Contractor's timely submission and implementation of an acceptable Corrective Action Plan to the Department upon request	Failure to timely submit to the Department an acceptable Corrective Action Plan or timely implement an acceptable corrective action to resolve performance deficiencies when requested	Per Occurrence	\$10,000

Failure to adhere to the above performance metrics will result in the imposition of financial consequences and repeated failures or non-payment of financial consequences owed under the Contract may result in the Contractor being found in default and the termination of the Contract.

No favorable action will be considered when Contractor has outstanding Contract Quarterly Sales Reports, MFMP Transaction Fee Reports, or any other documentation owed to the Department or Customer, to include fees / monies, that is required under the Contract.

22.11 Price Adjustments

Prices may be adjusted no earlier than 12 months after the start date of the Contract and no earlier than 12 months after the effective date of the previous price adjustment, whichever is later. All other pricing shall be in accordance with the initial and renewal term pricing. Price increases must be supported by a change in the Producer Price Index (PPI) for the Series ID(s) shown in the table below. This information is published by the U.S. Department of Labor, Bureau of Labor Statistics (BLS), and is available at <http://www.bls.gov/data/>.

Series ID	Product
561612561612	Security guards and patrol services

The change in PPI for the first price adjustment after the start date of the contract period shall be determined using the PPI for the month in which the start date of the contract period began and the latest available non-preliminary PPI at the time of the price adjustment request; a preliminary PPI is indicated on the BLS website with a "(P)" notation. The change in PPI for second and subsequent price adjustments shall be determined using the latest PPI that was used to support the previous price adjustment and the latest available non-preliminary PPI at the time of the request.

When requesting a price increase, the Contractor shall submit a written justification to the Contract Manager detailing the reason(s) for the request; an increase in the PPI is not sufficient justification for a price increase by itself. Price increases shall not exceed the percent change in PPI or five percent, whichever is less. The percent change in PPI shall be calculated using the following formula:

$$(B - A) / A = Z$$

Where:

A = earliest PPI (PPI at time of initial Contract or renewal execution or previous price adjustment)

B = latest PPI (latest available non-preliminary PPI at time of price adjustment request)

Z = percent change in PPI

The Department reserves the exclusive right to accept or reject any price adjustment request. Price adjustments will not be considered for any Contractor with any contractual non-performance issues including, but not limited to, outstanding fees or monies due under the Contract or overdue reports or documentation including, but not limited to, a Quarterly Sales Report or an MFMP Transaction Fee Report. Price adjustments are effective only upon written approval by the Department and may not be applied retroactively. The Department reserves the right to request price decreases at any time during the term of the Contract if it is found to be in the best interest of the State. Price

decreases issued by the Contractor are permissible at any time during the initial and renewal terms.

22.12 Purchasing Card

The state of Florida has implemented a purchasing card program, using the Visa platform. The Contractor may receive payments via the state's Purchasing Card in the same manner as any other Visa purchases. Purchasing Card/Visa acceptance for purchase is a mandatory requirement for the Contract but is not the exclusive method of payment. If the state of Florida changes its Purchasing Card platform during the term of Contract, the Contractor shall make any necessary changes to accommodate the State of Florida's new Purchasing Card platform within 30 days of notification of such change.

SECTION 3. CONTRACT CONSTRUCTION AND ADMINISTRATION

3.1 Construction. Unless the context requires otherwise, (i) the words "include," "includes," and "including" are deemed to be followed by the words "without limitation;" (ii) the word "or" is not exclusive; and (iii) the words "herein," "hereof," "hereby," "hereto," and "hereunder" refer to the Term Contract as a whole, inclusive of all Attachments. The Term Contract will be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting an instrument or causing any instrument to be drafted. The Attachments referred to herein will be construed with, and as an integral part of, the Term Contract to the same extent as if they were set forth verbatim herein.

3.2 Administration. Execution in Counterparts. The Term Contract may be executed in counterparts, each of which will be an original and all of which will constitute but one and the same instrument.

3.2.1 Notices. Where the term "written notice" is used to specify a notice requirement herein, said notice will be deemed to have been given (i) when personally delivered; (ii) email (with confirmation of receipt) the day immediately following the day (except if not a Business Day then the next Business Day) on which the notice or communication has been provided prepaid by the sender to a recognized overnight delivery service; or (iii) on the date actually received except where there is a date of the certification of receipt.

Unless otherwise specified, the Contractor shall deliver all notices to the Department's Contract Manager and the Department shall deliver all notices to the Contractor's Contract Manager.

EXHIBIT C

- 3.2.2 **Severability.** If a court deems any non-material provision of the Term Contract void or unenforceable, all other provisions will remain in full force and effect. Upon a determination that any material provision is void or unenforceable, the parties shall negotiate in good faith to modify this Term Contract to give effect to the original intent of the parties as closely as possible in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.
- 3.2.3 **Waiver.** The delay or failure by the Department to exercise or enforce any of its rights under the Term Contract will not constitute or be deemed a waiver of the Department's right thereafter to enforce those rights, nor will any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.
- 3.2.4 **Survivability.** The Term Contract and any and all promises, covenants, and representations made herein are binding upon the parties hereto and any and all respective heirs, assigns, and successors in interest. The respective obligations of the parties, which by their nature would continue beyond the termination or expiration of the Term Contract, including without limitation, the obligations regarding confidentiality, proprietary interests, reporting, and public records, will survive termination or expiration of the Term Contract.
- 3.2.5 **Third Party Beneficiaries.** The parties acknowledge and agree that the Term Contract is for the benefit of the parties hereto. The Term Contract is not intended to confer any legal rights or benefits on any other party, except such rights and benefits associated with a purchase made by a Customer off this Term Contract.

