncologist. Do I have to switch doctors to use Lantern?

No. You can stay with your current oncologist and still get help from Lantern. But if you need to find an oncologist or want a second opinion, we can assist with finding a doctor and scheduling your appointments.

## What happens if my insurance changes?

If your new insurance doesn't include Lantern as a benefit, our team will work with you to find resources and support in your community as you transition onto your new insurance plan. Our goal is to help you have a seamless transition if it's needed.

If your new insurance includes Lantern as a benefit, you can continue working with your team. If your new insurance doesn't provide Lantern, talk to your human resources department about adding it to your coverage.
