4. **TERMINATION**

4.1 **Termination for Convenience**

This Contract may be terminated by the OAG in whole or in part at any time in the best interest of the OAG. All work in progress will become the property of the OAG and will be turned over promptly by the Contractor.

4.2 **Termination for Cause**

This Contract may be terminated for the Contractor's non-performance upon no less than 24 hours' notice in writing to the Contractor by certified mail, return receipt requested or in person with proof of delivery. Waiver of breach of any provisions of this Contract will not be deemed to be a waiver of any other breach and will not be construed to be a modification of the terms of this Contract. In the event of default, in addition to the OAG's right to terminate the Contract, the OAG may pursue any of its remedies at law or in equity, including but not limited to, any losses or expenditures of the OAG in obtaining replacement services or commodities, investigating, monitoring, or auditing, including legal fees, professional fees, consulting fees, and witness fees. In the event funds to finance this Contract become unavailable, the OAG may terminate the Contract upon no less than 24 hours' notice in writing to the Contractor. Notice must be delivered by certified mail, return receipt requested, or in person with proof of delivery. The OAG will be the final authority as to the availability of funds. In the event this Contract is terminated, the Contractor will be reimbursed for services satisfactorily completed subject to any such damages incurred by the OAG.

5. COMPENSATION

5.1 Payment

This is a fixed price, unit cost Contract. The OAG will pay the Contractor based on the amounts agreed to in **Attachment B, Price Sheet**, which is incorporated and attached to this Contract. The total contract amount, deliverable amounts, the unit of service as related to the deliverables, and timing of the payments (e.g., quarterly, monthly, one-time) are specified in the Price Sheet of this Contract. Payments will be made in accordance with sections 215.422 and 287.0585, Florida Statutes, which govern the timeframes for approval and payment of invoices. The OAG's failure to pay, or delay in payment will not constitute a breach of the Contract and will not relieve the Contractor of its obligations to the OAG.

For all services, the first hour appearance fee will be paid in full, by the Customer, regardless of job type. Each hour after the first hour will be billed, and rounded to the nearest quarter hour, except for half or full day charges.

A Customer canceling an appearance without a minimum of four hours' prior notice from the job assignment the scheduled time will result in the Customer being charged the first hour appearance fee plus an additional hour.

Appearance fees will not be paid for travel time or breaks (including meal breaks).

Any break, while providing service, does not restart calculation for appearance fees. The first hour back from any break is not considered a first hour for billing purposes. If a Customer schedules multiple jobs at the same location for one day, the start of each job does not constitute a first hour unless the break between jobs is one hour or more. Then the next job will be charged at the first hour fee.

No mileage will be paid when the service is located within twenty-five miles of the Respondent's physical official office location in the contracted circuit. Outside of that distance, mileage will be paid in accordance with section 112.061, Florida Statutes.

Postage charges for hard copy transcripts delivered to the Customer will be supported by appropriate invoices, receipts or affidavit and will be billed and reimbursed at cost, all documentation must be submitted with the invoice. The Respondent will use services that utilize tracking systems. Express services will only be used if requested, in writing, by the Customer.

No excerpt surcharges will be allowed.

For the term of the Contract and any renewal years, specified price increases will be applied. The percentages of the increases are specified on the **Attachment C, Rate Increase Sheet**. The increase for each successive year will be based on the previous year's prices, using the percentage stated in Attachment C. The Contract Manager will post the updated price sheets at the beginning of each fiscal year on the following Department of Management Services (DMS) weblink: https://www.dms.myflorida.com/business_operations/state_purchasing/state_contracts_and_agreements/state_term_contract/court_reporting_services/contractors_and_pricing_by_judicial_circuit

5.2 Invoices

The Contractor must submit a completed invoice to the Customer within 30 calendar days from completion of the Customer's requested deliverable. Failure to submit a timely invoice to the Customer may result in non-payment or the Contractor's payment being delayed.

Contractor must submit invoices for fees or other compensation for services listed on **Attachment B, Price Sheet**, in detail sufficient for a proper pre-audit and post-audit, directly to the Customer. Invoices will not be accepted from a subcontractor. The Customer reserves the right to request additional documentation before approving the invoice. At a minimum, each invoice must include the following:

- 5.2.1 Applicable case name and case number;
- 5.2.2 Individual assigned Contract "K" number;
- 5.2.3 Applicable date of service;
- 5.2.4 Time proceeding commenced and adjourned, hourly fee and cost due;
- 5.2.5 Number of original transcript pages with included copy, amount per page and cost due. Any additional copies are to be identified as a separate line with number of pages, amount per page and cost due;

- 5.2.7 Circuit number where services were performed.

5.3 Bills for Travel

5.4 Final Invoice

Unless renewed or extended, the final invoice must be received within 30 calendar days immediately following contract expiration or termination. If Contractor fails to do so, all rights to payment are forfeited and the OAG will not honor any requests submitted after the aforesaid time period. Any payment under the terms of this Contract may be withheld until all deliverables and any necessary adjustments have been approved by the OAG. All payments will be made in accordance with section 215.422, Florida Statutes.