SECTION 4. CONTRACT TERM, SUSPENSION, AND TERMINATION.

- 4.1 **Term.** The initial term will begin on the date set forth in the Term Contract documents or on the date the Term Contract is signed by all parties, whichever is later.

Upon written agreement, the Department and the Contractor may renew the Term Contract in whole or in part only as set forth in the Term Contract documents, and in accordance with section 287.057(13), F.S. No costs may be charged for the renewals.

4.2 **Suspension of Work and Termination.**

- 4.2.1 **Suspension of Work.** The Department may, in its sole discretion, suspend any or all activities under the Term Contract, at any time, when it is in the best interest of the State of Florida to do so. The Department will provide the Contractor written notice outlining the particulars of the suspension. After receiving a suspension notice, the Contractor must comply with the notice and will cease the performance of the Term Contract. Suspension of work will not entitle the Contractor to any compensation for services not performed or commodities not delivered during the suspension period nor for any additional compensation.
- 4.2.2 **Termination for Convenience.** The Term Contract may be terminated by the Department, by written notice to the Contractor thirty (30) calendar days in advance, in whole or in part at any time, when the Department determines in its sole discretion that it is in the Department's interest to do so. The Contractor shall not furnish any Product after it receives the notice of termination, except as necessary to complete

EXHIBIT C

the continued portion of the Term Contract, or a continued purchase off the Term Contract, if any. The Contractor will not be entitled to recover any cancellation charges or lost profits. If the Term Contract is terminated before performance is completed, the Contractor will be paid only for that work satisfactorily performed for which costs can be substantiated. Such payment, however, may not exceed an amount which is the same percentage of any Customer contract price as the amount of work satisfactorily performed. All work in progress will become the property of the Customer and will be turned over promptly by the Contractor.

- 4.2.3 **Termination for Cause.** The Department may terminate the Term Contract if the Contractor fails to (i) on multiple occasions, timely deliver Products purchased by Customers, (ii) on multiple occasions, maintain adequate progress on Customer purchases, thus endangering performance, (iii) honor any term of the Term Contract, or (iv) abide by any statutory, regulatory, or licensing requirement. The Department may, at its sole discretion, (i) immediately terminate the Term Contract, (ii) notify the Contractor of the deficiency and require that the deficiency be corrected within a specified time, otherwise the Term Contract will terminate at the end of such time, or (iii) take other action deemed appropriate by the Department. The Contractor shall continue work on any work not terminated.

Except for defaults of subcontractors at any tier, the Contractor will not be liable for any excess costs if the failure to perform arises from events completely beyond the control, and without the fault or negligence, of the Contractor. If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is completely beyond the control of both the Contractor and the subcontractor, and without the fault or negligence of either, the Contractor will not be liable for any excess costs for failure to perform, unless the subcontracted Products were obtainable from other sources in sufficient time for the Contractor to meet the required delivery schedule. If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the parties will be the same as if the termination had been issued for the convenience of the Department. The rights and remedies of the Department in this clause are in addition to any other rights and remedies provided by law or under the Term Contract. The Customer will notify the Department of any vendor that has met the grounds for placement of the vendor on the Department of Management Services' Suspended Vendor List, as required in section 287.1351, F.S.

- 4.2.4 **Termination for Non-Compliance with E-Verify.** Pursuant to section 448.095(5)(c)1., F.S., the Department shall terminate the Term Contract if it has a good faith belief that the Contractor has knowingly violated section 448.09(1), F.S. Pursuant to section 448.095(5)(c)2., F.S., if the Department has a good faith belief that a subcontractor knowingly violated section 448.09(1), F.S., the Department shall promptly notify the Contractor and order the Contractor to immediately terminate the contract with the subcontractor.
- 4.2.5 **Termination Related to Statutory Certifications.** At the Department's option, the Term Contract may be terminated if the Contractor is placed on any of the lists referenced in the attached PUR 7801, Vendor Certification Form, or would otherwise be prohibited from entering into or renewing the Term Contract based on the statutory provisions referenced therein.

EXHIBIT C

- 4.2.6 **Termination for Refusing Access to Public Records.** In accordance with section 287.058, F.S., the Department may unilaterally terminate the Term Contract for refusal by the Contractor to allow public access to all documents, papers, letters, or other material made or received by the Contractor in conjunction with the Term Contract, unless the records are exempt from s. 24(a) of Art. I of the State Constitution and section 119.071(1), F.S.

SECTION 5. PURCHASES OFF THE TERM CONTRACT.

- 5.1 **Purchases.** By executing the Term Contract, the Contractor agrees to allow Customers to make purchases off the Term Contract. Purchases from Customers other than the Department are independent of the agreement between the Department and the Contractor, and the Department shall not be a party to such transaction. Customers' purchases off the Term Contract are limited to Products offered under the Term Contract, and no additional Products may be provided under a purchase off the Term Contract.

- 5.2 **Purchase Submission.** For any purchases off the Term Contract, either the contract (as defined in Rule 60A-1.001, F.A.C.) must be executed between the Customer and Contractor, or the purchase order (as defined in Rule 60A-1.001, F.A.C.) must be issued by the Customer to the Contractor, no later than the last day of the Term Contract's term to be considered timely. Contracts executed, or purchase orders issued, after the last day of the Term Contract's term shall be considered void.

- 5.3 **Terms.** The terms of the Form PUR 1000, General Contract Conditions, incorporated in Rule 60A-1.002, F.A.C., and linked here <http://www.flrules.org/Gateway/reference.asp?No=Ref-16731>, are hereby incorporated by reference herein and will apply to all purchases made by a Customer off the Term Contract. The Customer may attach additional terms and conditions specific to its particular purchase made off the Term Contract, which are considered Special Conditions. The term "Special Conditions" does not include any Contractor-provided documents, including attachments or standard preprinted forms, service agreements, end user agreements, product literature, or "shrink wrap" terms accompanying or affixed to a Product, whether written or electronic, or terms incorporated onto the Contractor's order or fiscal forms or other documents forwarded by the Contractor for payment. Any Customer Special Conditions shall not become a part of the Term Contract.

- 5.3.1 **Term.** The term of the Customer purchase off the Term Contract will be as specified in the purchase, except that if renewals of the purchase are permitted, the Customer and Contractor shall not renew the purchase if the Term Contract expires prior to the effective date of the renewal. Any existing term of a purchase off the Term Contract shall not extend more than forty-eight (48) months beyond the end of the Term Contract. However, if an extended pricing plan offered in the Term Contract is agreed upon by the Customer and Contractor and extends more than forty-eight (48) months beyond the end of the Term Contract, the agreed upon extended pricing plan terms shall govern the maximum duration of the purchase. The Contractor is required to fulfill timely purchases that extend performance beyond the Term Contract term even when such extended delivery will occur after expiration of the Term Contract. For such purchases, all terms and conditions of the Term Contract shall survive the termination or expiration of the Term Contract and apply to the Contractor's continued performance.

- 5.3.2 **Additional Requirements.** All Customer purchases off the Term Contract shall

EXHIBIT C

contain the Term Contract name and number and shall be placed by the Customer. Delivery or furnishing Products shall not occur until the Customer executes their contract or transmits the purchase order, as defined in Rule 60A-1.001, F.A.C.

SECTION 6. PAYMENT AND FEES.

6.1 Pricing. The Contractor shall not exceed the pricing set forth in the Term Contract documents.

6.2 Best Pricing Offer. During the term of the Term Contract, if the Department or Customer becomes aware of better pricing offered by the Contractor for substantially the same or a smaller quantity of a Product outside the Term Contract, but upon the same or similar terms of the Term Contract, then the Department or Customer may request that the Contractor immediately reduce to the lower price.

6.3 Price Decreases. The following price decrease terms will apply to the Term Contract:

6.3.1 Quantity Discounts. The Contractor may offer additional discounts for one-time delivery of large single orders. The Customer should seek to negotiate additional price concessions on quantity purchases of any Products offered under the Term Contract.

6.3.2 Sales Promotions. In addition to decreasing prices for the balance of the Term Contract term due to a change in market conditions, the Contractor may conduct sales promotions involving price reductions for a specified lesser period. If conducting a sales promotion, the Contractor must submit documentation to the Department's Contract Manager identifying the proposed: (1) starting and ending dates of the promotion, (2) Products involved, and (3) promotional prices compared to then-authorized prices. The Contractor shall provide notice to Customers of the promotion and shall make the promotional prices available to all Customers.

6.3.3 Equitable Adjustment. The Department may, in its sole discretion, make an equitable adjustment in the Term Contract terms or pricing if pricing or availability of supply is affected by extreme and unforeseen volatility in the marketplace, that is, by circumstances that satisfy all the following criteria: (1) the volatility is due to causes wholly beyond the Contractor's control, (2) the volatility affects the marketplace or industry, not just the particular Term Contract source of supply, (3) the effect on pricing or availability of supply is substantial, and (4) the volatility so affects the Contractor that continued performance of the Term Contract would result in a substantial loss.

6.4 Purchase Prerequisites. The Contractor may be required to accept the State of Florida Purchasing Card and MyFloridaMarketPlace (MFMP) purchase orders. The Contractor must ensure that entities receiving payment directly from Customers under this Term Contract must have met the following requirements:

- Have an active registration with the Florida Department of State, Division of Corporations (www.sunbiz.org), or, if exempt from the registration requirements, provide the Department with the basis for such exemption.
- Be registered in the MFMP Vendor Information Portal (<https://vendor.myfloridamarketplace.com>).
- Have a current W-9 filed with the Florida Department of Financial Services (<https://flvendor.myfloridacfo.com>)

6.5 Transaction Fees. The State of Florida, through the Department of Management Services,

EXHIBIT C

has instituted MyFloridaMarketPlace, a statewide eProcurement system pursuant to section 287.057(24), Florida Statutes (F.S.). All payments issued by Agencies to registered vendors for purchases of Commodities or Contractual Services under Chapter 287, F.S., shall be assessed the Transaction Fee of one percent (1.0%) of the total amount of the payments received from the State or Eligible Users, as prescribed by Rule 60A-1.031, Florida Administrative Code (F.A.C.), or as may otherwise be established by law. Vendors shall pay the Transaction Fee and are subject to automatic deduction of the Transaction Fee, when automatic deduction becomes available. Vendors shall submit any monthly reports required pursuant to Rule 60A-1.031, F.A.C. All such reports and payments are subject to audit. The Agency will have grounds for declaring the vendor in default if the vendor fails to comply with the payment of the Transaction Fee or reporting of payments, which may subject the vendor to being suspended from business with the State of Florida.