5.5 Preferred Price Affidavit or Proof of Service Form Requirement

During the Contract term, if the OAG becomes aware of better pricing offered by the Contractor for substantially the same or a smaller quantity of a service outside the Contract, but upon the same or similar terms of the Contract, then at the discretion of the OAG the price under the contract will be immediately reduced to the lower price, per Section 4(b) of PUR 1000. The Contractor will submit to the OAG from an authorized representative, at least annually, attesting that the Contractor is complying with the Best Pricing Offer provision.

5.6 MyFloridaMarketPlace Transaction Fees

The state of Florida, through the Department of Management Services, has instituted MyFloridaMarketPlace, a statewide eProcurement system. Pursuant to section 287.057(24), Florida Statutes and Florida Administrative Code Rule 60A-1.031, all payments will be assessed a transaction fee of one percent, or as may otherwise be established by law, which the Contractor will pay to the State. For payments within the State accounting system (FLAIR or its successor), the transaction fee will, when possible, be automatically deducted from payments to the Contractor. If automatic deduction is not possible, the Contractor will pay the transaction fee pursuant to Florida Administrative Code Rule 60A-1.031. By submission of these reports and corresponding payments, the Contractor certifies their correctness. All such reports and payments will be subject to audit by the State or its designee. The Contractor will receive a credit for any transaction fee paid by the Contractor for the purchase of any item. If such items are returned to the Contractor through no fault, act, or omission of the Contractor. Notwithstanding the foregoing, a transaction fee is non-refundable when an item is rejected or returned, or declined, due to the Contractor's failure to perform or comply with specifications or requirements of the Contract. Failure to comply with these requirements will constitute grounds for declaring the Contractor in default and recovering re-procurement costs from the Contractor in addition to all outstanding fees. Contractors delinquent in paying transaction fees will be excluded from conducting future business with the State.

5.7 Contractor Ombudsman

A Vendor Ombudsman has been established within the Department of Financial Services. The duties of the Vendor Ombudsman are found in section 215.422, Florida Statutes, which include disseminating information relative to prompt payment and assisting vendors in receiving their payments in a timely manner from the OAG. The Vendor Ombudsman may be contacted at (850) 413-5516 or 1-(800)-342-2762.

5.8 Taxes

The OAG is generally exempt from all federal, state, and local taxes and no such taxes will be included in the price of the Contract. The OAG will have no responsibility for the payment of taxes which become payable by Contractor or its subcontractors in the performance of the Contract.

5.9 Corrective Action Plan (CAP)

The OAG, at its sole discretion, is authorized to identify deficiencies within the Contractor's performance and request a proposed CAP to correct the deficiencies. Use of a CAP does not bar the OAG from assessing financial consequences or pursuing any other remedies available at law.

5.10 Subcontractor and Subcontract Requirements

5.10.1 Contractor will not subcontract any work contemplated under this Contract without the OAG's prior written approval. The Contractor will be responsible for its subcontractors' work, including assessment of financial consequences that result from the subcontractor's non-performance. If the OAG permits the Contractor to subcontract under this Contract, the OAG will not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and Contractor will be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract. If the OAG permits the Contractor to subcontract, such permission will be indicated in **Attachment A, Scope of Work**. If Contractor subcontracts any of the services performed under the Contract without obtaining the OAG's prior written approval, the OAG will not pay the Contractor for such subcontracted services. Nothing in this Contract grants any rights or remedies to any person or entity other than the Contractor and OAG or creates a third-party beneficiary relationship between the OAG and any subcontractors or employees of the Contractor.

5.10.2 Unless otherwise stated in the Contractor's contract with the subcontractor, payment must be made within seven working days after receipt of full or partial payments from the OAG in accordance with section 287.0585, Florida Statutes. Failure to pay within seven working days will result in a penalty charged against the Contractor to be paid by the Contractor to the subcontractor in the amount of one-half of one percent of the amount due per day from the expiration of the period allowed herein for payment. The penalty will be in addition to actual payments owed and will not exceed 15 percent of the outstanding balance due.

6. INDEMNIFICATION, LIMITATION OF LIABILITY AND INSURANCE

6.1 Indemnification

Contractor is liable for and will indemnify, defend, and hold harmless the OAG and all of its officers, agents, and employees from all claims, suits, judgments, or damages, consequential or otherwise and including attorneys' fees and costs, arising out of any act, actions, neglect, or omissions by Contractor, its agents, or employees during the performance or operation of this Contract or any subsequent modifications thereof, whether direct or indirect, and whether to any person or tangible or intangible property.

Contractor's inability to evaluate liability or its evaluation of no liability will not excuse Contractor's duty to defend and indemnify the OAG within seven calendar days after certified mail or courier delivery notice from the OAG. Only adjudication or judgment after highest appeal is exhausted specifically finding Contractor not liable will excuse performance of this provision. The Contractor will pay all costs and fees related to this obligation and its enforcement by the OAG. The OAG's failure to notify Contractor of a claim will not release Contractor of the above duty to indemnify. **NOTE: This Section 6, Indemnification, Limitation of Liability, and Insurance, is not applicable to Contracts executed between state agencies or subdivisions, as defined in section 768.28, Florida Statutes.**

6.2 Limitation of Liability

The limits of coverage under each policy maintained by the Contractor do not limit Contractor's liability and obligations under this Contract. Upon the execution of this Contract, Contractor must furnish the OAG written verification supporting both the determination and existence of such insurance coverage. Such coverage may be provided by a self-insurance program established and operating under the laws of the state of Florida.