- 6.6 Exclusivity.** The Term Contract is not an exclusive license to provide the Products described in the Term Contract. The Department may, without limitation and without recourse by the Contractor, contract with other vendors to provide the same or similar Products.

SECTION 7. PERFORMANCE

- 7.1 Warranty of Ability to Perform.** Upon the effective date of the Term Contract, and each year on the anniversary date of the Term Contract, the Contractor shall submit to the Department a completed PUR 7801, Vendor Certification Form. The Contractor warrants that, to the best of its knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would in any way prohibit, restrain, or diminish the Contractor's ability to satisfy its Term Contract obligations.

Additionally, the Contractor shall promptly notify the Department in writing if its ability to perform is compromised in any manner during the term of the Term Contract (including potential inability to renew the Term Contract due to section 287.138 or 908.111, F.S.) or if it or its suppliers, subcontractors, or consultants under the Term Contract are placed on the Suspended Vendor, Convicted Vendor, Discriminatory Vendor, Forced Labor Vendor, or Antitrust Violator Vendor Lists. The Contractor shall use commercially reasonable efforts to avoid or minimize any delays in performance and shall inform the Department of the steps the Contractor is taking or will take to do so, and the projected actual completion (or delivery) time. If the Contractor believes a delay in performance by the Department has caused or will cause the Contractor to be unable to perform its obligations on time, the Contractor shall promptly so notify the Department and use commercially reasonable efforts to perform its obligations on time notwithstanding the Department's delay.

- 7.2 Further Assurances.** The parties shall, with reasonable diligence, do all things and provide all reasonable assurances as may be necessary to complete the requirements of the Term Contract, and each party shall provide such further documents or instruments requested by the other party as may be reasonably necessary or desirable to give effect to the Term Contract and to carry out its provisions. The Department is entitled at all times, upon request, to be advised as to the status of work being done by the Contractor and the details thereof.
- 7.3 Assignment.** The Contractor shall not sell, assign or transfer any of its rights, duties or obligations under the Term Contract without the prior written consent of the Department. In the event of any assignment, the Contractor remains secondarily liable for performance of

EXHIBIT C

the Term Contract, unless the Department expressly waives such secondary liability. The Department may assign the Term Contract with prior written notice to Contractor of its intent to do so.

7.4 **Employees, Subcontractors, and Agents.**

7.4.1 **Subcontractors.** The Contractor will not subcontract any work under the Term Contract without prior written consent of the Department. The Contractor shall obtain prior written consent using the process identified on the Department's website: [Subcontractor/Dealer/Reseller Forms / Vendor Resources / State Purchasing / Business Operations - Florida Department of Management Services \(myflorida.com\)](#). The use of the term "subcontractor" may refer to affiliates, resellers, dealers, distributors, partners, teammates, and all other third parties utilized by the Contractor at any tier under the Term Contract. The Contractor is responsible for ensuring that its subcontractors providing commodities and performing services in furtherance of the Term Contract do so in compliance with the terms and conditions of the Term Contract. By execution of the Term Contract, the Contractor acknowledges that it will not be released of its contractual obligations to Customers because of any failure of a subcontractor. The Contractor is fully responsible for satisfactory completion of all work performed under the Term Contract. The Contractor's use of a subcontractor not approved by the Department will be considered a material breach of the Term Contract.

7.4.2 **Independent Contractor.** The Contractor and its employees, agents, representatives, and subcontractors are not employees or agents of the Department or the State and are not entitled to the benefits of Department or State employees. Neither the Customer nor the State will be bound by any acts or conduct of the Contractor or its employees, subcontractors, or agents. The Contractor shall include this provision in all of its subcontracts under the Term Contract.

7.5 **Force Majeure, Notice of Delay, and No Damages for Delay.** The Contractor will not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of the Contractor or its employees, subcontractors, or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, lightning strikes, fires, floods, or other similar cause wholly beyond the Contractor's control, or for any of the foregoing that affect suppliers if no alternate source of supply is available to the Contractor.

In case of any delay the Contractor believes is excusable, the Contractor shall notify the Department in writing of the delay or potential delay and describe the cause of the delay either (i) within ten (10) calendar days after the cause that creates or will create the delay first arose, if the Contractor could reasonably foresee that a delay could occur as a result; or (ii) if a delay is not reasonably foreseeable, within five (5) calendar days after the date the Contractor first had reason to believe that a delay could result. THE FOREGOING WILL CONSTITUTE THE CONTRACTOR'S SOLE REMEDY OR EXCUSE WITH RESPECT TO ANY DELAY except if such delay is caused by the fraud, bad faith, or active interference of the Department. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy, and a rebuttable presumption of prejudice will exist based on Contractor's untimely notice. The Contractor shall not assert any claim for damages related to such delay. The Contractor will not be entitled to an increase in the Term Contract price or payment of any kind from the Department for direct, indirect, consequential, impact, or other costs, expenses, or damages, including costs of acceleration or inefficiency, arising

EXHIBIT C

because of delay, disruption, interference, or hindrance from any cause whatsoever.

If performance is suspended or delayed, in whole or in part, due to any of the causes described in this subsection, the Department may unilaterally (and with no recourse on the part of the Contractor) identify and use an alternate source to complete any work under the Term Contract as the Department deems necessary, in its sole discretion. After the causes have ceased to exist, the Contractor shall perform at no increased cost, unless the Department determines, in its sole discretion, that the delay will significantly impair the value of the Contract to the Department or State, in which case the Department may (i) accept allocated performance or deliveries from the Contractor, provided that the Contractor grants preferential treatment to the Department with respect to Products subjected to allocation; or (ii) terminate the Term Contract in whole or in part.

SECTION 8. CONTRACT MANAGEMENT

8.1 Department's Contract Manager. The Department's Contract Manager for the Term Contract, who is primarily responsible for the Department's oversight of the Term Contract, will be identified in a separate writing to the Contractor upon Term Contract signing in the following format:

Department's Contract Manager Name
 Department's Name
 Department's Physical Address
 Department's Telephone #
 Department's Email Address

8.2 Contractor's Contract Manager. The Contractor's Contract Manager, who is primarily responsible for the Contractor's oversight of the Term Contract performance, will be identified in a separate writing to the Department upon Term Contract signing in the following format:

Contractor's Contract Manager Name
 Contractor's Name
 Contractor's Physical Address
 Contractor's Telephone #
 Contractor's Email Address

Either party may notify the other by email of a change to a designated contact providing the contact information for the newly designated contact, and such notice is sufficient to effectuate this change without requiring a written amendment to the Term Contract.

SECTION 9. COMPLIANCE WITH LAWS.

9.1 Conduct of Business. The Contractor shall comply with all laws, rules, codes, ordinances, and licensing requirements that are applicable to the conduct of its business and that are applicable to the Term Contract, including those of federal, state, and local agencies having jurisdiction and authority, and shall ensure that any and all subcontractors utilized do the same. The Contractor represents and warrants that no part of the funding under the Term Contract will be used in violation of any state or federal law, including, but not limited to, 8 U.S.C. § 1324 or 8 U.S.C. § 1325, or to aid or abet another in violating state or federal law. The Department may terminate the Term Contract at any time if the Contractor violates, or aids or abets another in violating, any state or federal law.

EXHIBIT C

If the requirements of the Term Contract conflict with any governing law, codes or regulations, the Contractor shall notify the Department in writing and the parties shall amend the Term Contract to comply with the applicable code or regulation. Similarly, if the Contractor believes that any governmental restrictions have been imposed that require alteration of the material, quality, workmanship or performance of the Products offered under the Term Contract, the Contractor shall immediately notify the Department in writing, indicating the specific restriction. The Department reserves the right and the complete discretion to accept any such alteration or to cancel the Term Contract at no further expense to the Department.

Pursuant to section 287.057(26), F.S., the Contractor shall answer all questions of, and ensure a representative will be available to, a Customer's continuing oversight team for purchases off this Term Contract.

9.2 Integrity. In addition to any applicable statutory restrictions, the Contractor shall not, in connection with this or any other agreement with the State, directly or indirectly (i) offer, confer, or agree to confer any pecuniary benefit on anyone as consideration for any State officer or employee's decision, opinion, recommendation, vote, other exercise of discretion, or violation of a known legal duty; or (ii) offer, give, or agree to give to anyone any gratuity for the benefit of, or at the direction or request of, any State officer or employee. For purposes of clause (ii), "gratuity" means any payment in the form of cash, travel, entertainment, gifts, meals, lodging, loans, subscriptions, advances, deposits of money, services, employment, or contracts of any kind.

SECTION 10. DISPUTES AND LIABILITIES.

10.1 Dispute Resolution. Should any disputes arise between the Department and the Contractor with respect to the Term Contract, the Contractor and the Department shall act immediately to resolve any such disputes. Time is of the essence in the resolution of disputes.

Exhaustion of this administrative remedy detailed in the Dispute Resolution Process contemplated in this Term Contract is an absolute condition precedent to the Contractor's ability to seek other remedies related to the Term Contract.

10.2 Dispute Resolution Process.

- (a) Department Review. The parties shall resolve disputes through written submission of their dispute to the Department's Contract Manager. The Department shall respond to the dispute in writing within ten (10) Business Days from the date that the Department's Contract Manager receives the dispute. The Department's decision shall be final unless a party provides the other party with written notice of the party's disagreement with the decision within ten (10) Business Days from the date of the Department's decision. If a party disagrees with the Department's decision, the party may proceed to subsection (b) below.
- (b) Meeting between the Principals. If either party disagrees with the Department's decision, such disagreeing party shall notify the other party of the disagreement within ten (10) Business Days. The parties shall then schedule a meeting between each party's principal (for the Department, the Department head or designee; for the Contractor, the Chief Executive Officer or designee) on a mutually agreed upon date, no later than ten (10) Business Days after the provision of the notice. The principals shall attempt to mutually resolve the disagreement at such meeting.
- (c) Mediation. If the dispute is not resolved through a meeting of the Principals, the parties, upon mutual agreement, may mediate such dispute. If such mediation is not completed

EXHIBIT C

within 100 calendar days from receipt of the Department's decision, then either party may seek other remedies.

If the dispute is not resolved through the full process in subsections (a) - (c) above (or (a) – (b), if mediation is not agreed to), either party may pursue any other remedies.

- 10.3 Contractor's Obligation to Perform While Disputes are Pending.** The Contractor shall proceed diligently with performance under the Term Contract pending the final resolution of any dispute or request for relief, claim, appeal, or action arising under the Term Contract and shall comply with directions to perform from the Department. Should the Contractor not perform while a dispute is pending, including by not performing disputed work, such nonperformance by the Contractor may be deemed to be an unexcused breach of the Term Contract which is separate and apart from any other dispute.
- 10.4 Governing Law and Venue.** The Term Contract will be governed by, and construed in accordance with, the laws of the State. Jurisdiction and venue for suit arising under the terms of the Term Contract will exclusively be in the appropriate State court located in Leon County, Florida. Except as otherwise provided by law, the parties agree to be responsible for their own attorney's fees and costs incurred in connection with disputes arising under the terms of the Term Contract.
- 10.5 Remedies Cumulative.** No remedy herein conferred upon or reserved to either party is intended to be exclusive of any other remedy or remedies, and each and every such remedy will be cumulative, and will be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity.
- 10.6 JURY WAIVER. THE PARTIES, ON BEHALF OF THEMSELVES AND ASSIGNS, WAIVE ALL RIGHT TO TRIAL BY JURY FOR ANY ACTION, APPEAL, CLAIM, OR PROCEEDING, WHETHER IN LAW IN OR IN EQUITY, WHICH IN ANY WAY ARISES OUT OF OR RELATES TO THE TERM CONTRACT OR ITS SUBJECT MATTER.**
- 10.7 Indemnification.** For any and all third-party claims, actions, demands, liabilities, and expenses of any kind which are caused by, related to, growing out of or happening in connection with the Term Contract (including any determination arising out of or related to the Term Contract that the Contractor or its employees, agents, subcontractors, assignees, or delegates are not independent contractors in relation to the Department or State), the Contractor shall be fully liable for the actions of its employees, subcontractors, and agents and shall fully indemnify, defend, and hold harmless the Department and the State (including each of their current and former officers, agents, and employees) for any and all loss, damage, injury, costs, reasonable expenses, or other casualty to person or property. Without limiting this indemnification requirement, the Department may provide the Contractor (i) written notice of any action or threatened action, (ii) the opportunity to take over and settle or defend any such action at the Contractor's sole expense, and (iii) assistance in defending the action at the Contractor's sole expense. The above indemnity requirement does not apply to that portion of any loss or damages proximately caused by the negligent act or omission of the Department or the State. Nothing herein is intended to act as a waiver of the Department's or State's sovereign immunity or to be deemed consent by the Department or State or its subdivisions to suit by third parties.

SECTION 11. MISCELLANEOUS.

EXHIBIT C

- 11.1 Department of State Registration.** Consistent with Title XXXVI, F.S., if the Contractor asserts status other than that of a sole proprietor, it must provide the Department with i) conclusive evidence of a certificate of status, not subject to qualification, if a Florida business entity; ii) a certificate of authorization if a foreign business entity; or iii) if exempt from the registration requirements, a basis for such exemption.
- 11.2 Time is of the Essence.** Time is of the essence regarding every obligation of the Contractor under the Term Contract. Each obligation is deemed material, and a breach of any such obligation (including a breach resulting from untimely performance) is a material breach.
- 11.3 Cooperative Purchasing.** Pursuant to their own governing laws, and subject to the agreement of the Contractor, governmental entities that are not Customers may make purchases under the terms and conditions contained herein, if agreed to by the Contractor. Such purchases are independent of the Term Contract between the Department and the Contractor, and the Department is not a party to these transactions.

SECTION 12. PUBLIC RECORDS, TRADE SECRETS, DOCUMENT MANAGEMENT, AND INTELLECTUAL PROPERTY.

- 12.1 General Record Management and Retention.** The Contractor shall retain all records that were made in relation to the Term Contract for the longer of five (5) years after expiration of the Term Contract or the period required by the General Records Schedules maintained by the Florida Department of State available at: <https://dos.fl.gov/library-archives/records-management/general-records-schedules/>.
- 12.2 Identification and Protection of Confidential Information.** Article 1, section 24, of the Florida Constitution, guarantees every person access to public records, and section 119.011, F.S., provides a broad definition of “public record.” As such, records submitted to the Department (or any other State agency) are public records and are subject to disclosure unless exempt from disclosure by law. If the Contractor considers any portion of a record it provides to the Department (or any other State agency) to be trade secret or otherwise confidential or exempt from disclosure under Florida or federal law (“Confidential Information”), the Contractor shall mark as “confidential” each page of a document or specific portion of a document containing Confidential Information and simultaneously provide the Department (or other State agency) with a separate, redacted copy of the record. The Contractor shall state the basis of the exemption that the Contractor contends is applicable to each portion of the record redacted, including the specific statutory citation for such exemption. The Contractor shall only redact portions of records that it claims contains Confidential Information. If the Contractor fails to mark a record it claims contains Confidential Information as “confidential,” or fails to submit a redacted copy in accordance with this section of a record it claims contains Confidential Information, the Department (or other State agency) shall have no liability for release of such record. The foregoing will apply to every instance in which the Contractor fails to both mark a record “confidential” and redact it in accordance with this section, regardless of whether the Contractor may have properly marked and redacted the same or similar Confidential Information in another instance or record submitted to the Department (or any other State agency).

In the event of a public records request, to which records the Contractor marked as “confidential” are responsive to the request, the Department shall provide the Contractor-redacted copy to the requestor. If the Contractor has marked a record as “confidential” but

EXHIBIT C

failed to provide a Contractor-redacted copy to the Department, the Customer may notify the Contractor of the request and the Contractor may have up to ten (10) Business Days from the date of the notice to provide a Contractor-redacted copy, or else the Department may release the unredacted record to the requestor without liability. If the Department provides a Contractor-redacted copy of the documents and the requestor asserts a right to the Contractor-redacted Confidential Information, the Department shall promptly notify the Contractor such an assertion has been made. The notice will provide that if the Contractor seeks to protect the Contractor-redacted Confidential Information from release it must, within thirty (30) days after the date of the notice and at its own expense, file a cause of action seeking a declaratory judgment that the information in question is exempt from section 119.07(1), F.S., or other applicable law and an order prohibiting the Department from publicly disclosing the information. The Contractor shall provide written notice to the Department of any cause of action filed. If the Contractor fails to file a cause of action within thirty (30) days the Department may release the unredacted copy of the record to the requestor without liability.

If the Department is requested or compelled in any legal proceeding to disclose documents that are marked as "confidential" (whether by oral questions, interrogatories, requests for information or documents, subpoena, or similar process), unless otherwise prohibited by law, the Department shall give the Contractor prompt written notice of the demand or request prior to disclosing any Confidential Information to allow the Contractor to seek a protective order or other appropriate relief at the Contractor's sole discretion and expense. If the Contractor fails to take appropriate and timely action to protect the Confidential Information contained within documents it has marked as "confidential" or fails to provide a redacted copy that may be disclosed, the Department may provide the unredacted records in response to the demand without liability.

The Contractor shall protect, defend, and indemnify the Department for all claims, costs, fines, settlement fees, and attorneys' fees, at both the trial and appellate levels, arising from or relating to the Contractor's determination that its records contain Confidential Information. In the event of a third-party claim brought against the Department for failure to release the Contractor's redacted Confidential Information, the Contractor shall assume, at its sole expense, the defense or settlement of such claim, including attorney's fees and costs at both the trial and appellate levels. If the Contractor fails to continuously undertake the defense or settlement of such claim or if the Contractor and Department mutually agree that the Department is best suited to undertake the defense or settlement, the Department will have the right, but not the obligation, to undertake the defense or settlement of such claim, at its discretion. The Contractor shall be bound by any defense or settlement the Department may make as to such claim, and the Contractor agrees to reimburse the Department for the expense, including reasonable attorney's fees and costs at both the trial and appellate levels associated with any defense or settlement that the Department may undertake to defend Contractor's Confidential Information. The Department will also be entitled to join the Contractor in any third-party claim for the purpose of enforcing any right of indemnity under this section.

If at any point the Department is reasonably advised by its counsel that disclosure of the Confidential Information is required by law, including but not limited to Florida's public records laws, the Department may disclose such Confidential Information without liability hereunder.

EXHIBIT C

12.3 Public Records Requirements Pursuant to Section 119.0701, F.S. Solely for the purpose of this section, the Department's Contract Manager is the agency custodian of public records. If, under the Term Contract, the Contractor is providing services and is acting on behalf of the public agency, as provided in section 119.0701, F.S., the Contractor shall:

- ii. Upon request from the Department's custodian of public records, provide the Department with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S., or as otherwise provided by law.
- iii. Ensure that public records that are exempt or confidential and exempt from public records disclosure are not disclosed except as authorized by law for the duration of the Term Contract term and following the completion of the Term Contract if the Contractor does not transfer the records to the Department.
- iv. Upon completion of the Term Contract, transfer, at no cost, to the Department all public records in possession of the Contractor or keep and maintain public records required by the Department to perform the service. If the Contractor transfers all public records to the Department upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the Term Contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Department, upon request from the Department's custodian of public records, in a format that is compatible with the information technology systems of the Department.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS TERM CONTRACT, CONTACT THE DEPARTMENT'S CUSTODIAN OF PUBLIC RECORDS AT PUBLICRECORDS@DMS.FL.GOV, (850) 487-1082 OR 4050 ESPLANADE WAY, SUITE 160, TALLAHASSEE, FLORIDA 32399-0950.

12.4 Advertising. Subject to Chapter 119, Florida Statutes, the Contractor shall not publicly disseminate any information concerning the Term Contract without prior written approval from the Department, including mentioning the Term Contract in a press release or other promotional material, identifying the Department or the State as a reference, or otherwise linking the Contractor's name and either a description of the Term Contract or the name of the Department or the State in any material published, either in print or electronically, to any entity that is not a party to the Term Contract, except potential or actual Customers or authorized distributors, dealers, resellers, or service representatives.

12.5 Intellectual Property.

12.5.1 Ownership. Unless specifically addressed otherwise in the Customer's contract, the State of Florida shall be the owner of all intellectual property rights to all new property created or developed in connection with the Customer's contract. This shall not apply

to intellectual property developed prior to the execution of the Term Contract.

12.5.2 Patentable Inventions or Discoveries. Any inventions or discoveries developed in the course, or as a result, of services in connection with the Customer's contract that are patentable pursuant to 35 U.S.C. § 101 are the sole property of the State of Florida. Contractor must inform the Customer and the Department of any inventions or discoveries developed or made through performance of the Customer's contract, and such inventions or discoveries will be referred to the Florida Department of State for a determination on whether patent protection will be sought. The State of Florida will be the sole owner of all patents resulting from any invention or discovery made through performance of the Customer's contract. This shall not apply to any invention or discovery made prior to the execution of the Term Contract.

12.5.3 Copyrightable Works. Contractor must notify the Customer and the Department of any publications, artwork, or other copyrightable works developed in connection with the Customer's contract. All copyrights created or developed through performance of the Customer's contract are owned solely by the State of Florida. This shall not apply to any copyrightable works created or developed prior to the execution of the Term Contract.

SECTION 13. DATA SECURITY.

The Contractor will maintain the security of State of Florida data including, but not limited to, maintaining a secure area around any displayed visible data and ensuring data is stored and secured when not in use. "State of Florida data" means data collected by, transmitted from, created for, or provided by the Department or the Customer. The Contractor will not allow any State of Florida data to be sent by any medium, transmitted, or accessed outside the United States due to Contractor's action or inaction. In the event of a Security Incident involving State of Florida data, the Contractor shall give notice to the Customer and the Department within one business day of becoming aware of the Security Incident. "Security Incident" for purposes of this section will refer to an actual or imminent threat of a violation of information technology resources, security, policies, or practices, unauthorized access of State of Florida data, or occurrences that compromise the confidentiality, integrity, or availability of State of Florida data. An imminent threat refers to a situation in which the Contractor has a factual basis for believing that a specific incident is about to occur. Once a data breach has been contained, the Contractor must provide the Department and the Customer with a post-incident report documenting all containment, eradication, and recovery measures taken. The Department reserves the right in its sole discretion to enlist a third party to audit Contractor's findings and produce an independent report, and the Contractor will fully cooperate with the third party. The Contractor will also comply with all HIPAA requirements and any other current state and federal rules and regulations regarding security of information.

SECTION 14. CONTRACT MONITORING.

14.1 Performance Standards. The Contractor agrees to perform all tasks and provide deliverables as set forth in the Term Contract. The Customer will be entitled at all times, upon request, to be advised as to the status of work being done by the Contractor and of the details thereof.

Sales will be reviewed on a quarterly basis. If no sales are recorded in two consecutive quarters, the Contractor may be placed on probationary status, or the Department may terminate the Term Contract. Failure to provide the Quarterly Sales Report, or other reports requested by the Department, will result in the imposition of financial consequences and may result in the Contractor being found in default and the termination of the Term Contract.

The correction must be made within a timeframe specified by the Customer or the Department. The Contractor must provide the Customer or the Department with a corrective action plan describing how the Contractor will address all performance deficiencies identified by the Customer or the Department.
- 14.4.2 **Retainage for Unacceptable Corrective Action Plan or Plan Failure.** For Customer-requested Corrective Action Plans, if the corrective action plan is unacceptable to the Customer, or implementation of the plan fails to remedy the performance deficiencies, the Customer will retain ten percent (10%) of the total invoice amount. The retainage will be withheld until the Contractor resolves the performance deficiencies. If the performance deficiencies are resolved, the Contractor may invoice the Customer for the retained amount. If the Contractor fails to resolve the performance deficiencies, the retained amount will be forfeited to compensate the Customer for the performance deficiencies.

Such information may include the Contractor's business or financial records, documents, or files of any type or form that refer to or relate to the Term Contract. The Contractor agrees to reimburse the State for the reasonable costs of investigation incurred by the Inspector General or other authorized State official for investigations of the Contractor's compliance with the terms of the Term Contract or any other agreement between the Contractor and the State which results in the suspension or debarment of the Contractor. Such costs will include salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor shall not be responsible for any costs of investigations that do not result in the Contractor's suspension or debarment.

SECTION 15. PERFORMANCE OR COMPLIANCE AUDITS.

The Department may conduct or have conducted performance and/or compliance audits of the Contractor and subcontractors as determined by the Department. The Department may conduct an audit and review all the Contractor's and subcontractors' data and records that directly relate to the Term Contract. To the extent necessary to verify the Contractor's fees and claims for payment under the Term Contract, the Contractor's agreements or contracts with subcontractors, partners, or agents of the Contractor, pertaining to the Term Contract, may be inspected by the Department upon fifteen (15) calendar days' notice, during normal working hours and in accordance with the Contractor's facility access procedures where facility access is required. Release statements from its subcontractors, partners, or agents are not required for the Department or its designee to conduct compliance and performance audits on any of the Contractor's contracts relating to this Term Contract.

SECTION 16. CONFIDENTIALITY.

The Contractor shall not divulge to third parties any confidential information obtained by the Contractor or its employees, subcontractors, or agents in the course of performing Term Contract work, including security procedures, business operations information, or commercial proprietary information in the possession of the Customer or State.
